Dear Westerners,

Here is your 1955 WESTERNER, the thirty-fourth volume of the Lubbock Senior High School yearbook. We, the editors of this edition, with our staff workers, have tried to record this year's great moments, both in work and in play. Helping us has been our good friend Wes-Nur, the Westerner pixie who sees all and knows all in Westernerland. His mother was Westerner Spirit; his father, the Courage of the Pioneers.

This year marks another milestone in the great history of education in our city. Since 1892 senior high school students have met in one body. In September, 1955, two senior high schools, Tom S. Lubbock and Monterey will open their doors to approximately 2,900 students.

This year has indeed been one of "big round-ups": the largest enrollment in history, more than 2200; the first homecoming, which attracted hundreds of graduates from the classes of 1909 through 1954; the largest classes ever; and a faculty of 95.

In athletic events the boys of Lubbock Senior High have tried to do their best; not only in winning, but in living up to our motto, "Sportsmanship, then Victory." In the classrooms students have fulfilled the purpose of coming to school—to learn. In club meetings and in the Student Council the democratic principles on which our country was founded have been practiced. In all contests students have given extra time to make the name of Lubbock Senior High School known throughout the state. Truly, this year has been the "Big Round-Up."

We, the editors, would like to give our special thanks to all those who have worked to make this yearbook possible. Only we can know the time, effort, and sacrifices that this yearbook has cost the staff members. Also we would like to thank The Steck Company of Austin, our lithographer; the Reeves, the Avalanche-Journal, and Jim Dallas studios for the special help that they have given us.

Sincerely yours,  
The Editors

# 1400 Exes Return For Homecoming

Lubbock Senior High School held its first Homecoming last fall on Thanksgiving Day. Highlights of the big return were a night pep rally, group meetings of the exes, the Westerner-Sandie football game, crowning of the homecoming queen, and a reception for all exes and Lubbock High students after the game.

Homecoming activities were begun with a night pep rally and bonfire at Chapman Field. Mr. Burl Huffman, Westerner Coach from 1931 through 1935, was the principal speaker at the pep rally. After the program the students and exes went across the street where the 30-foot-high bonfire was blazing.

Thanksgiving morning exes had a chance to renew acquaintance with former schoolmates at various meeting places around town. The exes present from before 1921 met together as did the ones from 1921-'29, 1930-'34, 1935-'40, 1941-'45, 1946-'50, and 1951-'54.

The Student Council sold mums for homecoming, and at the meeting places they furnished coffee and soft drinks. The Y-Teen Club transformed the art room into a lounge and held open house for all past members of Y-Teen and Girl Reserve organizations. Westerner

Publications Department furnished copies of the Thanksgiving issue of the Westerner World for all exes.

"Chicks and ducks and geese better scurry when I take her out in the surrey—with the fringe on top—," to this tune, played by the Lubbock High School Westerner Band, Carma Jean Williamson, Lubbock High School's homecoming queen, rode around the playing field at Jones Stadium at half time in the Westerner—Sandie game Turkey Day. Fourteen hundred exes saluted the senior queen as she passed by in her surrey with a convertible top that popped up half way around the field. Carma Jean and her attendants, Pat Rainer and Sharla Pepper, were presented bouquets of red roses by Mr. Nat Williams, superintendent of schools.

Presentation of the homecoming queen climaxed the half-time activities of the traditional Thanksgiving Day football game between the Lubbock Westerners and the Amarillo Sandies. Even though the Westerners came out on the short end of the 14 to 7 score, the game was not lacking in tense excitement.

This Homecoming was truly the "Big Round-Up" of traditions, memories, and people who have left their mark on Lubbock Senior High by being students, teachers, or both, in our school.

In the top picture Mrs. Olive Tubbs Fluke, a Westerner of 1915, registers in the O. L. Slaton Junior High cafeteria.

# Progress Marks School's History

With 21 pupils on roll, Miss Minnie Tubbs started Lubbock's first public school in 1891. The Lubbock High of today is a far cry from Miss Tubbs' early school.

Miss Tubbs taught "the three R's" in a "little red" jail, also used for church services when they chanced to have preaching. Later that year, school was held in the Norwood Building on the north side of the city square.

A one-room building between Fifteenth and Sixteenth Streets on Avenue J housed the youngsters in 1892 with Mr. P. F. Brown teaching. Following Mr. Brown in the one-teacher school were Mr. C. F. Stubbs, Mrs. Lee K. Anten, Mr. M. N. Park, and Mr. A. J. Clark. An assistant was hired for Miss Laura Davis in 1898, and the building was enlarged to three rooms. Miss Davis was succeeded by Mr. George R. Bean, Mr. R. R. Holland, Mr. B. N. Graham, Mr. Ed Couch, and Mr. W. S. Norton.

"O, Happy Day—the school is burning down!" might well have been the chant of the students in the spring of 1908 for their school did burn down! Their freedom was short lived, however, as another frame building was erected in the fall of 1909 on Sixth Street and Avenue O. This school included ten grades in eight rooms.

That same year \$25,000 in bonds provided for Central Ward, a brick building with two stories and a basement located on the present site of Sears, Roebuck, and Company. Mr. J. K. Wester became superintendent in 1910; and Mr. G. N. Atkinson, high school principal.

It is interesting to note that Lubbock's high school has had only three principals: Mr. Atkinson, who served until 1926; Mr. R. W. Matthews, from 1926 to 1944; and Mr. Floyd Honey, who assumed the principalship in the fall of 1944.

Mr. M. M. Dupre, superintendent in 1914, introduced manual training, home economics, and agriculture. In 1916 the school had eight teachers and offered 16 affiliated credits. Twelve grades were taught in this school until a separate high school was completed in 1923. The new high school completed in 1923 in the 2000 block between Thirteenth and Fourteenth Streets, is today the north wing and auditorium of Carroll Thompson Junior High. Superintendent Dupre defended the "huge" building saying it would last the needs of Lubbock for at least fifteen years. However, 1924 saw the addition of a south wing and two study halls to the structure.

Mr. Dupre died before the close of the 1925 term, and Principal Atkinson finished that year as acting superintendent. Filling this vacancy the

following school year, Superintendent M. H. Duncan introduced public speaking and music into the curriculum.

Because of the rapid increase in population, a \$650,000 bond issue was voted for a new high school in 1930. Construction of this building was begun that same year and completed in time for the fall semester of 1931.

Dr. Kenneth E. Oberholdzer became superintendent in the fall of 1934, followed by Dr. W. B. Irvin in 1937. Mr. R. W. Matthews filled this position from 1942 until his resignation in 1951. At this time Mr. Nat Williams entered the system as superintendent.

Lubbock Senior High received the addition of a metal shop in the 1942-'43 school year. The east wing addition of 14 classrooms and offices for the superintendent was completed in 1949. Also added were an agriculture room, a gymnasium for girls, and a cafeteria.

Athletics were introduced into the Lubbock schools in 1910 when Mr. J. E. Vickers and Mr. C. D. Lester organized the first football team. The athletics program was broadened in 1913 with the organization of track and basketball teams. In 1934 the athletic department of Lubbock High purchased a practice field and later named it in honor of Coach Weldon B. Chapman, whose death occurred in the fall of 1939.

From 1909 through 1954 about eight thousand, seven hundred forty-five students have been recorded as having received diplomas from Lubbock's high school.

The first graduating class which included eight girls and two boys attended the frame building between Avenue O and Sixth Street in 1909. They were offered only seven or eight courses. This hardly compares with the 71 affiliated credits offered the students of today. Another noteworthy fact is that the 1955 graduating class of an expected five hundred twenty-five total will be the largest group ever to be graduated from Lubbock High School.

As there can be no speed limits of the highway of progress, one high school cannot provide adequate educational facilities for the rapidly growing city of Lubbock. This year will make its mark in history as the last round-up of high-school students in one student body. Next year when the fall session begins, the high-school students will be split into two groups—with more than one-half going to LHS and the others to Monterey High School presently under construction between Forty-seventh and Fiftieth Streets and between Gary and Indiana Avenues.

# Fountain, Tower, Arches, Westerner Trademarks

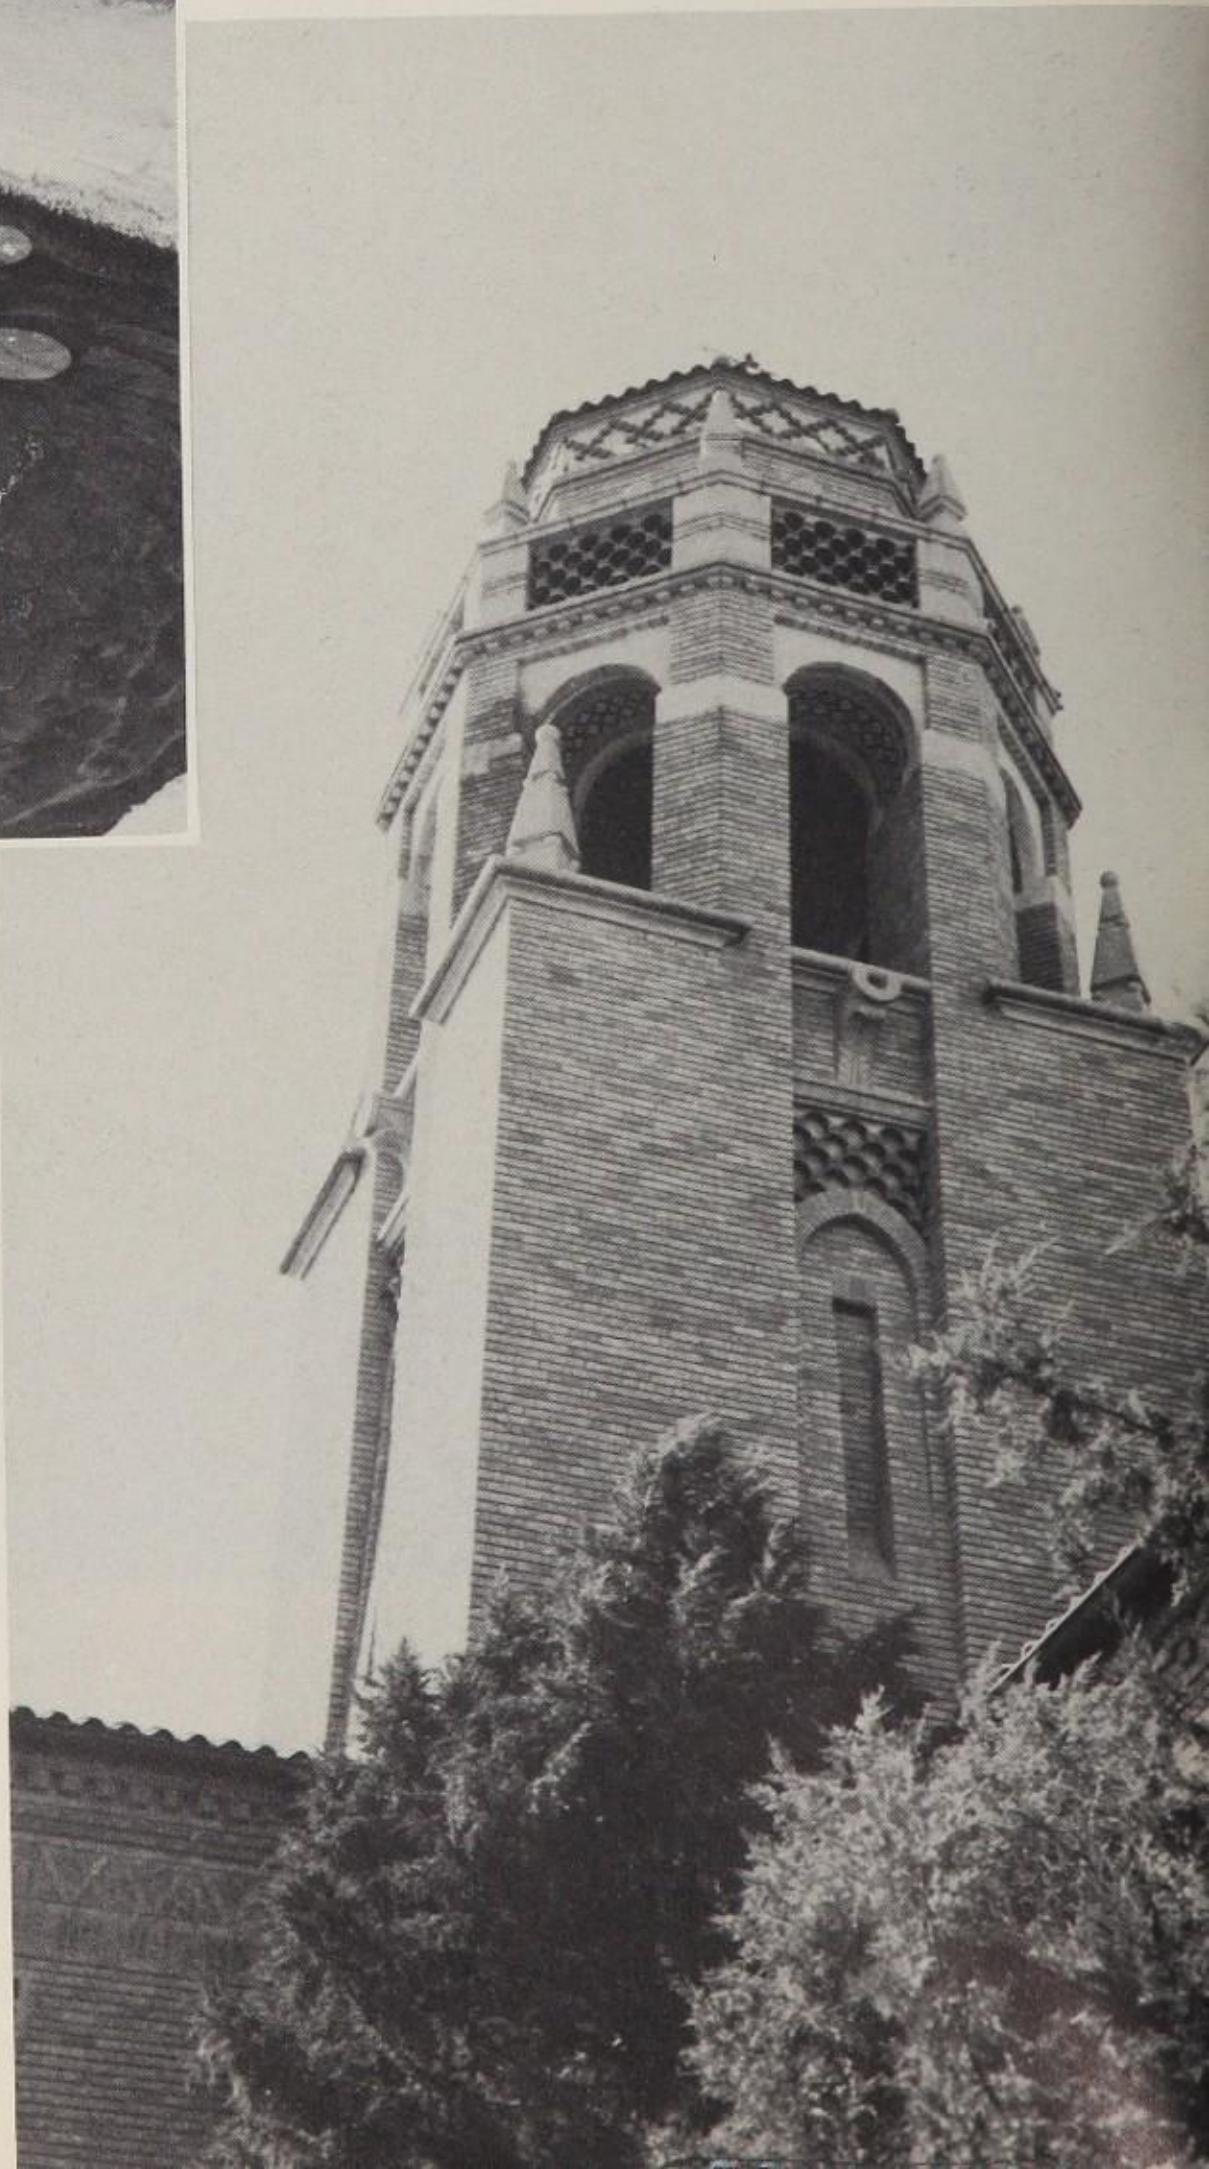

Located in the closed patio, this fountain is filled with many varieties of goldfish. The pigeons which are constantly perched on the sides of the fountain help make this one of the beauty spots on the campus.

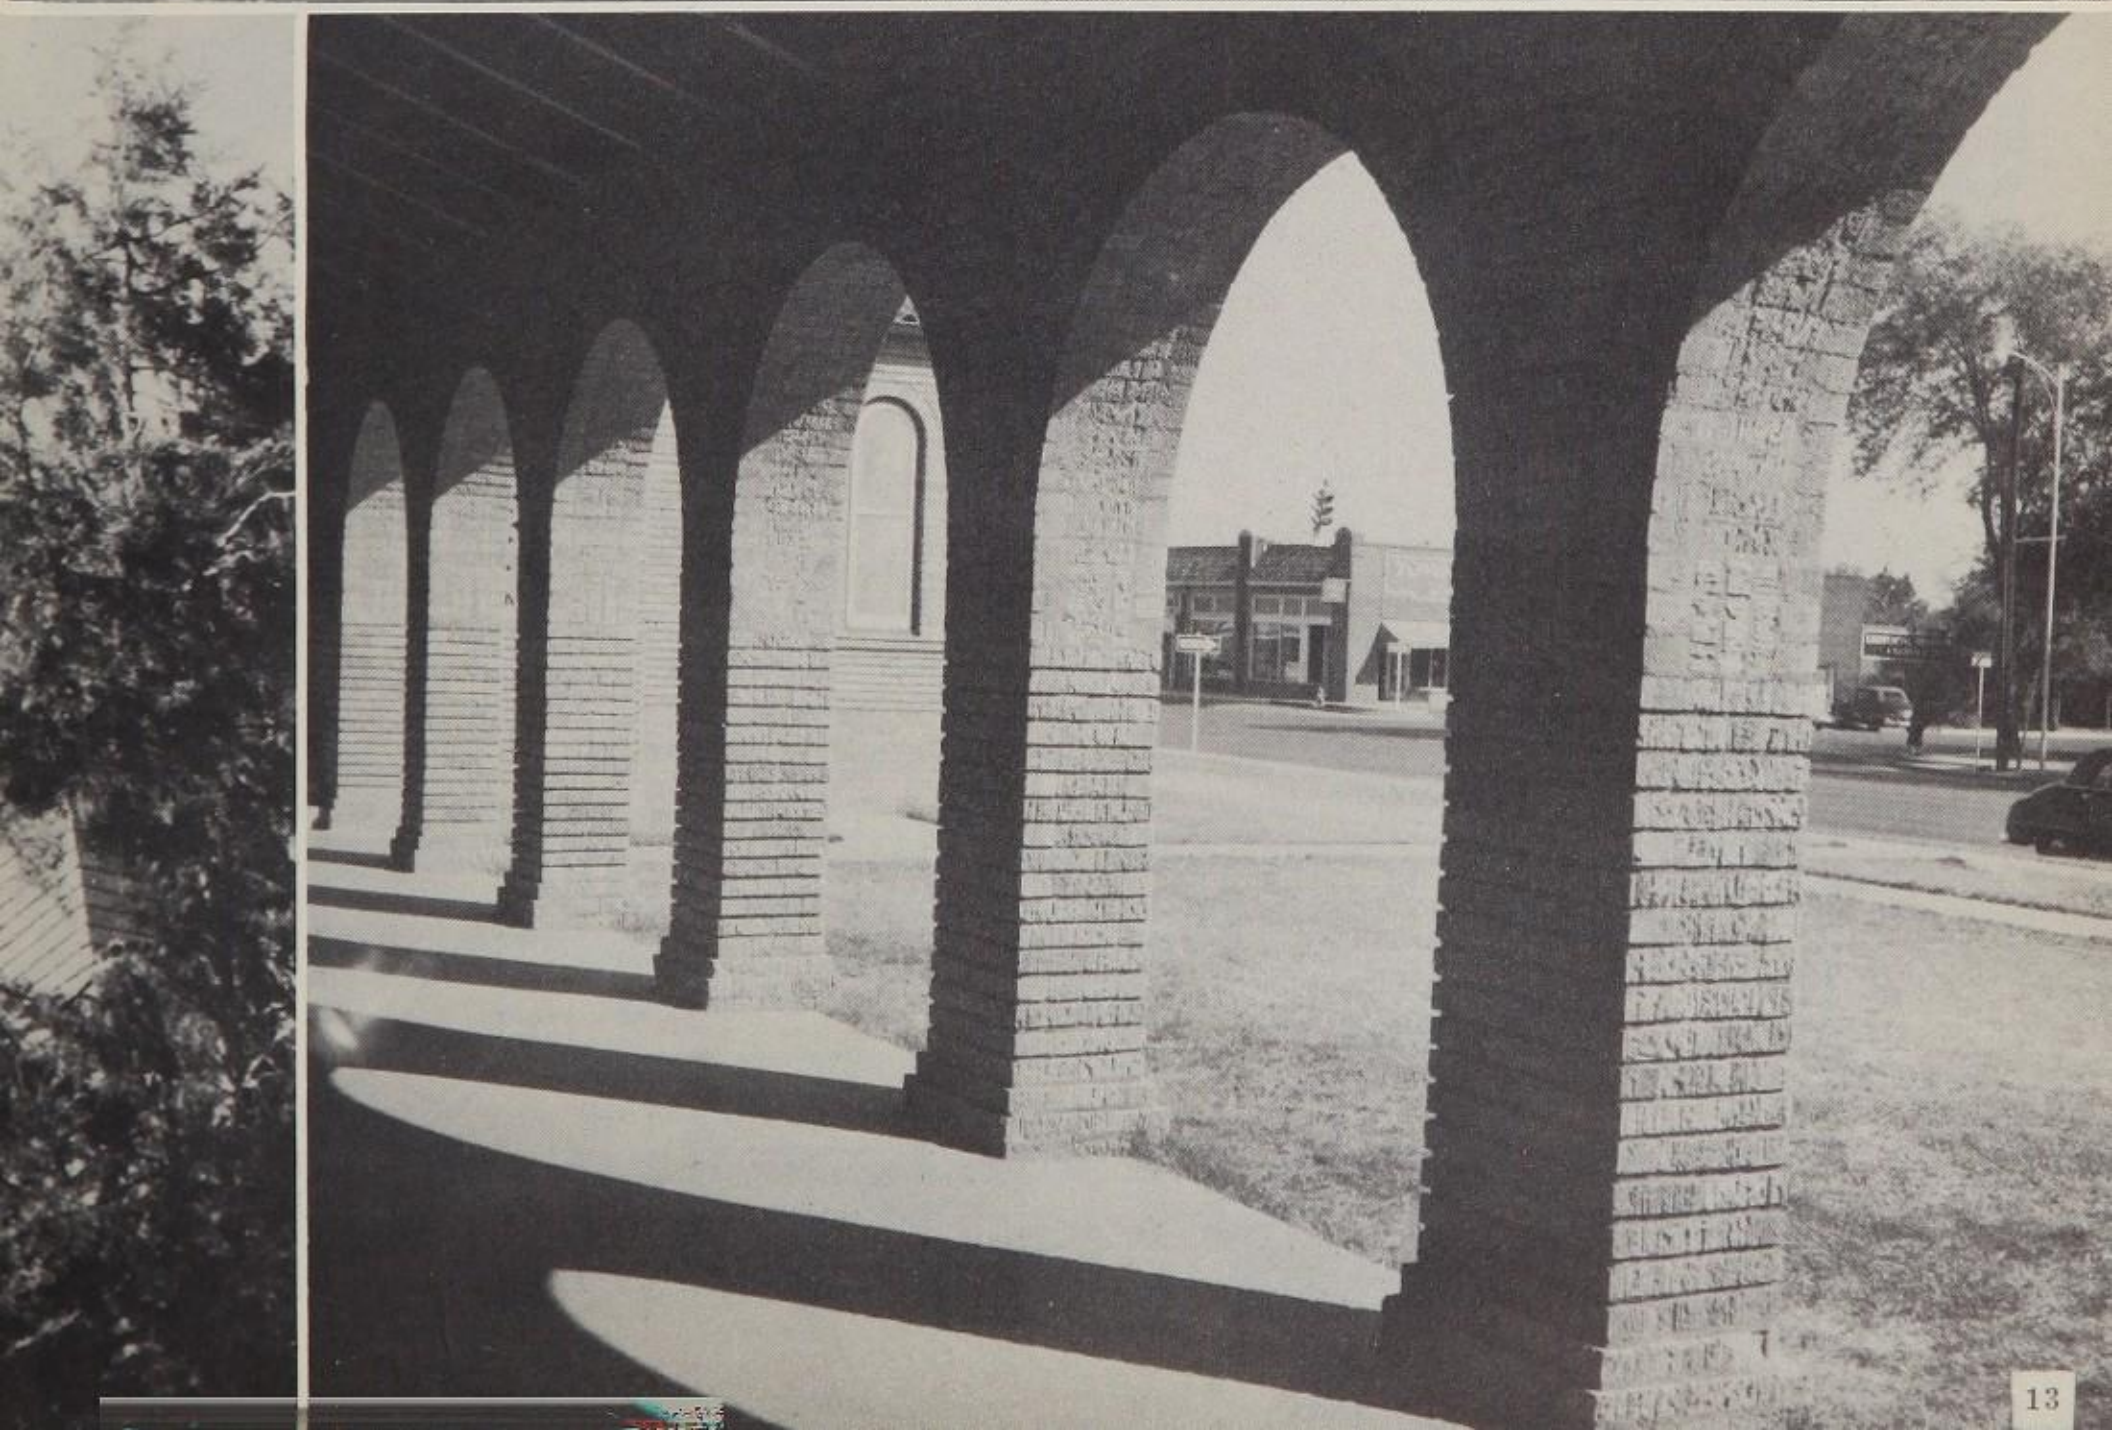

Adding to Lubbock's skyline, this stately tower is a 24-year-old landmark of our city. Lubbock High, commonly known for its Spanish-Colonial or Mediterranean architecture, has the reputation of being "the most magnificent and splendidly equipped building in Texas."

Down this main arterial highway flows the life blood of Lubbock High—its students. This year an average of 2100 students of the peak enrollment of 2210 daily walk down this hall. Extending approximately 400 feet in length from east to west, this hall probably qualifies as the longest in any high school in the state.

Shrouded in lingering afternoon shadows, the east archway is pictured in a rare moment of vacancy.

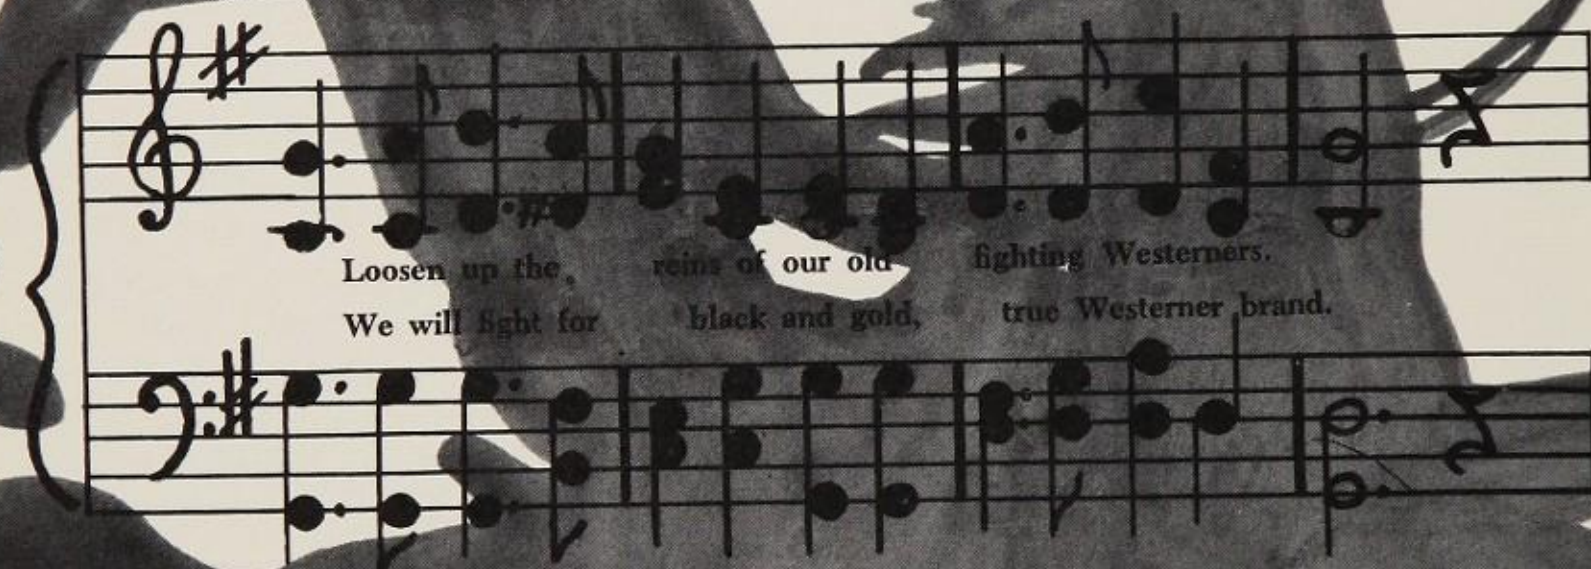

# Westerner Call To Loyalty

Westerners, put on your chaps, Buckle on your spurs,  
We will gallop over all the sweeping prairie land.

The first system of the musical score is written on two staves. The key signature has one sharp (F#) and the time signature is common time (C). The melody is in the treble clef and the accompaniment is in the bass clef. The music is in a 2/4 time signature.

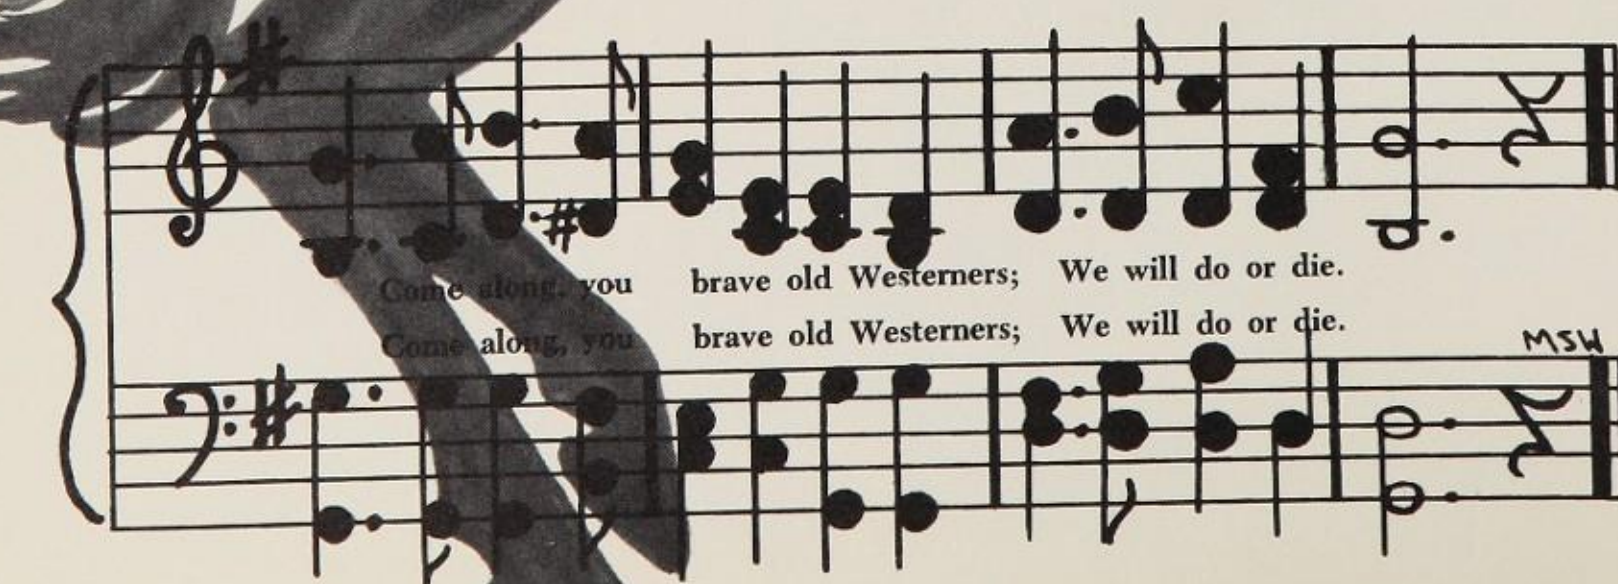

Loosen up the reins of our old fighting Westerners.  
We will fight for black and gold, true Westerner brand.

The second system of the musical score continues the melody and accompaniment. It features the same key signature and time signature as the first system.

Sportsmanship, then victory, is the motto of our high.  
Lubbock High in golden letters, We will glorify.

The third system of the musical score continues the melody and accompaniment. It features the same key signature and time signature as the first system.

Come along, you brave old Westerners; We will do or die.  
Come along, you brave old Westerners; We will do or die.

MSW

The fourth system of the musical score concludes the piece. It features the same key signature and time signature as the first system. The initials 'MSW' are visible in the bottom right corner.

# Democratic Principles Are Used In Electing LHS Favorites, All-Westerners

*Elected by secret ballot each year are a boy and a girl to hold the title of All-Westerner Boy and All-Westerner Girl. These two students are elected by a majority vote of the entire faculty. Among the qualifications which determine who these two people will be are moral standards, scholastic standings, co-operativeness with teachers and students, outstanding achievements and abilities, and personality traits. Perhaps the all-roundness of the two students is the chief determiner. Gloria Waller and Don Kerr received this honor for 1955.*

*One sophomore, one junior, and two seniors are elected by secret ballot as class favorites. Seniors, because of additional years of work and interest, elect a favorite girl and a boy. The sophomores and juniors vote for a girl or a boy in their individual classes. The boy or girl having the plurality vote receives this honor. Because of their friendliness and co-operativeness Don Hunt, sophomore; Bill Dean, junior; and Sharla Pepper and Neil McMullen, seniors, were elected favorites of their classes this year.*

*Round-up time in LHS brings to mind Round-up favorites. A boy and a girl from any of the three classes are elected on plurality vote by secret ballot of the entire student body. Sharla Pepper and Neil McMullen were the student body's choices for Round-up favorites of 1955. Runners-up were Pat Rainer and Don Kerr and Carma Jean Williamson and Bill Dean.*

*Members of the Who's Who are selected on a similar basis according to qualifications as the All-Western Boy and All-Western Girl. Approximately twelve are chosen from the sophomore class; fifteen, from the junior class; and nineteen, from the senior class. Students are nominated in general by the faculty. This list is then screened by a committee consisting of the boys' and girls' counselors, publications' director, WESTERNER editors, class editor, class president and secretary, student body president and secretary, and class sponsors picked at random. This committee screens the list of nominees, investigates them, and makes the final selection. For outstanding work in academic and extracurricular fields Kay Burnam, Liz Creson, Carole Jean Delaney, George Dawson, Richard Estes, Jane Feathers, Joy Herod, Butch Lawrence, Jimmy McLaughlin, Janis Pierce, Dale Pruett, Pat Rainer, Bradford Reeves, Carolyn Tapp, Joyce Thrush, Sam Vaughter, Roy Webb, Suzanne Wilson, Carma Jean Williamson, seniors; Wanda Jo Boyce, Frank Clover, Mary V. Dawson, Bill Dean, Gordon Deering, Irma Galindo, Gordon Graves, Harold Hammett, Janelle Ohlenbusch, Mack Robertson, Rita Seay, Sarah Simmons, Leon Weaver, Kathy White, Mary Sue Wilson, juniors; Bryan Baxter, Eddie Joe Bradford, Delia Close, Anita Gordon, Harlon Lamkin, James Moesor, Lynn Richards, Mike Robinson, Jimmy Seay, Carol Simpson, James Sinclair, and James West, sophomores; were chosen for Who's Who this year.*

NEIL McMULLEN

SHARLA PEPPER

The six top candidates for Round-Up favorites as chosen by the student body and at the Round-Up program-party Friday night, February 25, are Don Kerr, Carma Williamson, Neil McMullen, Sharla Pepper, Pat Rainer, and Bill Dean. The two top favorites were Neil and Sharla.

## Favorites Presented at Round-Up

Here we see LHS students dancing to music furnished by Tommy Hancock and his Roadside Playboys after the program at Round-Up. The couples did square dances for the first hour and then ballroom, "bop", and "jitterbug" took over. The Round-Up favorites reigned over the dance from a throne of hay in the north end of the boys' gym.

Donna Couk and Tony Gibson entered into the spirit of Round-Up in a big way. Causing quite a sensation before school and at noon, they guided "Lady", the horse, through "modern" traffic around the school building.

**JOY HEROD, JIMMY McLAUGHLIN, AND PAT RAINER**—As three student body leaders, Joy, Senior Class secretary, along with Jimmy, Senior president, have led the class of 1955 through a successful year. Aside from secretarial duties, Joy served as Y-Teen treasurer and social chairman

of National Honor Society. Jimmy played Westerner football. Pat, student body secretary, served as chairman of the school assemblies throughout the year. She was secretary of her junior class, and was a Y-Teen officer this year. Pat was selected September Girl of the Month.

**LIZ CRESON**—Besides serving as secretary of Y-Teen and chairman of the recreation committee of the Student Council, Liz is a member of NHS, National Thespians, and was in the senior play. Her main interests lie in the field of dramatics. February Girl of the Month was awarded to Liz because of her drive and determination. The LHS Student Council has been a much better organization due to the hard work that Liz contributed.

## Senior Class Places 11 Girls

**CAROLYN TAPP**—Being president of FHA, lay-out editor of the *WESTERNER*, and senior vice-president make Carolyn one of the busiest girls in school, but not too busy to find time to sell almost \$300 worth of advertising for the 1954-55 yearbook. She is in NHS, Quill and Scroll, and Y-Teens. She was chosen November Girl of the Month because of her friendly attitude, willingness to work, and dependability.

**RICHARD ESTES**—Serving as president of NHS and as vice-president of Hi-Y first semester made Richard's schedule pretty well filled. Because of his willingness to get along with people and desire to work, he was manager of the Westerner Basketball team. Richard is generous with his musical talents as he is with anything he has. Classmates and students alike admire Richard because of his jocular nature and pleasing personality.

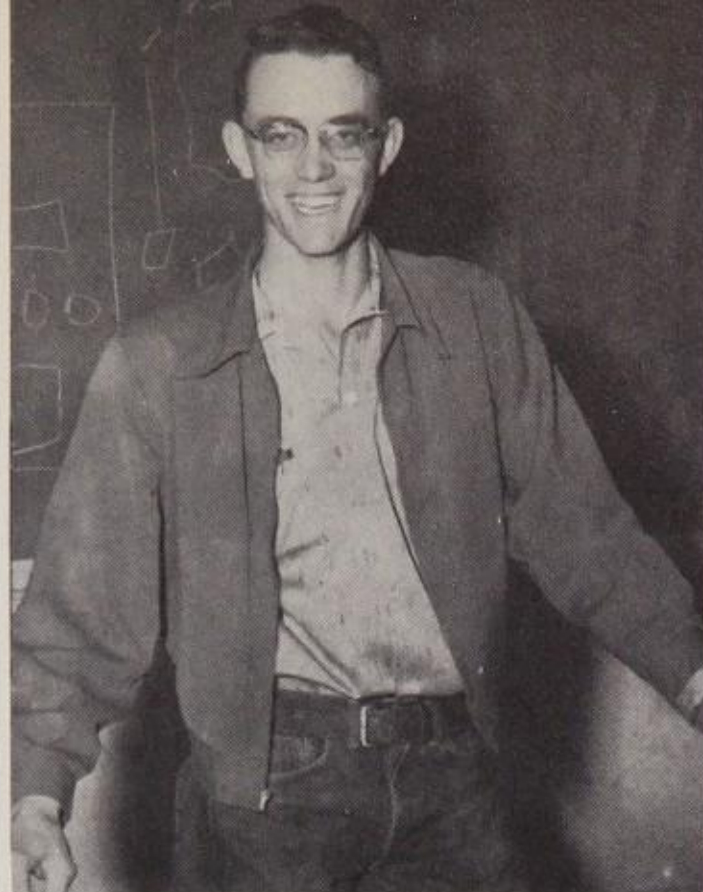

**SAM VAUGHTER**—A bubbling smile and a contagious laugh reflect Sam's disposition. His glowing, but sincere, personality has won for him the confidence of his classmates. A member of the band for three years, Sam acted as drum major during his senior year. In addition to these activities, he was a member of WBBC, home-room president and Junior Rotarian of the Month of January. Sam has fine leadership ability and is a willing worker.

**SUZANNE WILSON**—Busy, quiet, and hard working co-editor of the **WESTERNER**, Suzanne is a deserving candidate for Senior Who's Who. Her main interest in LHS has been publications work; and being a member of Quill and Scroll, she served as vice-president of that organization. Suzanne is also an active member of the Spanish Club, NHS, and Y-Teens. She was selected March Girl of the Month.

**ROY WEBB**—Highlighting a high-school career with a trip to Kansas City with the FFA judging team, Roy showed livestock at Dallas, Fort Worth, and San Angelo, plus local shows. Roy has been a very active member of the Future Farmers of America chapter here at LHS for three years and served as president this year.

**CAROLE JEAN DELANEY**—Carole Jean's exceptional musical talent has put her almost constantly in demand. She plays the piano, organ and other instruments and sings. Her abilities, however, are not limited to music. She is an outstanding worker in the Student Council and in the publications department. She is a member of Quill and Scroll, El Club Pan Americano, NHS, and Y-Teens as well as being in Westernaires and the Notebelles quartette.

## 8 Boys On Who's Who

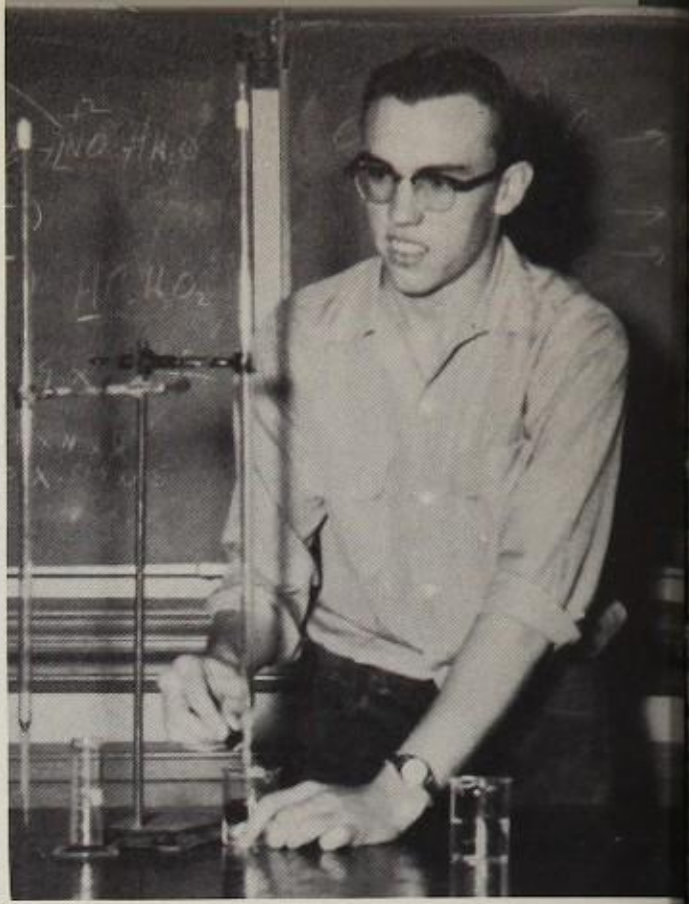

**BETTYE JANE FEATHERS**—Because of her outstanding art ability, Bettye Jane has been recognized as one of the most capable students in the Senior class in this field. She has entered in several art exhibits and contests. Although Bettye Jane just recently moved here from Georgia, she has entered into the swing of LHS life and has done her share in making the school a success.

**DALE PRUETT**—Always willing to do what no one else will is Dale. He is president of Distributive Education and was elected national delegate to the National Meet held in Richmond, Virginia, in April. Dale is a member of FBLA, and, although he is reserved, he is an active member of his class.

**JOYCE THRUSH**—Meticulous and efficient almost to perfection, Joyce finished her three years' work on the **WESTERNER** in the slots as head copy editor and advertising copy and layout editor. She also earned the position of special reporter for the **WESTERNER WORLD** her junior year. Active in Quill and Scroll, she was parliamentarian and membership chairman this year. She has also held active membership in Y-Teens, NHS, and Gens Togata.

**GEORGE DAWSON**—As a delegate to Boys' State, George has participated in many outstanding activities during his three years in LHS. President of Hi-Y is top on his list of accomplishments. George has also been a member of the Westernaires two years and was vice-president of the choir this year. During the 1955 school year George was chosen as Junior Rotarian of the Month.

**JANIS PIERCE**—With a total of twenty-three A's at press time, she is known for her outstanding scholastic ability. She has been an active member of NHS for the past two years. Janis hasn't been taking snap courses; her majors were English, mathematics, science, and history. In the field of service, Janis has served two years as a Y-Teen officer. Winning the confidence of her classmates, she was chosen as a candidate for president of Y-Teens.

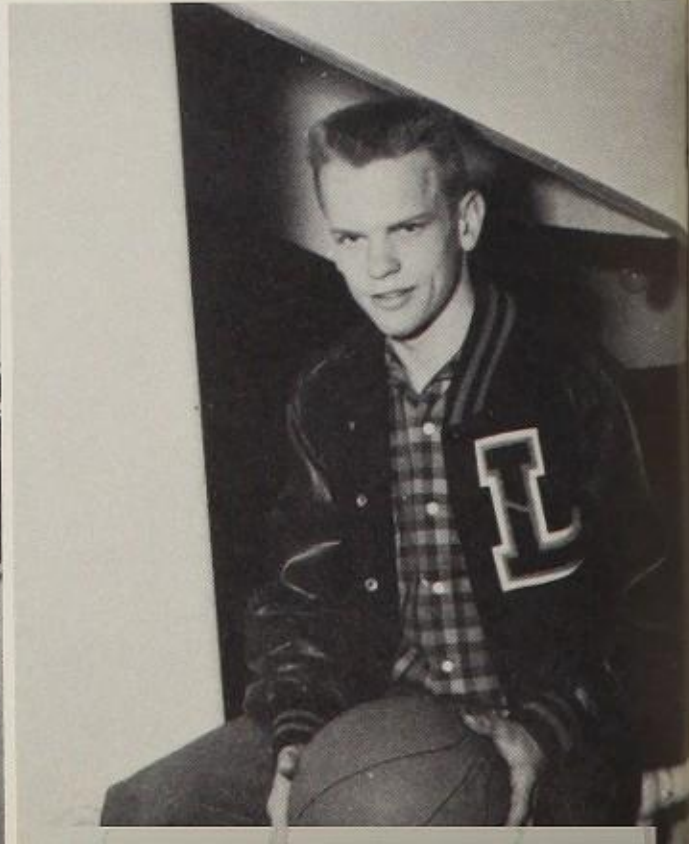

**BRADFORD REEVES**—Versatility is the feature of Bradford's outstanding qualities. He played Cowhand football and ran track last year. This year he returned for the 1955 season. Bradford has also been a member of the Westerner band. He found time to total twenty-one A's and hold membership in NHS. His majors have been math, science, and English.

## Individual Achievements Recognized

**CARMA JEAN WILLIAMSON**—Vivacious Carma Jean has done more toward boosting the LHS spirit than almost any other student. Serving as head-cheerleader and a Y-Teen officer has kept her busy. Her likable nature has won her many friends and the confidence of her classmates. Because of her spirit and enthusiasm, Carma was chosen Girl of the Month for January.

**KAY BURNAM**—A perfect example of efficiency could well describe Kay. Because of this factor along with her many other fine qualities, Kay was elected to serve as president of Y-Teens. She is a member of NHS, Musicians' Guild, and the Student Council. Kay was December Girl of the Month and was chosen to serve as a delegate to Girls' State in 1954.

**BUTCH LAWRENCE**—As a member of the team, spirited little Butch spurred the Westerner cagers on at times when victory looked dim. Although Butch is a member of Westernaires and senior vice-president, he is recognized most frequently for his never dying enthusiasm. Other activities in which Butch is a willing worker are NHS and Hi-Y.

Selected to the Junior Who's Who by a committee of teachers and students are, front row, Rita Seay, Irma Galindo, Mary V. Dawson, Sarah Simmons, Mary Sue Wilson; middle row,

Leon Weaver, Janelle Ohlenbusch, Wanda Jo Boyce, Kathy White, Gordon Graves; back row, Frank Clover, Gordon Deering, Mack Robertson, and Harold Hammett.

## Fourteen Honored For Junior Who's Who

Irma—outstanding in Spanish dances and El Club Pan-Americano activities, Lubbock Valentine Sweetheart.

Mary V.—first place in Interscholastic League solo voice; outstanding in musical ability, and in FHA; secretary of Westernaires.

## B-PW Club Sponsors Girls of Month

*The Business and Professional Women's Club honors one girl each month during the school year by selecting her from the Senior Class for Girl of the Month. After being selected, she attends one of the night meetings of the club at which time she tells something about herself and her activities. A book is usually presented to her as a gift from the club. Moral and ethical standards, leadership, and service, and the basis of*

*their characters are the factors considered in choosing these girls. They must also be good influences on other people, have good scholastic standings, and be tolerant and democratic toward their fellow students.*

*Miss Edith Caveness, Mrs. Dick Cozby, Miss Irene Armes, Miss Bessie Bullock, Mrs. Bill Cox, first semester; and Mrs. Zoe Carter, second semester, served on the committee to select the girls.*

# Two High Schools To Provide

**MR. NAT WILLIAMS, Superintendent**  
Lubbock Public Schools

**DR. ISHMAEL HILL**  
Assistant Superintendent

**MR. WILLIAM H. EVANS, President**  
Board of Education

Under the efficient, understanding, and democratic leadership of Mr. Williams, Lubbock Public Schools continue to move smoothly through a period of phenomenal growth. Total enrollment at the end of 1951-52, which was Mr. Williams's first year here, was 13,005 as compared to 17,432 at the end of the first semester this year. During this period six elementary schools have been added; one junior high, completed; and another senior high nearly completed.

Effective leadership by Dr. Hill as supervisor of the entire curriculum and instructional program and official in charge of interviewing applicants has assured work of the highest quality and continued progress in our schools.

"Charged with approving the school budget and directing the entire school program," members of the Board of Education have given generously of their time and supported wholeheartedly the progressive program of our schools. Other members of the Board are Dr. M. M. Ewing, vice-president; Messrs. T. B. Murphey, secretary; Don L. Jones; Ruel Martin; Paul Pugh; and

# Better Educational Facilities

**MR. FLOYD HONEY, Principal**  
Lubbock Senior High School

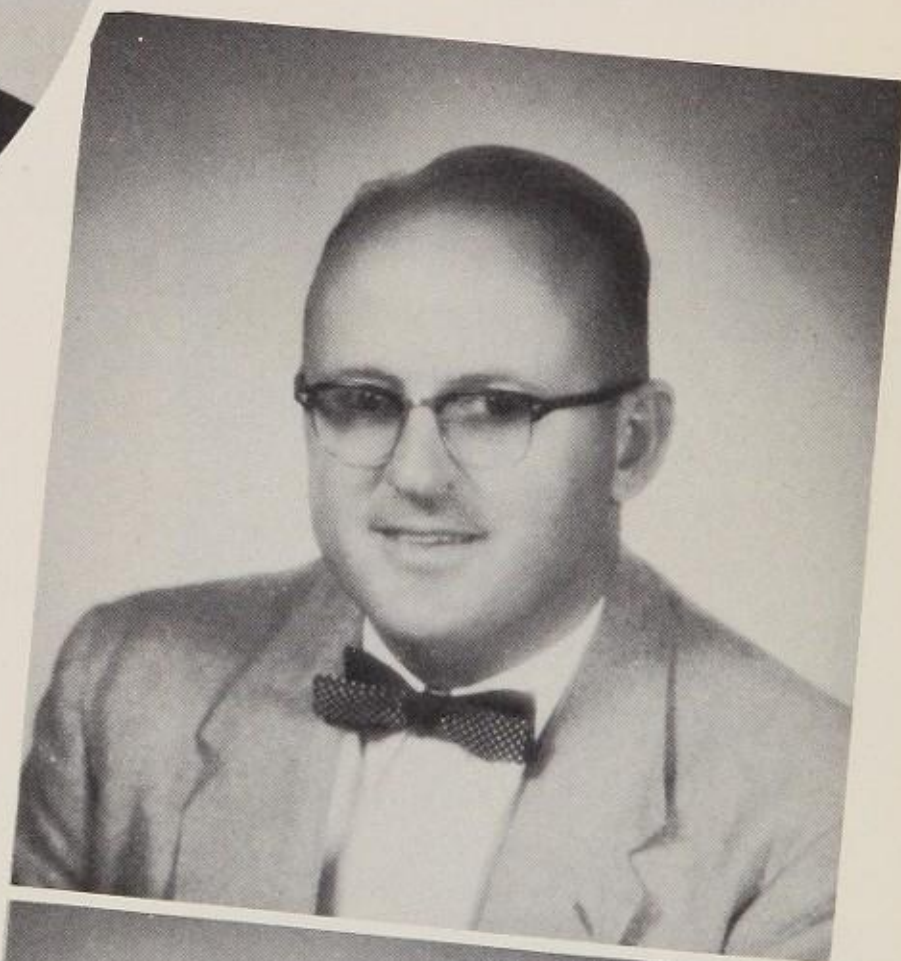

**MR. W. H. HOWORTH**  
Assistant Principal

**MISS DOROTHY LOMAX**  
Director of Secondary Education

"The best laid schemes o' mice an' men gang aft a-gley . . ." Such is the fate of Lubbock High School. When LHS was constructed in 1931 for a capacity of 1200 students, little did its designers dream that one day there would be a peak enrollment of 2,210, and a daily attendance of 2,100. Two high schools became a "must," and in 1952-53 plans began formulating for the construction of another, Monterey.

Tom S. Lubbock High is expected to have approximately 1550 students enrolled next year. Monterey, built for a capacity of 1500 students, is to have approximately 1190 enrolled in four grades, the ninth through the twelfth. Sportwise, they will be classed 4A and 3A, respectively.

Leadership in maintaining our normal school life and high quality of work and at the same time effecting a smooth, co-ordinated transition from one high school student body to two has been provided by Mr. Honey, Mr. Howorth, and Miss Lomax.

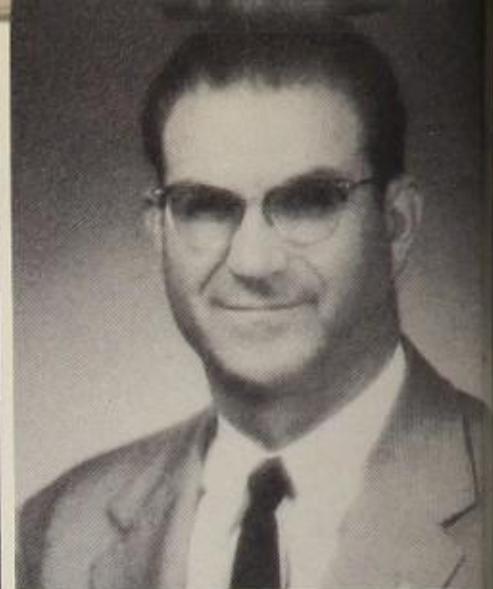

MR. CARL M. BAILEY  
Assistant director of secondary  
education and acting co-  
ordinator of mathematics

MISS GRACE PADLEY  
Director of guidance

MR. G. C. CLAPP

## Directors And

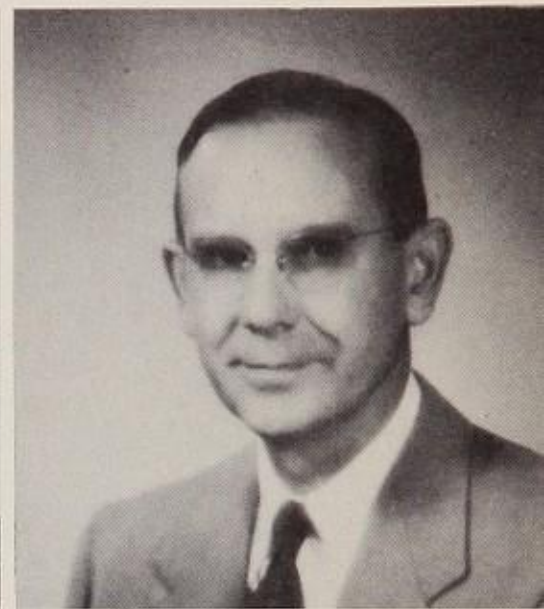

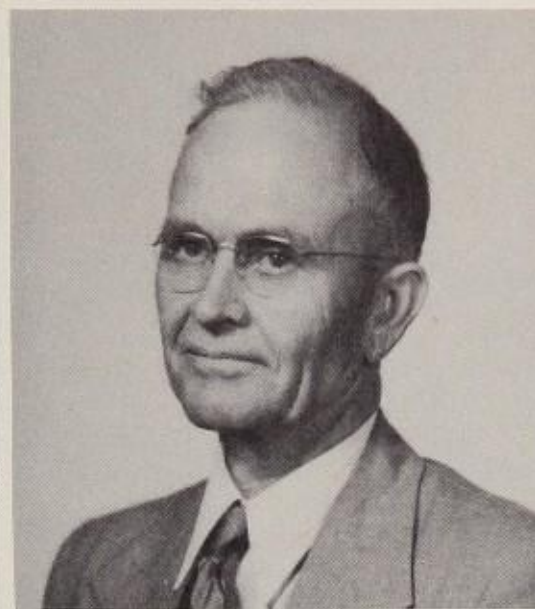

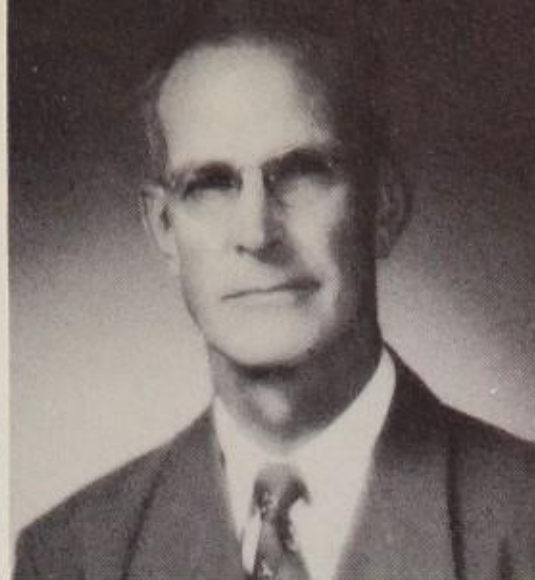

MISS EDITH CAVENESS  
Girls' counselor

MR. C. G. GRAY  
Boys' counselor

Under the direction of Dr. Ishmael Hill, assistant superintendent of Lubbock Public Schools, the level directors and departmental co-ordinators plan improvements within their individual subject areas, aid in revisions of courses of study, and serve as leaders in their branch of the curriculum program. Through the State Board of Education, the co-ordinators and directors also help in the selection of textbooks which are under consideration for adoption.

## Co-ordinators Plan Curriculum

MRS. ERA FORD  
Co-ordinator of nurses

MR. A. F. RASOR  
Census director, attendance  
officer, book custodian

DR. G. G. HAMMER  
Director of vocational  
education

MISS GERTRUDE WATSON  
Co-ordinator of home-  
family life education

MISS BESSIE BULLOCK  
Co-ordinator of business  
department

MR. J. W. REID  
Co-ordinator of safety,  
driver training

MRS. W. I. PITTMAN  
Co-ordinator of  
physical education

MR. W. C. WATTS  
Co-ordinator of science

It is the task of the assistant superintendent to direct the complete instructional program in all the schools. Under him are the directors whose job it is to carry out these instructional programs in the various phases. There are six directors over primary, intermediate, and secondary levels, audio-visual service and public relations, guidance, and vocational and industrial education.

The co-ordinators, as heads of the individual departments in the school, serve in a supervisory capacity in their fields. It is through their efforts that each department is able to maintain a systematic and effective program of instruction.

# Gordon Assumes Duties As Principal of LHS

Mr. Jay E. Gordon assumed the duties of the office of principal of Lubbock Senior High School February 15 so that Mr. Floyd Honey could make preparations for the organization of the new Monterey High School of which he will be principal when it opens September, 1955. At the same time Mr. Gordon took up his new assignment, Mr. W. H. Howorth, former assistant principal of Lubbock Senior High, assumed the duties of principal at J. T. Hutchinson Junior High School. Mr. Gordon, a graduate of Lubbock High, had previously been a classroom teacher and the principal at K. Carter Elementary School, and Hutchinson Junior High.

Mrs. Mitchell Zablutney, right, and Mrs. Richard Pettijohn compare teaching notes as they assumed their new duties at mid-term in the commercial and homemaking departments respectively. Mrs. Zablutney replaced Mr. David Hester; Mrs. Pettijohn, Mrs. Bill Cox.

Since Mr. W. H. Howorth is leaving high school to become principal at J. T. Hutchinson Junior High, Mr. Floyd Honey presented a footed silver tray to him as a farewell gift from the faculty. The teachers wanted to express their appreciation "to a real friend" for work well done.

Miss Grace Padley, guidance director, is seen in the corner picture, middle, discussing the senior career conferences with two guest speakers. Mrs. W. A. Marquis, social worker, and Dr. O. W. English, physician at West Texas Hospital, each spoke about his profession.

## Language Arts

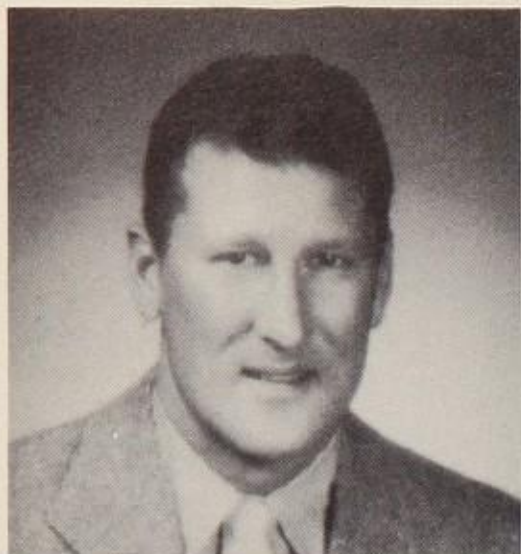

Realizing that through a study of literature and languages of other peoples barriers between races and classes can be broken, the Language Arts Department attempts to instill in students a sympathetic understanding of the peoples of the world as well as a knowledge of their own culture.

This, the largest department in Lubbock Senior High, has 22 teachers and approximately 2200 students, headed by Miss Irene Armes. Language offerings of the department include English, Spanish, and Latin. In addition students in the department are offered speech and journalism courses. Of these, two years of English are required of a student. To complete an English major a student may take another year of English,

a year of speech, or a year of journalism. Basic English 41-42 is required for students weak in fundamentals. Foreign language majors are made up of three years in the same language. The department offers three solid speech courses and six extracurricular courses. Only one year of journalism is taught, but students in this class exercise what they learn through actual work on the school newspaper and yearbook.

Karen Key, S. C. Arnett, and David Edwards are pictured looking over some relics of the old Southwest. During a unit on Southwest literature, the students of the Junior English classes brought the above victrola, branding iron, gun, bullets, ropes, and spurs as displays of this period of time.

# Mathematics

*As the needs for knowledge and skills in mathematics vary with the individual, the faculty strives to provide learning experiences which will be of the most value to the most people.*

*Since math is the basis of science, a knowledge of mathematics is essential for those who would progress in the field of science. All phases of engineering, physics, and chemistry require that a person be equipped mathematically. The trade of nations, our whole business life, depends on the knowledge and application of mathematical and commercial principles. The power to think logically, quickly, and clearly, so essential to all professions, is developed by mathematics.*

*Recently Applied Mathematics has been included along with the regular course offerings of plane and solid geometry, trigonometry, and two years of algebra. Many students will find that this survey course has more practical value for them than some of the more traditional courses. Other students will need to take more than the required two years of mathematics to be eligible for certain college courses.*

# Science

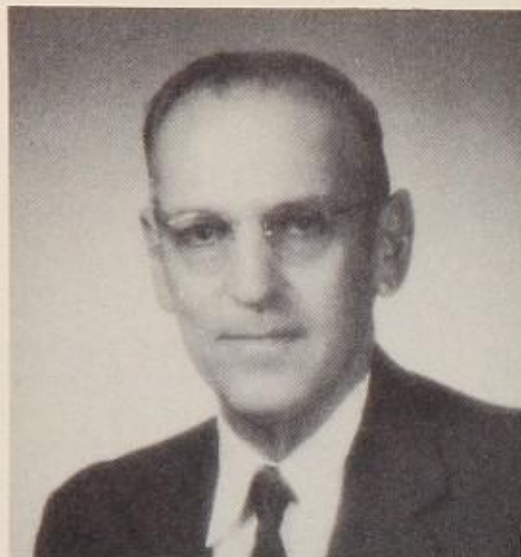

Few areas of the curriculum have a more vital influence upon our lives than does science. In the study of science one develops reflective thinking and learns how to arrive at conclusions based upon experimentation. This type of thinking is basic to many professions and to the preservation and enrichment of life itself. Our nation's defense and growth is dependent upon it. Modern society is geared to science; whether one participates in its professions or enjoys its benefits as consumers, it is necessary that a person study its methods.

In Lubbock Senior High more than one thousand students are studying in one or more of the 34 science sections offered. Twenty-one of these

sections are devoted to specific areas such as biology, chemistry, physics, and aeronautics. The remaining 13 sections are in applied science, a course designed primarily for students who do not plan to specialize in science. The Science Department has 7 instructors with Mr. W. C. Watts as head of the department.

Typical of laboratory work in the Science Department is the scene above in which Mr. J. C. Richardson, chemistry teacher, is supervising the generating of carbon dioxide, an experiment being conducted by four of his chemistry students, Robert Johnson, Toni Manning, Kenny Cummings, and Bill Riddle.

## Studies Social

The Social Studies Department includes nine teachers and approximately 1150 students. The department offers 4½ credits: World history, American history, Texas history, American government, American problems, and a year of Bible. Only American history is required for graduation.

The objectives of the department include leading students to understand the rights and duties of a citizen in a democracy; promoting international understanding; helping students to acquire an understanding of world problems; developing a love of historical reading; and teaching students to read understandingly, to express ideas clearly and correctly, and think critically.

Students of Texas history classes find in their teacher, Mr. E. J. (Pinky) Lowrey, a veritable fountain of interesting stories of the whole Southwest, Texas and the South Plains in particular. A semester in this course has converted many a Westerner into a history "fan."

Bible courses are popular. Even as an elective the course has drawn 164 students this year, and the size of the notebooks that the Bible students must keep has turned few away.

Frances Wilson, Carolyn Tapp, seniors, and Mary Ann Eskridge, sophomore, are seen above as they compare their Bible notebooks, each one maintaining that hers is best.

# Industrial Art

For the student who would increase his cultural background in art, develop his artistic abilities, develop a hobby, or like a period of profit and relaxation during the day, the Art Department offers a selection of courses that fits his need.

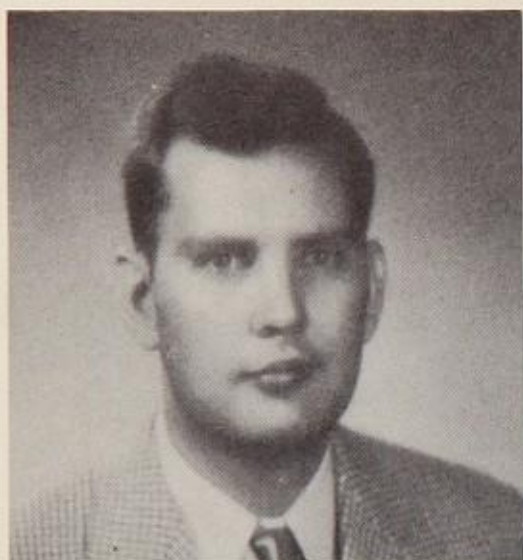

Approximately 500 students are enrolled in this department under Miss Mary Wilson and Miss George Ann McFarland. This department serves as a source of information for students about occupations that require art training. Although specialized training is required before students may actually enter art vocations, such as advertising, the art classes offered here serve as introductory courses. Commercial art, pottery, yearbook art, Art I, Art II, and Art 31-32 are offered by this department. Yearbook art is of-

journalism teachers. Art 31-32, Mechanical Drawing 21-22, Mechanical Drawing 31-32 constitute an art major.

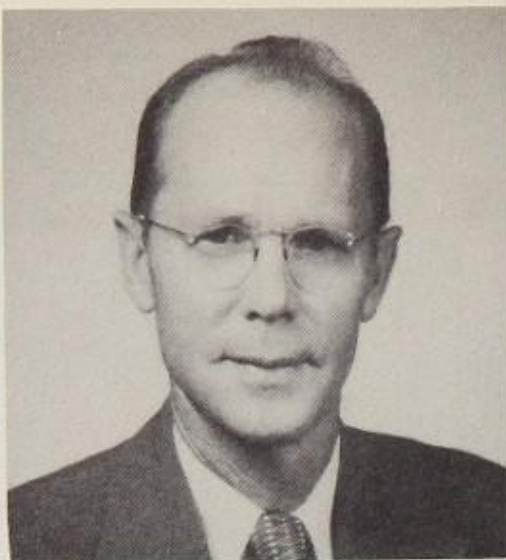

Mr. Jackson Larabee, Mr. J. C. Crawford, and Mr. E. E. Key of the Industrial Art Department help their students gain an active interest in industry and the problems of production. Although industrial courses are not designed primarily to train boys for vocations, they do give them a general knowledge of what they might learn through special training.

Of the 300 students in this department, 125 are in woodwork classes while 175 are in mechanical drawing classes. Boys taking woodwork are trained in the use of all woodwork hand tools and most of the power tools. Those in mechanical drawing learn the language of industry by drawings.

## Commercial Studies

Four objectives are prominent in the Commercial Department: to prepare students for entering employment immediately upon leaving high school, to prepare students for advanced business courses in college, to help students become intelligent consumers, and to give basic training in typing for personal use.

In addition to giving students the training they need, the department aids students in securing positions in offices in the city. To attain positions with better chances for promotion, the department recommends that students broaden their business education in college.

A total of 6½ units of credit are offered includ-

ing typing, stenography, bookkeeping, junior business training, clerical practice, commercial arithmetic, commercial geography and salesmanship.

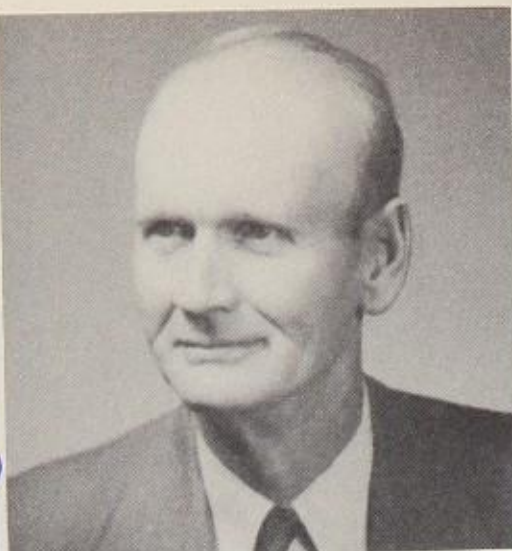

The second semester Miss Bessie Bullock, head of the department, began an extracurricular shorthand class for those who planned to enter Interscholastic League shorthand competition or to prepare themselves for civil service tests. There are 900 students in the department under six commercial teachers.

Jeannette Farris, Jo Ann Van Norman, and Joan Lowrimore, clerical practice students, are seen using a calculator during class period.

## Vocational Fields

Training students for useful living is the main objective of the Vocational Department which includes Homemaking 11, 12, 21, 22, 31, 32, Home and Family Life 40, Textiles 42, Nutrition 41, Boys' Foods 11, and Personal and Home Problems 20, summer projects, and Agriculture I, II, and III.

One of the purposes in teaching homemaking is to give both boys and girls training and opportunity to develop skills, gain knowledge, and accept responsibility in the different areas of elective home and family life education.

Five teachers direct 543 students in a program including style shows, teas, displays, foods, lab-

oratories, and the two new boys' courses in home-making, added to the curriculum this year.

Four credits are available in the Agriculture Department which this year includes 140 boys. To familiarize the students with agriculture and to establish boys in this field are the general aims carried out by the two instructors. Outstanding merits in poultry and livestock judging; cotton classifying, chapter conducting, and radio broadcasting have been recognized throughout the state.

## Vocational Services

*Among the many recognized departments of Lubbock High School are those which might be grouped as vocational services with their varied curriculums including journalism and vocational industrial courses.*

*The eight industrial teachers instruct 120 boys in woodwork, 28 in sheet metal, 170 in mechanical drawing, 33 in auto mechanics, 33 in industrial training classes, and 35 in distributive education. Phases of advanced work covered are welding, acetylene welding, machine and auto works. The department offers two years of wood-*

*work and two years of mechanical drawing which help develop the skills of the student.*

*The publications field offers actual work on the yearbook and newspaper staffs where this year 80 students were trained in newsgathering and writing, advertising, photography, and salesmanship.*

## Senior Officers Pilot Activities for 596 Graduates

Jimmy McLaughlin and Joy Herod launched senior activities as president and secretary, respectively, of their class. As such it was the lot of Jimmy to preside over all senior meetings and Joy to keep records, pay bills, and handle correspondence.

Hand-in-hand with the vice-presidents, they planned all senior high-lights such as parties, the Lavinrac Renretsew, Kid Day, the class play, and the class assembly. They also worked out traditional graduation events such as a trip, a banquet, and the commencement

Money for the senior gift to the school was raised by the senior carnival, Lavinrac Renretsew, which spelled backward is Westerner Carnival, and the senior play. The carnival netted approximately \$438.

Pictured before the 1952-53 senior gift, a mural in the cafeteria depicting the school's history, are the vice-presidents. They are, back row, Butch Lawrence, Keith Cecil, Jerrell Snodgrass, Larry Merriman, and Neil McMullen; front row, Carolyn Tapp, Ann Pendley, Kay Burnam, Toni Bannister, and Sharla Pepper.

Ray Moore, who took a 53-day summer tour of ten countries in Europe, shows here some of the souvenirs collected on his trip. Displayed on a map of Europe is a microscope, a camera, a cashmere sweater, his passport, and a Swiss watch which not only tells time, but gives the day of the week, the month, and the year. He is shown opening a musical beer stein from Germany.

Ray has traveled an estimated 17,575 miles, walked approximately 300 miles and climbed some 61,000 steps. Different types of money he used on his tour included dollars, pounds, shillings, pence, marks, lire, groschens, cents, pfennig, guilders and francs.

According to Ray, Paris and Rome were the most impressive cities visited on the tour through France, Germany, Switzerland, Monaco, Italy, Austria, Belgium, the Netherlands, England, and Scotland.

At the beginning of the fall semester, students circulate petitions of nomination for candidates for vice-president of the class. This season 13 girls and 11 boys from the senior class took out petitions for the race. Diana Smith, Sharon Chick, and Liz Creson are receiving petitions issued by Carma Williamson.

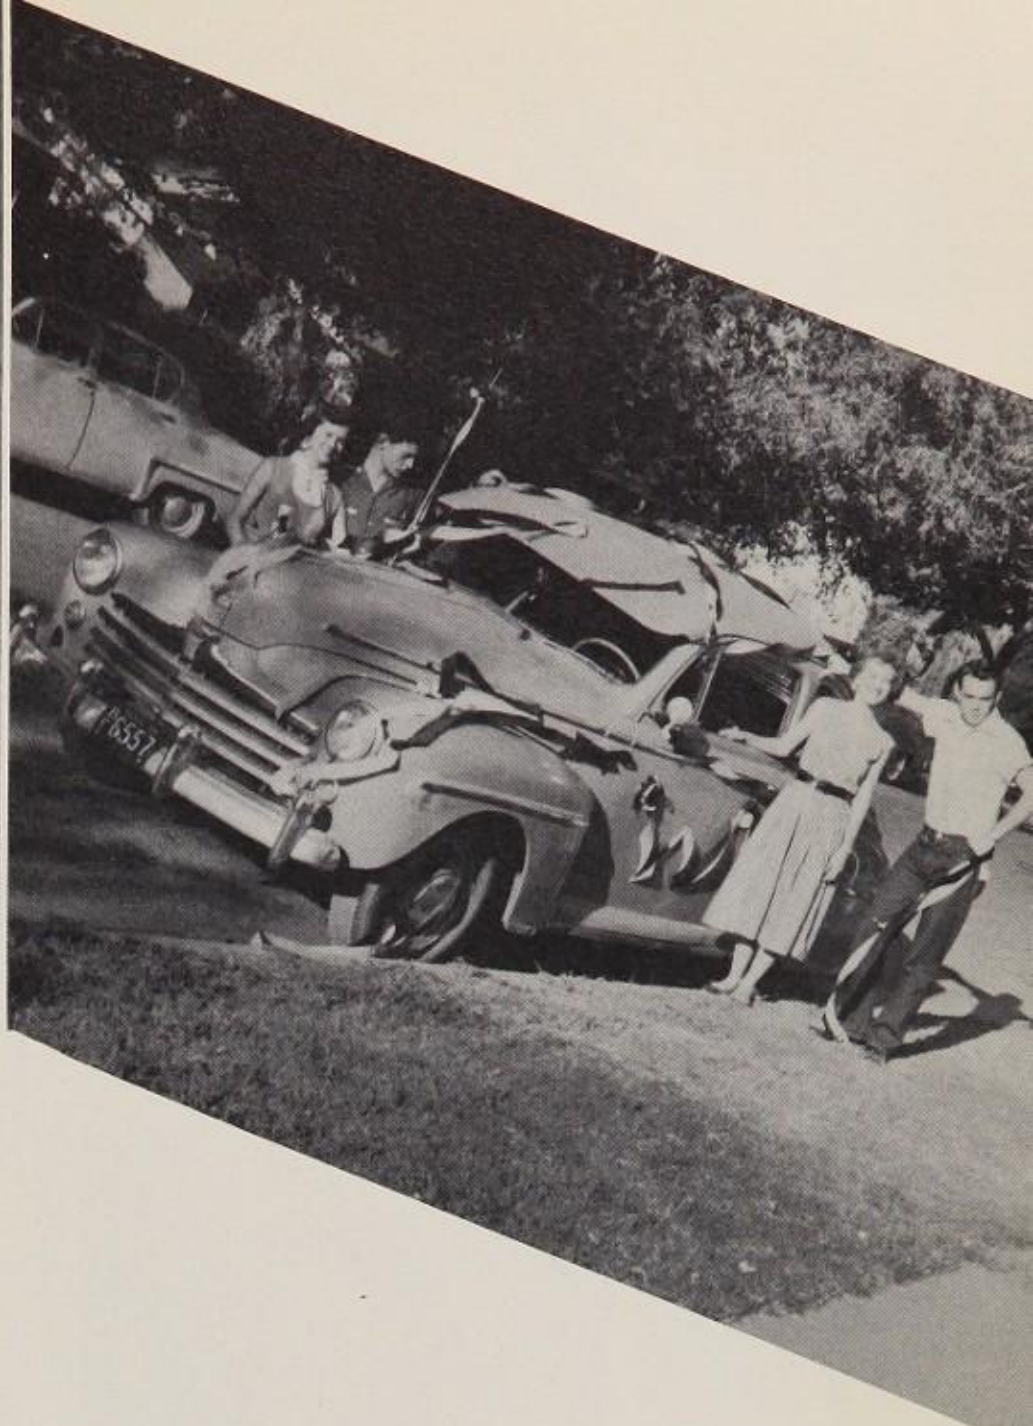

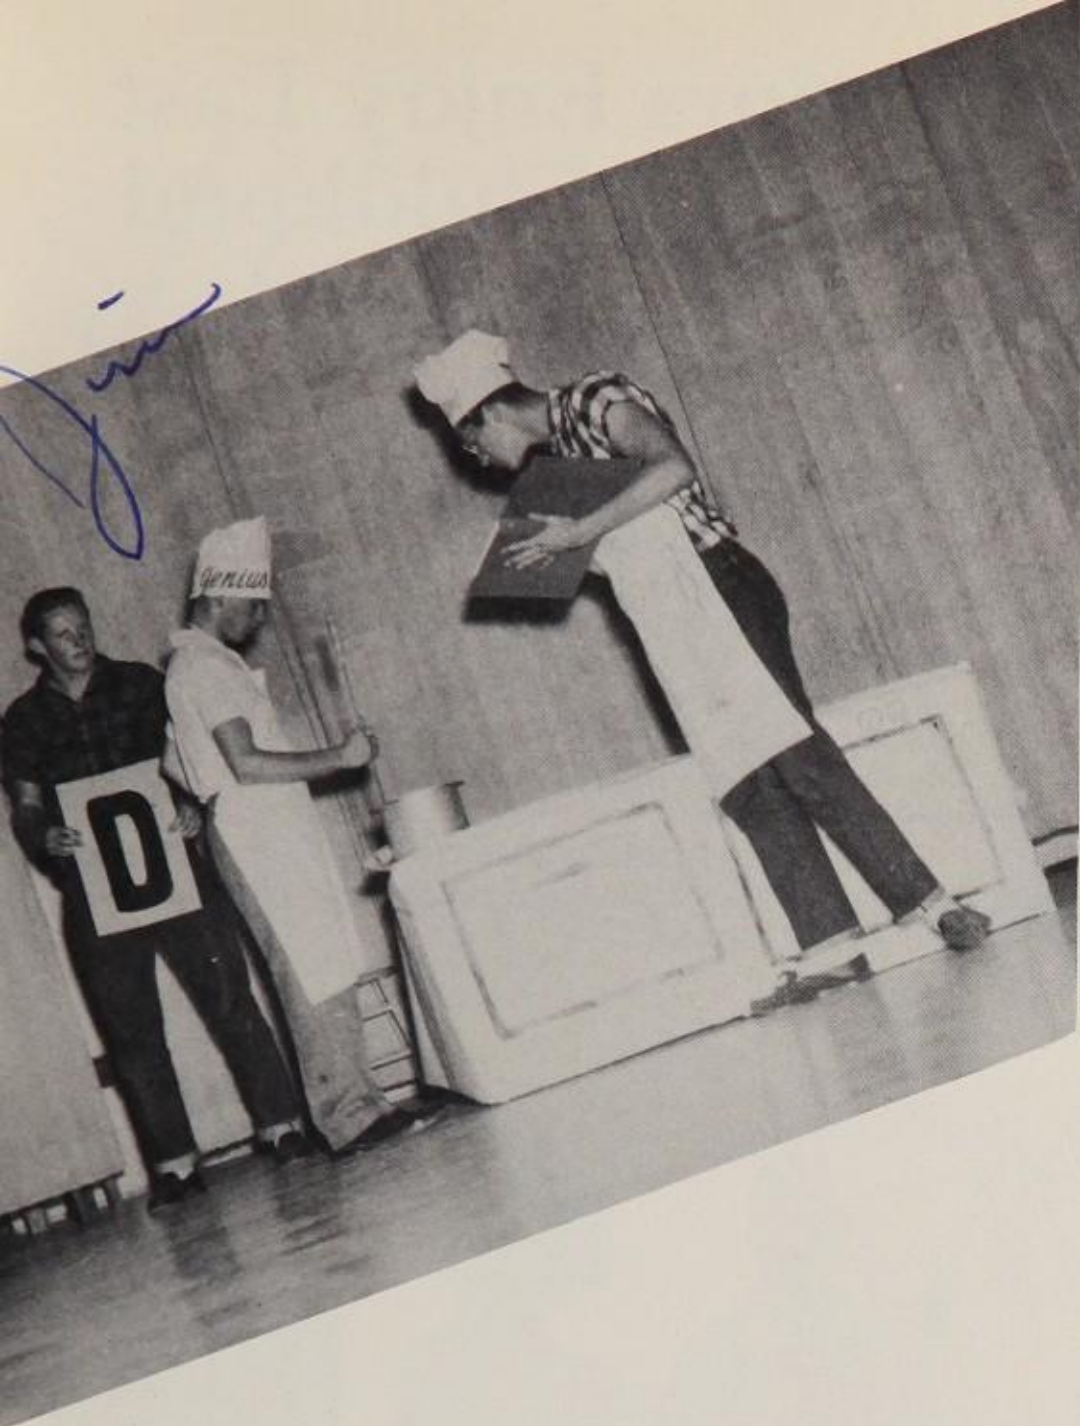

## History Made with Big

Mr. Charles Denison of Zales Jewelry fits Elizabeth Williams' senior ring to her finger while David Hand looks on and awaits his turn. Charles Stogner and Mildred Bransom admire each other's ring. The rings are gold with the LHS monogram on one side and a bucking bronco with '55 under it on the other side. An engraving of the front of the building is on top of the ring. The ring was first designed and accepted by the student body for the graduating class of 1931.

On duty for all senior activities are the 22 sponsors of the class. Mr. Gray and Mr. Knight, head sponsors, oversee, along with the others, the work and plans done by the class officers. One of their largest duties is that of overseeing the plans of graduation activities. Pictured discussing these arrangements are Mr. Maurice Fite, Miss Bessie Bullock, and Mrs. Gordon Douglass. Kid Day, the Lavenric Renretsew, the Senior Assembly and Senior Day are also duties which demand long work and careful planning to make them a success.

## Round-up of Activities

Preceding the election for Senior Class President and Secretary, campaign skits were held. In a skit showing Joy Herod's qualifications, Jimmy Henderson holds a "D" for dependability. While Wade Wolfe directs the procedure, Butch Lawrence stirs a mixture of Joy's qualifications. Each candidate is allowed five minutes for his complete skit and election speech.

Cars and buses decked with the black and gold really add to the fight-ho spirit of a football game. Twisted streamers unfurled in the wind, rousing slogans sprawled on sides of vehicles, and enthusiastic football fans symbolize the football season in Westernland. Keeping with this tradition are Doris Edward, James Chatman, Sue Humphrey, and James Collier as they add the finishing touches to their car before the game with Odessa.

Dancing at the "Club 55" was crowded but lively at the "Lavinrac Renretsew" held November 19. Featuring a circus theme, large pictures of chartreuse lions, red elephants, and "polka dot" monkeys blended in an atmosphere of circus music. Highlighting the carnival was a freak show, house of horrors, masquerade party, and "Club 55."

This Westerner Carnival is sponsored each year by the seniors to raise money for a class gift to the school. This year \$400 was netted by the project.

# Seniors Enjoy Last Fling at Childhood

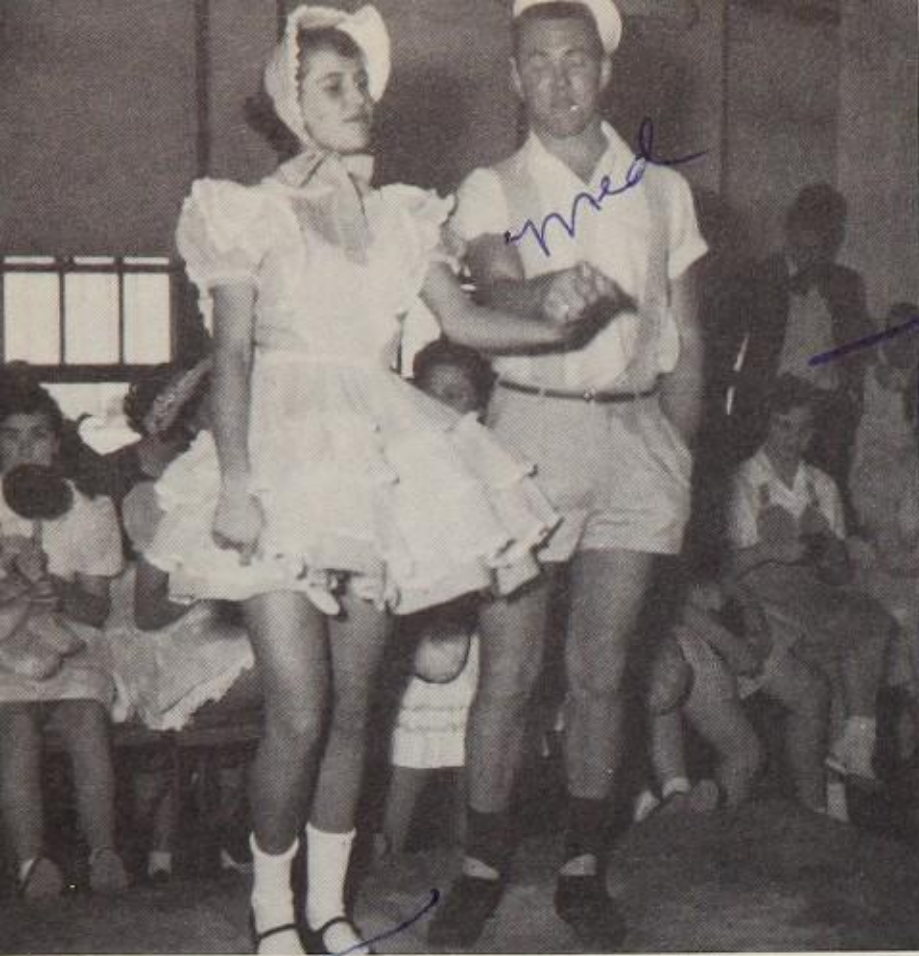

April 1, the traditional Kid Day for seniors, found seniors in frilly dresses and short pants.

The best dressed seniors, Butch Lawrence, Carma Jean Williamson, and Sam Stanton, were featured at the party held after school.

Sharla Pepper and Med Hunt entertained on the kid program with the song "Where Will the Dimple Be?" Suzette Francis sang "Honey."

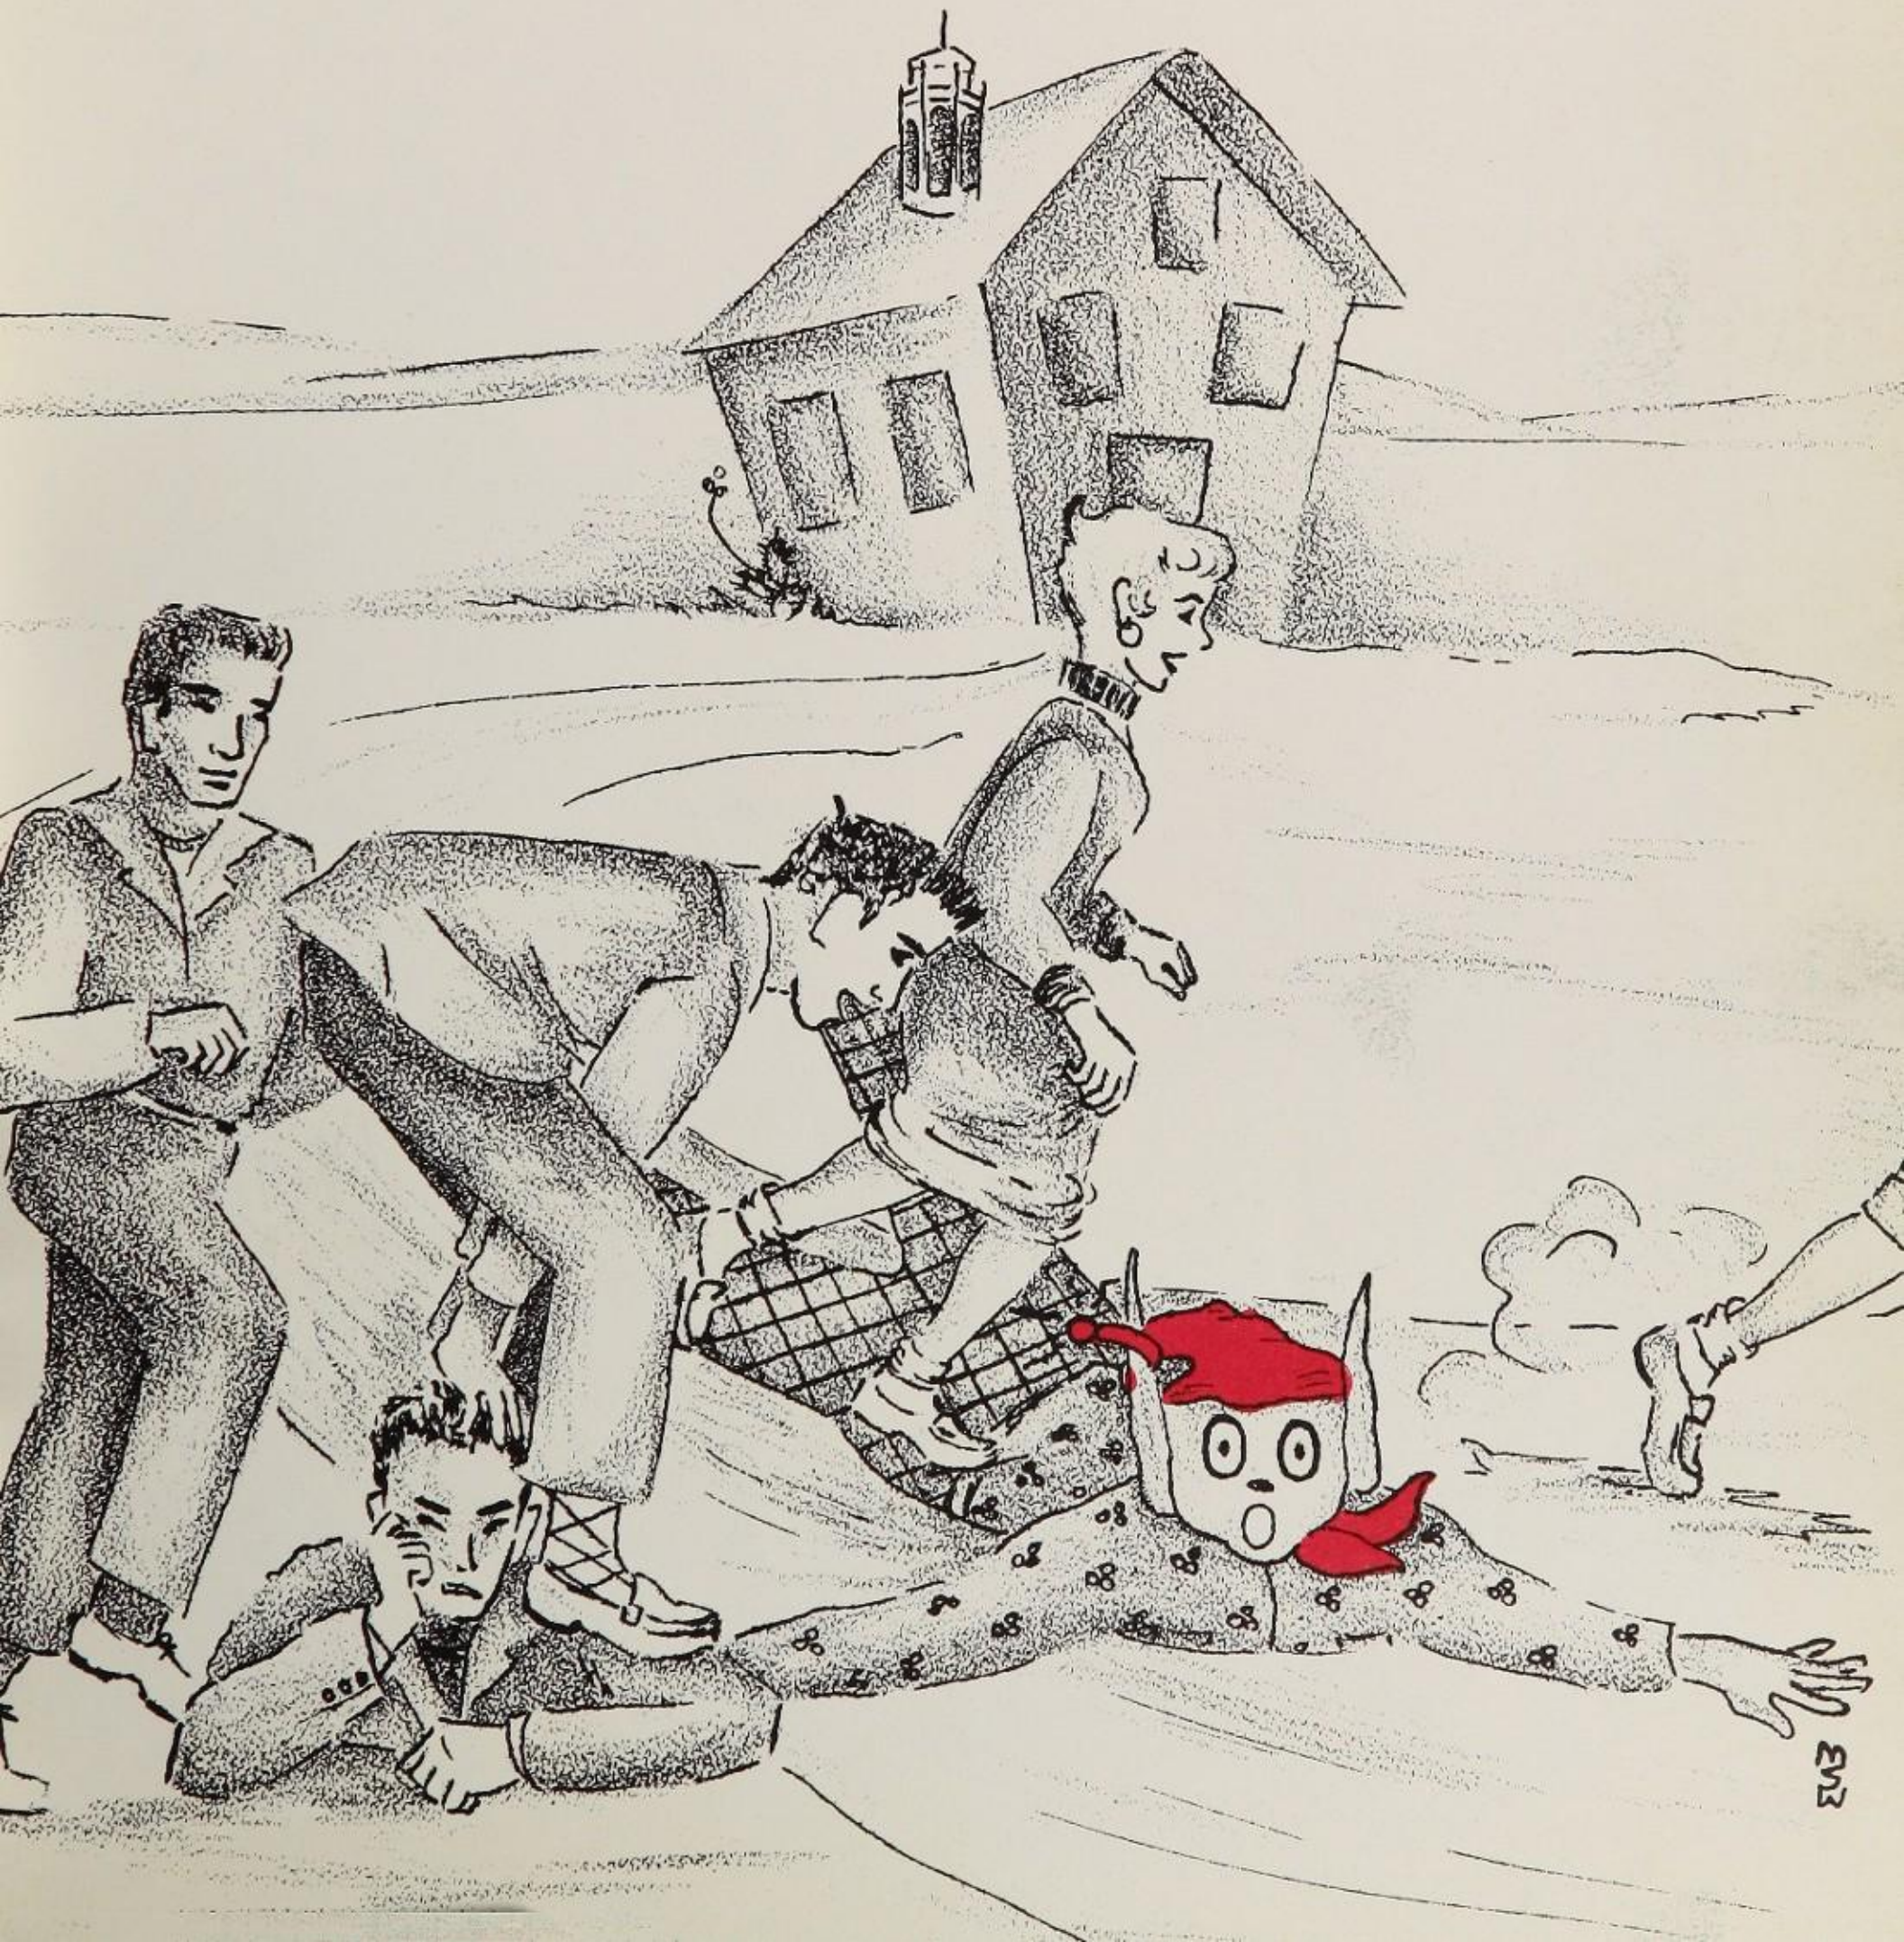

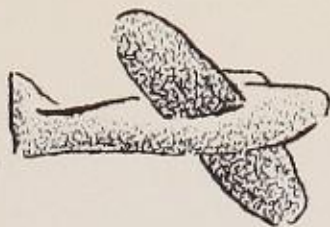

Kay Barley is playing jacks as Roy Webb, Naomi Johnson, John Ashby, Wayne Culp, Dick Scales, Tommy Price, Warren Dunn, and Frances Wilson await their turn.

Pat Rainer, Barbara Batton, Kay Burnam, and Joy Herod watch as Larry Merriman displays his skill at the game.

## Junior Class to be Divided for Senior Year, 1955-'56

On the preceding page are Mack Robertson, president of the 1955 Junior Class, and Mary Sue Wilson, secretary. Out of the class of 691, four candidates were chosen to run for the election. Dewey Bryant for president and Sarah Simmons for secretary were the opposing candidates. Mack and Mary Sue served as chairmen of all the Junior Class activities. Among these activities are the Junior Class parties, the Junior-Senior Prom, given in honor of the seniors, and the Junior candy sale, held to raise money for the prom, in which approximately \$150 was made. In December the juniors presented their class assembly of acts using "Toyland" as the theme. The Junior play was given in the spring.

With a ratio of one vice-president for every 50 in the class, the above students were chosen to lead their class. In addition to serving as class officers, each is also engaged in other school activities.

Pictured above are Kenny Cummings, who is social chairman of National Honor Society; Gordon Deering, second vice-president of Hi-Y;

Ken Blackford, a member of Hi-Y and Junior Red Cross; Glen Woody, a member of the Cowhand football team; Dewey Bryant, a member of the Westerner football team; and Tommy Gallaway, boy cheerleader for the Junior Class.

On the front row are Sandra Hendrix, who is corresponding secretary of Gens Togata; Johnanna Zournas, second vice-president of Y-Teens; Jacque Price, a member of Y-Teens and Gens Togata; Beth Davidson, girl cheerleader for the Junior Class; Linda Taylor, a member of National Honor Society and Y-Teens; Sarah Simmons, treasurer of National Honor Society; and Kay Liner, librarian of the Choraliers.

During this year the Junior Class was confronted with the problem of splitting their class between Monterey High School and Tom S. Lubbock High School for their senior year, 1955-'56. In accordance with their vote, this next year's senior group will be divided with half remaining in this building and half attending Monterey.

# Work and Play Make a Full Day

Congratulations are in order to Jane Grant for being the only junior to make five A's for the first nine weeks of school. Miss Nell Marie Wiley, head junior sponsor, is checking Jane's good record of work.

"Come to the circus, the greatest show on earth!" sing the clowns Janice Worley, Susan Mansell, Elizabeth Brown, Amelie Starkley, and Don Lowrimore during Mary Sue Wilson's unique circus skit for the office of secretary of the Junior Class.

Music with a Latin-American beat just naturally calls for a dancer; the dancer that fills that bill is Irma Galindo. Featuring a variety of dances, she entertains at parties, club meetings, Tech programs, and on television. Irma has studied in Monterrey, Mexico, and Laredo.

# Domestic Ability Shown By Boys

Colors of both teams are furled around the goal posts preceding each football game by the different classes. Juniors decorating are Sybil Marion atop the cross bar, Sandra Hendrix, Jacque Price, Carolyn Hobgood, Susan Mansell, Johnanna Zournas, Ann Barkley, Lois Taylor, Nanette Crosby, and Marilyn Warren.

Slaves to a stove! This expression describes the boys taking a course in homemaking organized this year. David Kelley, Eugene Price, Larry Dobbs, A. G. Fox, Terry Garrett, and Jimmy Vaught, left to right, are seen preparing a meal.

With high hopes of victory and a sure bet for excitement Westerners Sandra Hendrix, Sarah Simmons, Ann Gordon, Janelle Ohlenbusch, Ja Na Spark and Helen Smith board a bus bound for Abilene. Student busses were chartered for every out of town game except the one at Dallas.

Shining like a star in the year's activities was the Junior-Senior Prom, attended by 100 couples. The prom is given each year by the Junior Class in honor of the Seniors.

Those enjoying the high points of the evening are Lucretia Breazeale, Kenneth Blackford; and Peggy Owens, Dale Stanley, center; and beginning at the top and looking clockwise are Nanette Crosby, Mack Robertson; Ann Bell, David Edwards; Linda Taylor, Pete Hudgins; Donna Couk, Bob Hancock; and Kathy White, Gordon Graves.

Industrious Westerners, Robert Adams, Donna McLaughlin, Patsy Painter, Harold Hammett, and Bill Dean, took time from their busy Christmas schedules to help string ropes of silver tinsel and attach festive paper Poinsettias to the walls of LHS.

Amid a setting of snow laden trees, the Junior party was a "Winter Wonderland" of fun! Beverly Shoemaker glides among snowy fir trees to the strains of "Blue Moon" while an attentive audience and Jack Frost look on during the talent show.

## Willing Sophs Orientated In Academic

Preceding elections for vice-presidents of the Sophomore Class, each person desiring to run for office had someone to take out a petition for him. Eighty names signed to this petition qualified a person as a candidate. This year 47 entered the campaign. Getting their petitions from Bill Dean, Student Council vice-president, are J. M. Hill, Don Summar, Saundra Stewart, and Lynn Richards.

Before the sophomore president and secretary elections, students could be found working into the late hours of the night on campaign posters, skits, and tags. James West, James Sinclair, Louis Marshall, and Fred Baker are shown as they work in a garage on James West's campaign for president. His theme was "Westward Ho."

Using Aladdin's lamp to bring back memories of home while in a foreign country was the theme of the sophomore assembly that was presented February 8. Here we see Phoebe Proctor who appeared from the lamp to sing and dance to "Ma, He's Making Eyes at Me."

Other acts on the assembly included singing, tap dancing, piano playing, and a chorus line. Bryan Baxter had charge of the scenery; Billie Osborn, script; and Don Hunt, costumes.

## And Social Activities During Year

Decorating the girls' gym for the sophomore party held December 10, are Calvin Warren, Winn Sue Sherrill, and Billie Osborn. The 125 sophomores attending participated in dancing to music furnished by Wayne Allen in the girls' gym, saw a movie in the auditorium, or played basketball in the boys' gym. The 25-cent ticket entitled each student to the entertainment and refreshments.

Students take time out from their studies to buy tags sold before each game by Student Council representatives. An average of 10 to 12 sophomore Student Council members sold these tags for 10 cents each. Returns from the sales were turned over to the Student Council fund. Preceding the Abilene-Lubbock football game, Joreta Newton is shown buying a tag from Alvin Parramore while Bill Holmes signs one.

Posters, wood carvings, clay models, and folders dealing with biology were some special projects submitted by students to Mrs. Ray V. Culp, biology teacher. Eddie Joe Bradford, sophomore, is seen explaining her poster on the division of the Plant Kingdom to her classmates. Mrs. Culp featured these projects in her room's display during the PTA open house.

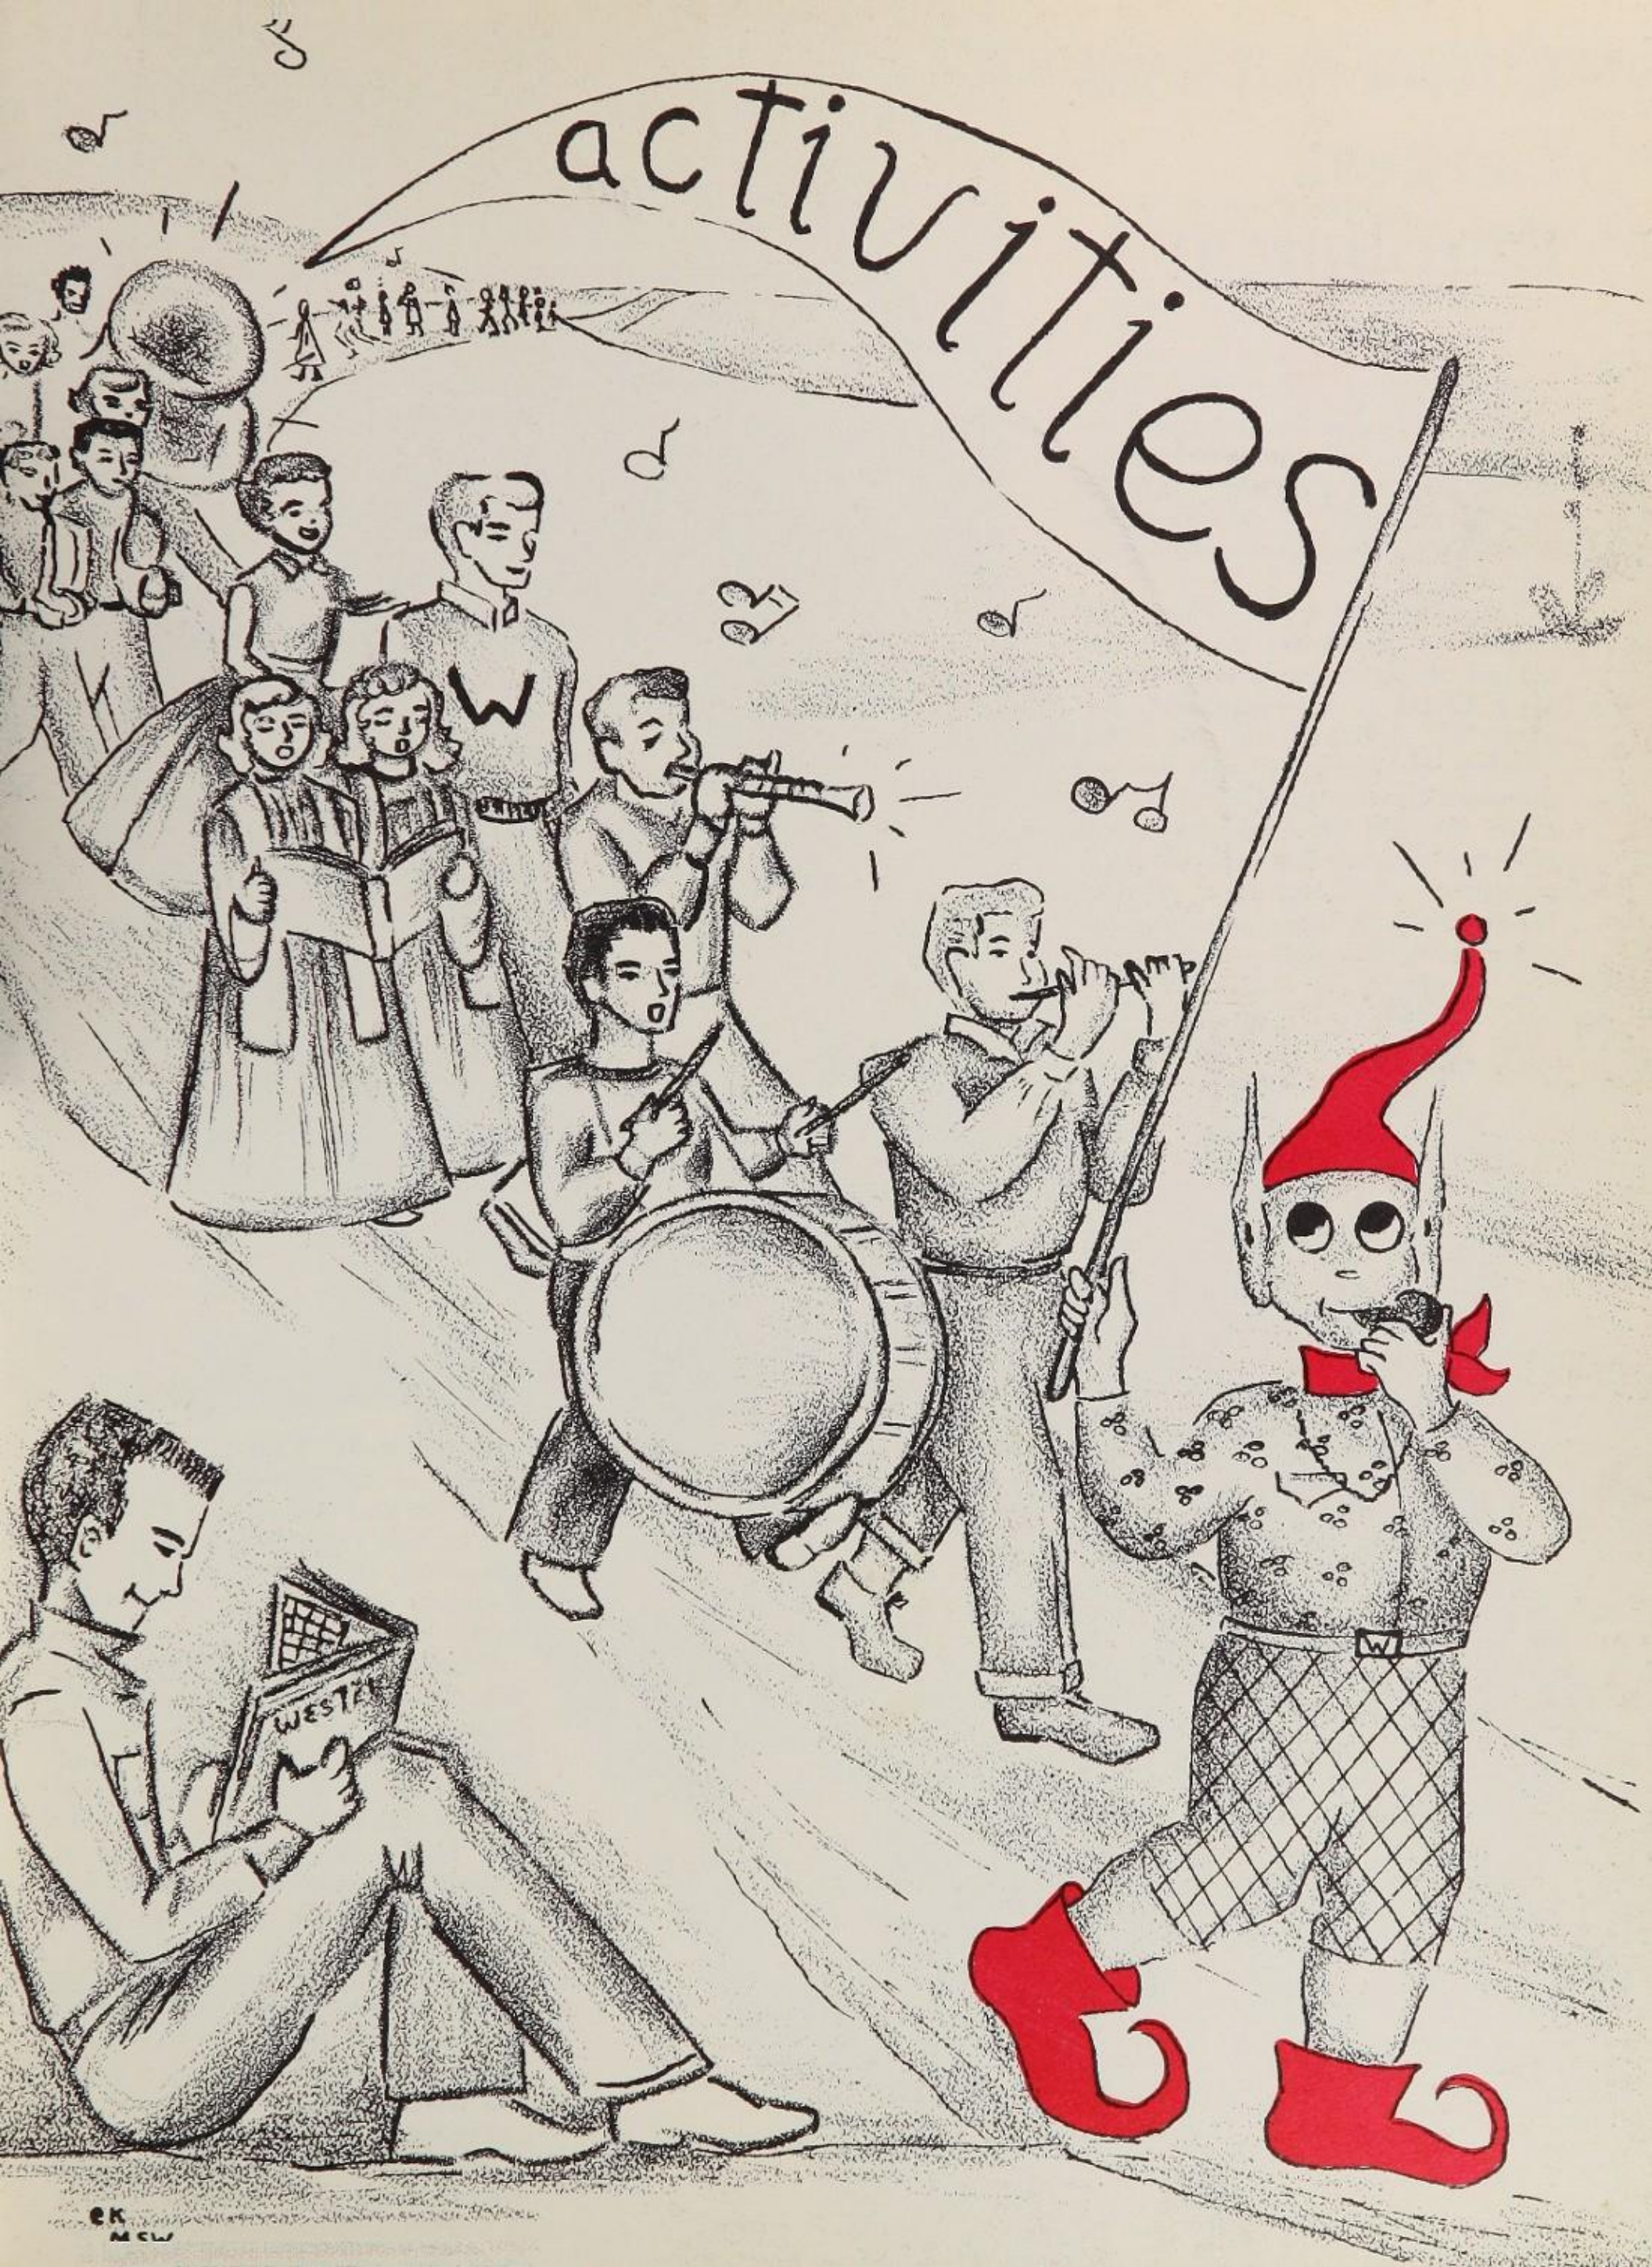

## Sponsors Acquaint Sophs With Westerner Ways

*Sophomore class sponsors are concerned with supervising class meetings and elections, helping plan the sophomore assembly and parties, and acquainting the sophomores with Westerner traditions. Representing the sponsors are Mr. N. G. Powell, Mrs. Tommy Daniel, Mr. E. E. Key, Mr. W. C. Watts, and Miss George Ann McFarland.*

*Triangles, circles, squares, rectangles, and other geometric figures were made as Christmas tree decorations by Mrs. Cecil R. Thompson's plane geometry classes. Sophomores Ray Countryman, Nevada Sommers, Jon Page, and Mary Ann Smalley are seen adding their geometric designs to the tree.*

# Officers Head Largest Enrollment

Five student body officers are elected each year by popular vote of the student body to serve as head of the Student Council. This 88 member council is composed of class officers and homeroom representatives.

These student body officers are elected in the latter part of the second semester each year. Each class elects a vice-president for every 50 students and the total number of vice-presidents is determined by the enrollment of the class. In turn these officers nominate two persons for each office of president and secretary. These candidates are then voted on by members of the class.

Mr. Robert Knight serves as sponsor of the Student Council, its activities, and committees. Committees include the cafeteria, publicity, recreation, citizenship, information, courtesy, plant and decoration, safety, and assembly.

Tossing their coins into the fountain of school life are the last five persons to ever serve as student body officers of Lubbock Senior High School. Watching Ann Gordon, treasurer, toss her coin, are Bill Dean, vice-president; Carma Williamson, head cheerleader; Pat Rainer, secretary; and Don Kerr, president.

While Bill promotes safety as head of the safety committee, Carma heads the courtesy committee, and Pat organizes the year's assembly schedule as head of the assembly committee.

These five officers lead the Student Council and the student body in activities of both benefit and en-

# PTA Sponsors Visitation

In order for parents and teachers to become acquainted early in the school year, the Parent-Teachers Association sponsors an annual visitation. This year's open house was held in place of the monthly P-TA meeting in September. Members of the Student Council served as guides for students who were unable to attend with their parents.

Miss Edith Caveness, girls' counselor, serves punch in the cafeteria to Mrs. Marvin Armstrong, president of the P-TA, and Mrs. Lorena Nelson.

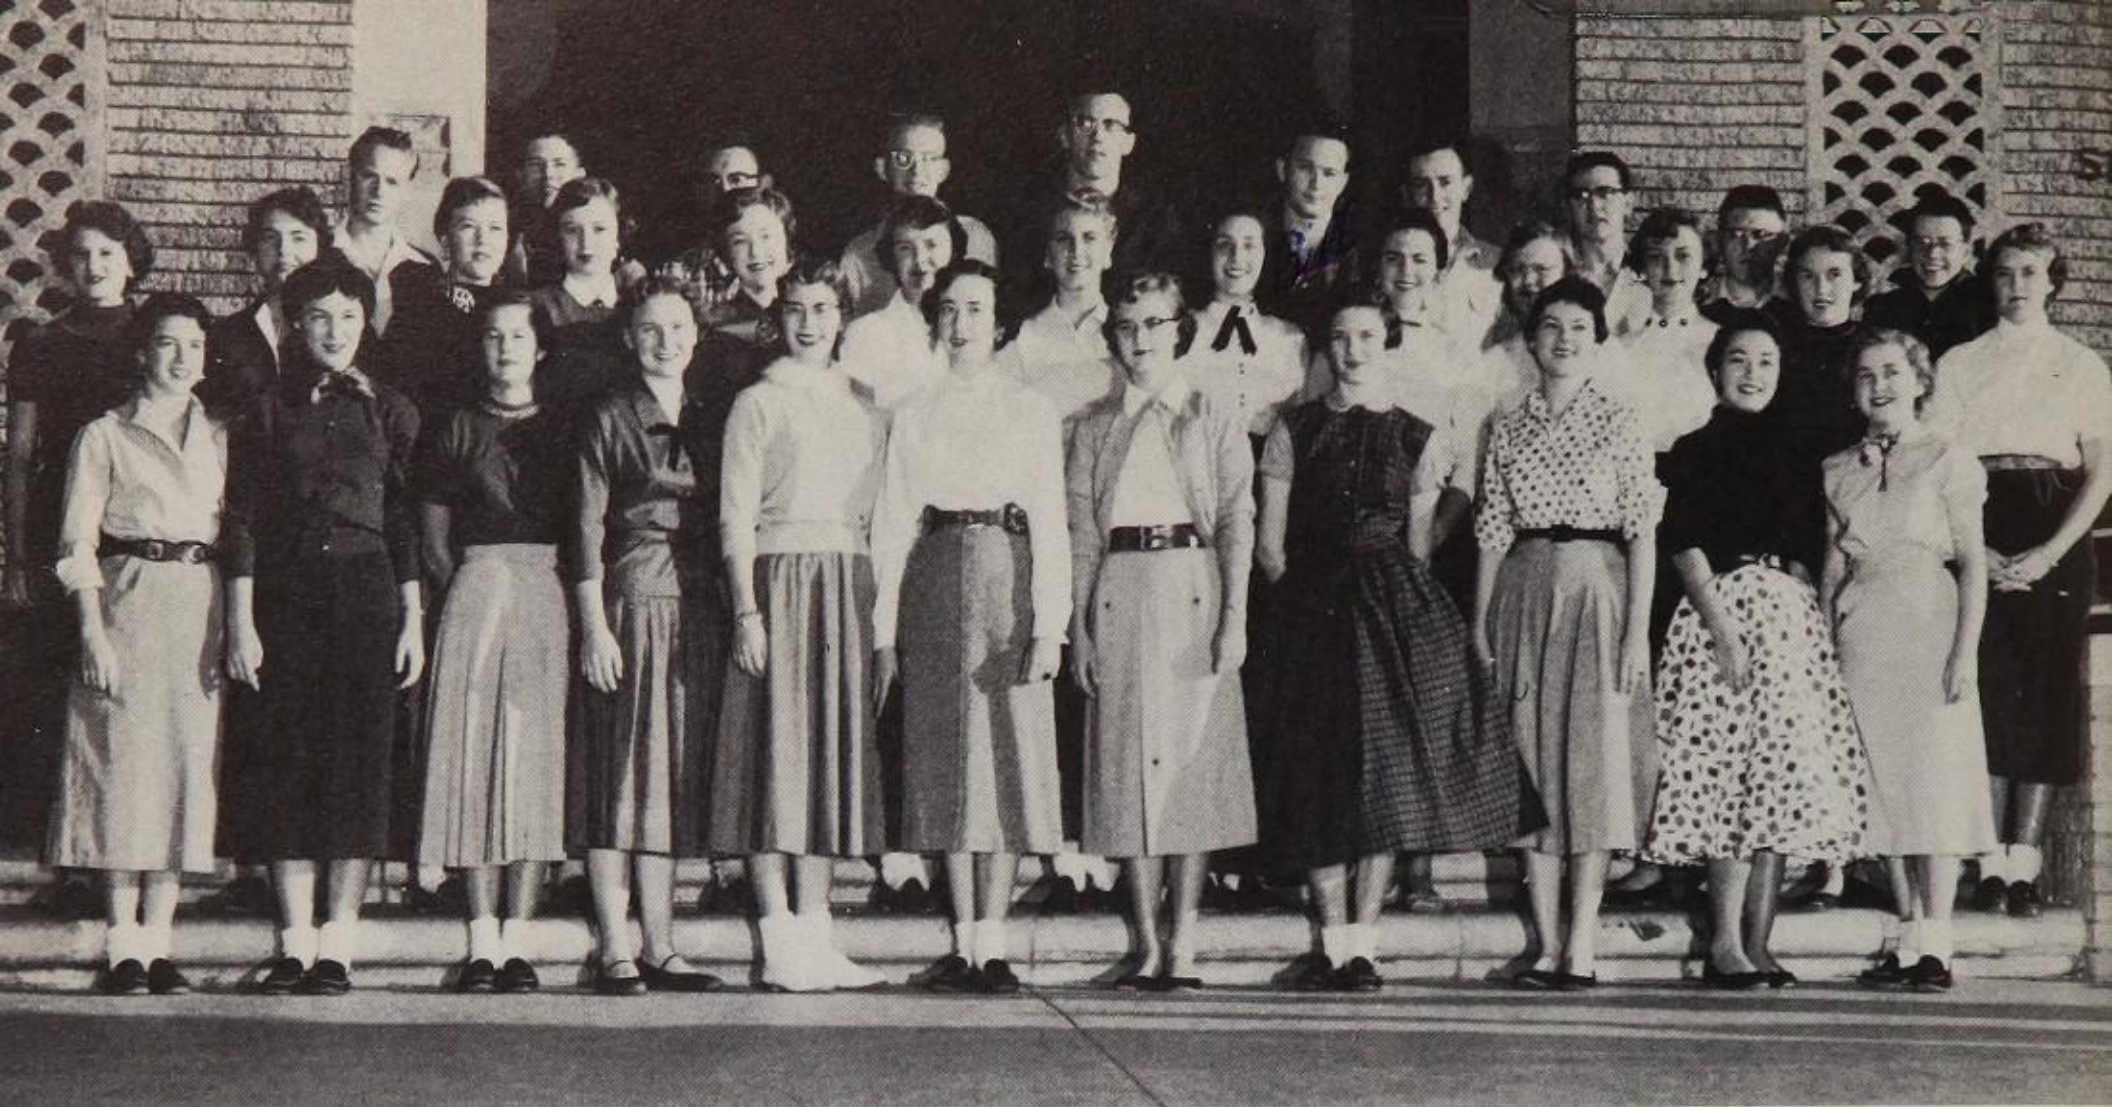

Advising the Student Council in school functions such as TB bangle sales, all-school parties, tag sales, paid assemblies, and Round-Up are some of the tasks of the Student Council sponsors. Mr. Robert Knight, Mrs. Joe Bailey, and Mr. R. G. Dollar are scheduling TB bangle sales. For this project the council was divided into two teams, the Blacks and the Golds, to create competition in sales. The Black team gave a party for the winning Golds as a forfeit.

Selling tags for the football games is one of the chief money-making projects for carrying out the many Student Council activities. Bearing such slogans as "Bop the Bulldogs" or "Thrash the Harvesters," these black and gold tags are sold, not only by the Student Council members, but by any student who desires to aid in the selling. Ann Gordon and C. W. Cecil are checking in money and unsold tags to Sandra Sherrill, chairman of tag sales.

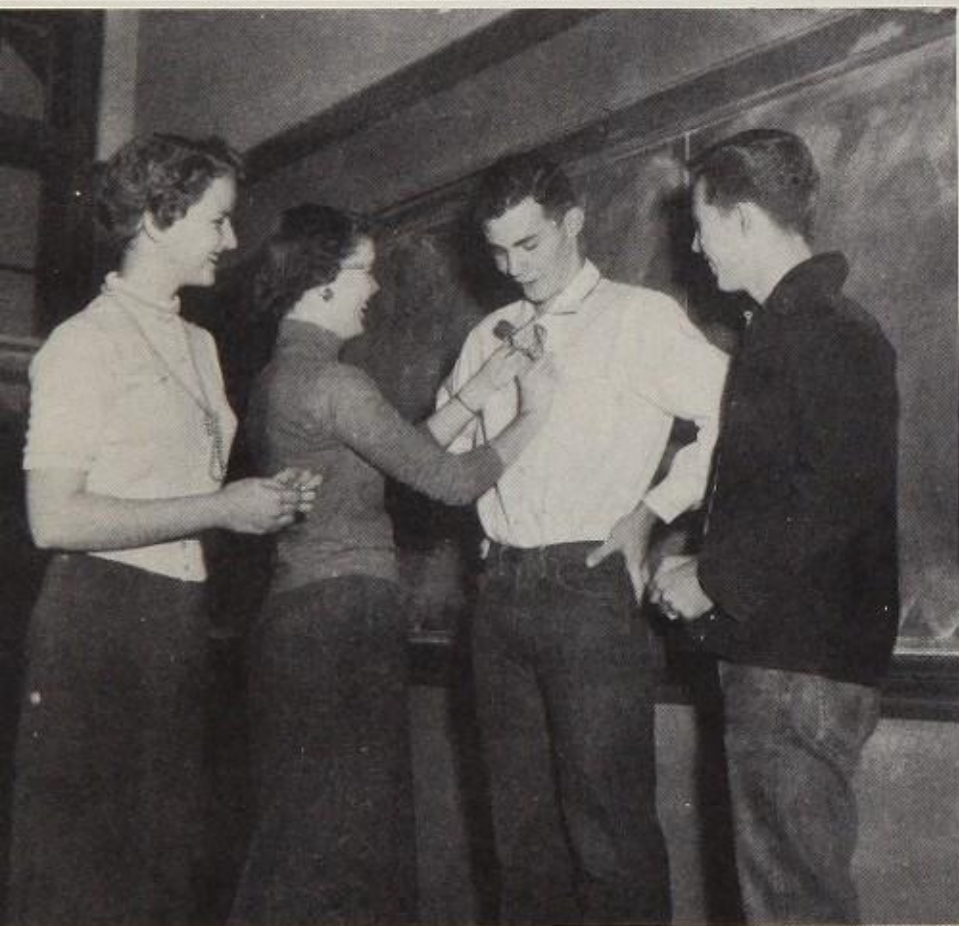

## Eight Attend State Meet

Each year every homeroom elects one student as representative to the Student Council to present the problems and ideas of their guidance. Pictured above are, front row, Sandra Sherrill, Wilma Edwards, Donna McLaughlin, Janis Pierce, Sharon Chick, Janet Jones, Jo Ann Skinner, Linda Dennis, Wyvonne Cox, Karolyn Babain, and Arden Stone; Second row, Linda Chappell, Jane Shawver, Janelle Ohlenbusch, Glenda Harris, Iva Sue Shropshire, Barbara Batton, Lois Taylor, Carolyn Symes, Susan Mansell, Barbara Trippe, Maré Patrick, Nancy Davis and Sue Hufstedler; Back row, Alvin Parramore, John O'Hugherty, Wayne Jacobs, Malvin Mauldin, Bradford Reeves, Bill McCauley, Leon Weaver, James Osborne, Gus Hamblett, and Charles Blazi.

On Safe Driving Day, December 15, the Safety Committee of the Student Council made plans to keep it the safest day of the year. Posters were put in the halls; announcements were made; special programs were given in the homerooms; and 2300 safety pins, the symbol used to remind students to be extra careful, were issued to students and teachers. Four members of the Safety Committee are shown to the left. Barbara Batton is pictured as she pins a safety pin on Bill Dean, chairman of the committee; Sarah Simmons and Gordon Deering look on.

Student Council members who attended the Texas Association of Student Councils Convention held in Denton are, front row, Ann Gordon, Lynn Richards, Sarah Simmons, and Johnanna Zournas; back row, Bill Dean, Mack Robertson, Dewey Bryant and Mary Sue Wilson. Ann, Lynn, Sarah, and Mack represented Monterey High School while Bill, Dewey, Mary Sue, and Johnanna represented Tom S. Lubbock High School.

The convention included workshops, sessions, a "Cool Cat Caper" mixer, and a "Starlight Garden" semi-formal dinner dance. Lubbock led a discussion group on "how can the Student Council learn about, interpret, and use the moral and spiritual feelings of the students?"

# ISCC Sponsors TV Programs

Since its formation in 1951, the Inter-School Citizenship Council (ISCC), composed of four junior high schools, Dunbar, and Lubbock High, has been striving to better the citizenship of the city's youth. Donnie Dean, 1952; David McFearson, 1953; Don Kerr, 1954; and Gordon Graves, 1955; elected by members of the council, have each led the ISCC through its four years of sponsoring such activities as Youth Week, Halloween television programs, and a television and radio series based on citizenship.

Officers of the Inter-School Citizenship Council for this year are, shown in the upper right hand picture, Carolyn Tapp, parliamentarian; Gordon Graves, president; Bobby Bailey, secretary-treasurer; and James West, vice-president. These officers plan and execute the activities of the council that deal with the problems of citizenship in Lubbock.

Shown in the center picture, during a telecast at KDUB are high-school members of the ISCC who are in charge of Lubbock High's television program, Mack Robertson, Kay Burnam, E. W. Cecil, and Manon Markham. Each school was responsible for a show.

One of the events sponsored by the Inter-School Citizenship Council is the telethon held each year at Halloween. Students from schools in Lubbock and in surrounding towns participated on the program, giving varied talent acts. Show below is a portion of the talent from LHS, the "Jesters," a quartette composed of ex-Westerner Dick Frisby, Ray Carter, Gene Medley, and David Rigney, and dancer Irma Galindo. This was the second annual telethon that had been presented and telecast over KDUB.

Discussing plans of the ISCC and how to bring these plans to LHS students are, below, Mr. Ray G. Dollar, sponsor of the ISCC from high school; and Jerrell Snodgrass, chairman of the Lubbock High School citizenship committee.

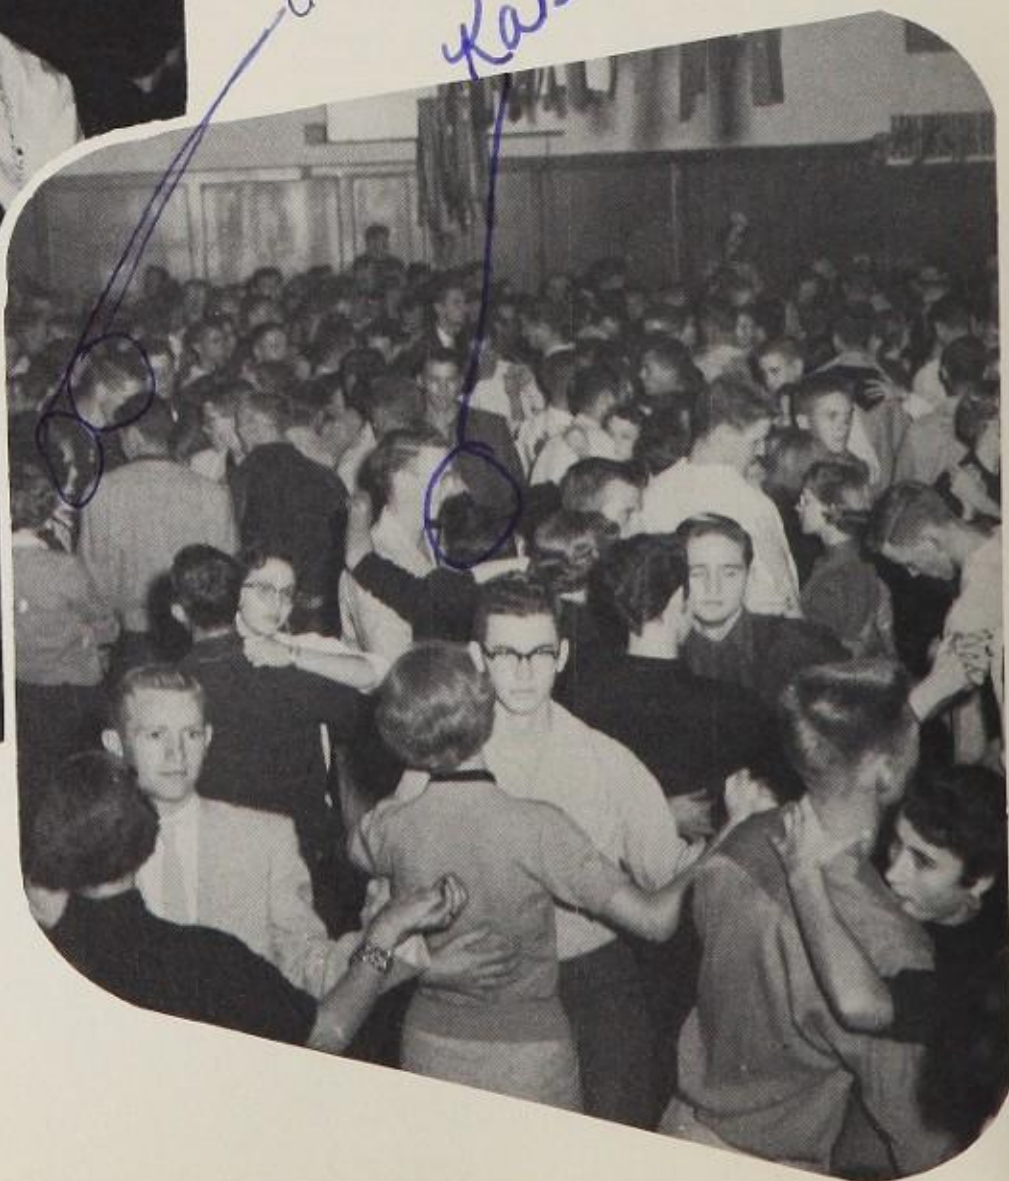

## Parties Feature Fun for All

Lavinrac Renretsew, the senior carnival, featured a new attraction this year, a masquerade party. Their faces reflecting puzzlement, are panelists David Rigney, Roma Caveness, and Diana Smith. Pat Rainer and Sandra Sherrill are the pages, Mr. Wayne Allen, emcee, and Joy Herod, masquerader.

Howls of laughter greet Joy Herod's ever popular pantomimes. Performing to "I Wisht They Would," Joy, Senior Class secretary, was on one of the talent shows featured in an all-school party. Talent shows, dancing, movies, games, and refreshments were among the attractions offered at the numerous school parties.

In the lower left hand picture Gerald Woolam and Nan Kelly burn up the floor with the "bop," the latest dance craze.

In the lower right picture, the Y.M.C.A. gym is crowded with couples swinging out to the musical strains of the Dunbar Combo.

After the Amarillo and Borger basketball games sock hops were held in Chapman Field gym. Shown above are Marsha Brock and Bobby Hagood bopping after the Amarillo game. Records of Glenn Miller, Billy Maye, Ella Mae Morse, the Clovers, and many other well-known artists provided the music.

Seen tripping the light fantastic in the boys' gym at an all-school party after the Borger game are several basketball players and their dates. A victory at the game made the evening possible for lots of fun. These parties were sponsored by the Student Council under the direction of the Recreation Committee.

Shown below are senior Westerner football players and senior girls in an exhibition basketball game at the senior party. On the court are Suzette Francis, Coach O'Banion, Roy Day, Sharon Chick, Beverly Webb, and Phil Williams.

Shown below are Toni Bannister, Yvonne Skinner, and Larry Merriman selling cokes at the party on Round-Up night. One of these tables was seen at every all-school party. These refreshments were welcomed after a program in the auditorium or a fast dance in the gym. The profit made on cokes was placed in the Student Council treasury.

## 1100 Westerners Attend Round-Up

*Round-Up, a time for ten-gallon hats, chaps, bright western shirts, and colorful full dresses, brings out the western spirit in the many students of LHS. Round-Up is highlighted by the election of favorites, a talent show in the auditorium, and square-dancing in the gym to a hillbilly band.*

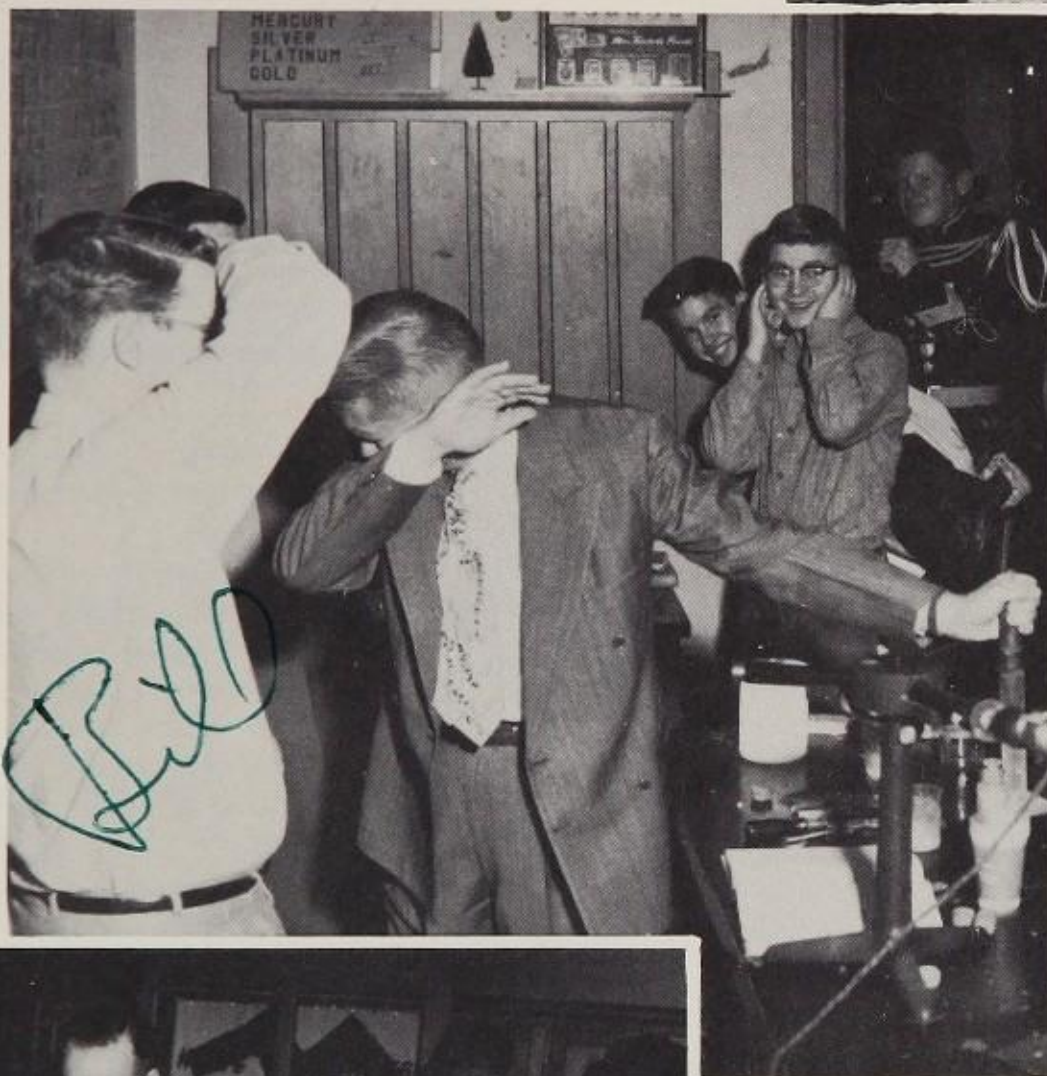

*After the talent show held in the auditorium, students, dressed in western garb in the traditional Round-Up fashion, enjoyed square dancing to the music of Tommy Hancock and his Roadside Playboys. With dances varying from the "Virginia Reel" to "Red River Valley" students promenaded over the gym with as much spirit as a cowhand on pay day.*

Contests are held at Round-Up and leather belts with "Round-Up '55" on the back are given as prizes. Shown watching Betty Rutledge, writer of the winning slogan, measure Jeanette Taylor, the designer of the winning program cover, for her belt, are winners Bob Burgess, western instrument; Bette McCann, original poem; Ouida Deatherage, best poster; Favonia Dial, best-dressed girl; and Don Garnett, best-dressed boy. The best-dressed boys and girls are Naomi Johnson and Donna Couk, runners-up, and Favonia Dial, best-dressed girl; back row, Stuart Hudnall and Roy Day, runners-up, and Don Garnett, best dressed boy.

# Parents Visit LHS During Open House

The annual PTA Open House highlighted Public Schools Week in Lubbock this spring semester. Activities were planned by the different departments with student participation. Methods of work, folders, projects, and displays were available for parents, teachers, and students to view. Student Council members served as guides.

During the spring PTA Open House, English room 186 exhibited posters and pictures denoting the time of Julius Caesar and the origin of the English language. Shown looking at a picture of a Roman soldier are Jettie Evans, Carolyn Babain, Mrs. C. T. Babain, Mr. C. T. Babain, and Mrs. Haskell Keeton.

The chemistry department had demonstrations of various experiments the night of the Open House. One of these experiments was that of filling a tube with liquid oxygen and placing a cork in the tube. When the oxygen vaporizes it forces the cork out of the tube with great force creating a loud bang. Waiting for the explosion are Bill Sparks, Mr. J. C. Richardson, two junior high school visitors, and Harlon Lamkin.

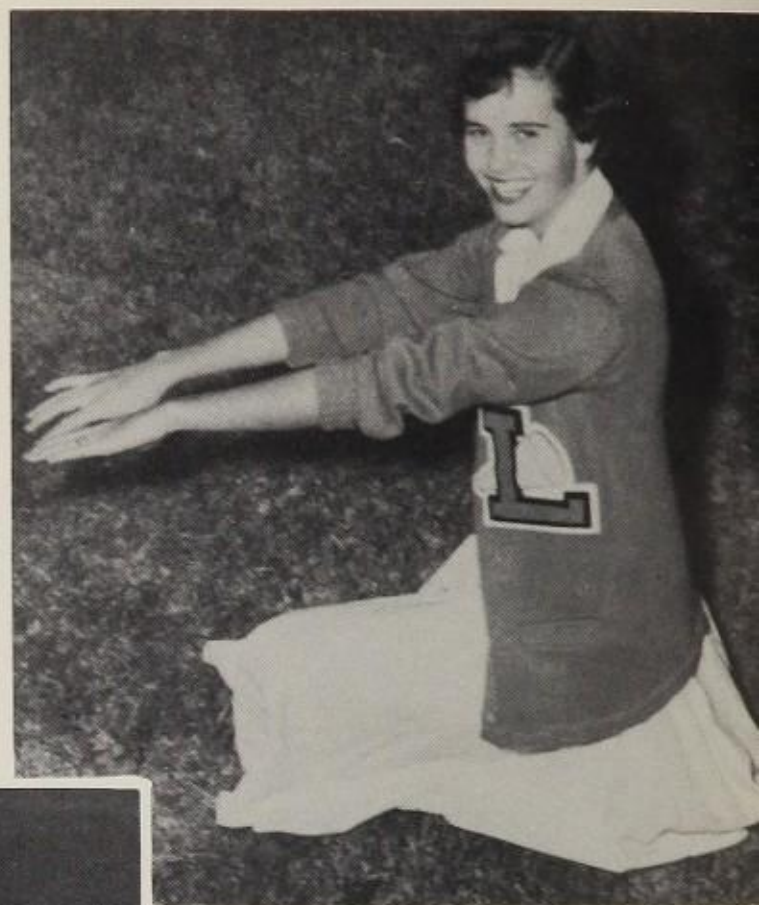

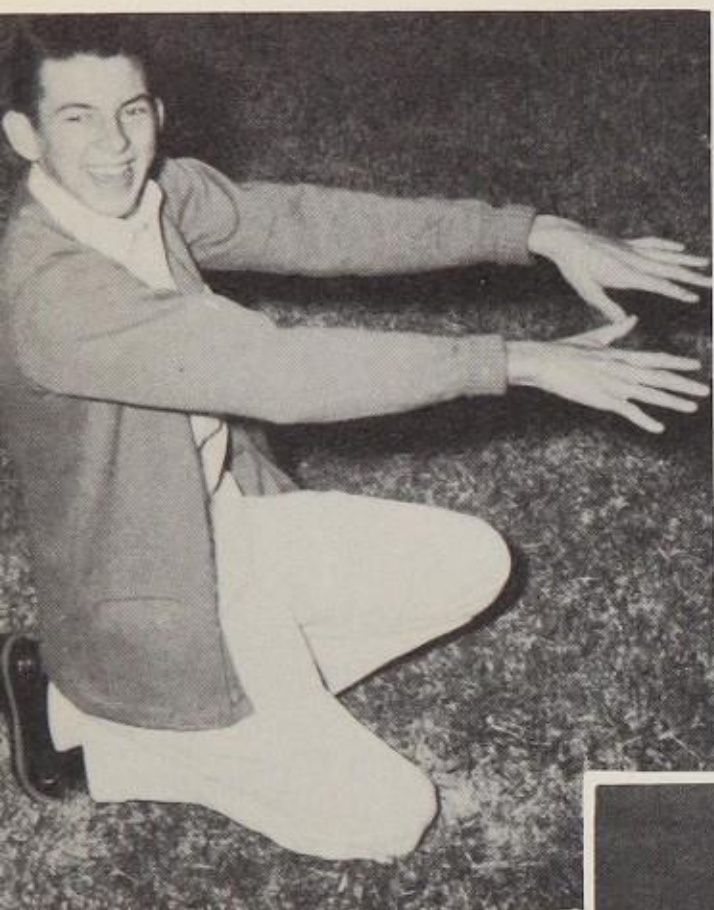

Kathy White, Mr. H. L. Graves, Gary Graves, and homemaking teacher Mrs. H. R. Nesmith are shown admiring student made dresses that were on exhibit in room 331. Dresses for children as well as those for teen-agers were on display. There were also demonstrations of the sewing of zippers, buttonholes, and seams. Folders on special projects were displayed. All phases of homemaking were demonstrated and explained in the rooms devoted to these subjects.

# Cheerleaders Symbolize School Spirit

Yelling, leaping, twirling, the cheerleaders strive to keep school spirit and enthusiasm at its highest peak at pep rallies and competitive sports events. Serving as good-will ambassadors between the students and teams and between schools, they are elected by popular vote of the classes. One girl and one boy represent each class and a head cheerleader is selected by the entire student body.

Senior boy cheerleader, Mack Osborne, pictured above, has been cheerleader for the past three years.

He is a member of National Thespians and is in Children's Theatre.

Tommy Galloway and Beth Davidson, below, junior cheerleaders, are experienced with their job as this is the second year for both. Beth was sophomore favorite last year and is vice-president of her homeroom this year. Tommy is a member of National Thespians, and Hi-Y.

Sharla Pepper, senior cheerleader, pictured above, took the job of cheerleader for the first time this year. She is vice-

president of her class and first vice-president of Y-Teens.

Pictured below are sophomore cheerleader, Linda Jobb and Robert Evans. Linda is vice-president of her class, a member of Y-Teens, El Club Pan-Americano, and Musicians Guild. Robert is a member of Gens Togata, Hi-Y, and the tennis team.

"The cheerleaders' willingness to work toward perfection is a real tribute to the leadership of Carma Jean Williamson," stated Mr. Howorth, sponsor of

the cheerleaders. As head cheerleader, Carma is responsible for planning pep rallies, has charge of the other cheerleaders, and acts as chairman of the courtesy committee, in Student Council. She has been cheerleader for three years, sophomore and junior vice-president, sophomore favorite, and Homecoming Queen.

## Religious Activities Stress Christian Living

Scripture given over the public address system each morning is a constant inspiration to students and teachers. This practice, sponsored by the worship committee of Y-Teens, often features religious poems, music, and prayers, as well as Bible text. Toni Bannister, assisted by Don Kerr, student body president, is seen giving the scripture reading for one morning.

Invocations are given preceding each lunch period in the cafeteria. This project also sponsored by the worship committee of Y-Teens, began in 1953. At each lunch period different individuals volunteer to lead this moment of

thanksgiving. In this picture Jane Grant is giving the invocation after being introduced by Mary V. Dawson.

"Christ for Me, Christ for Lubbock High" is one of the typical gospel hymns heard at Morning Watch. Morning Watch is a nondenominational organization for students who want to attend a short devotional period before classes every morning. The group began in 1942 when seven students attended the first Morning Watch in Miss Armes's room. At one time this year a crowd of 900 met in the auditorium to hear Angel Martinez.

# '54 Yearbook Wins Top Honors in State

With Mrs. Dick Cozby, director of publications at LHS, the WESTERNER has copped six All-American ratings in the nation and seven No. 1 ratings in Texas from 1946 through 1954 inclusive. In other years of this nine-year period, First Class national ratings and All-Texas state ratings were won.

This year's staff includes 38 students with Sue Humphrey and Suzanne Wilson as co-editors. Joyce Thrush is copy editor; Carolyn Tapp, layout editor. The staff is divided into five sections—clubs, faculty, activities, sports, and class sections, with editors over each.

Lubbock High's first yearbook was distributed in 1918; and the second in 1922. Yearbooks were printed from 1923 through 1954, except for 1925. Yearbooks are on file in the publications morgue for 1918 and 1922, and from 1928 through 1954. In 1927 only a "Senior Yearbook" was distributed. A "Pictorial Review" devoted almost entirely to the senior class was produced in 1932. In 1923 the yearbooks burned with the Avalanche Publishing Company. The staff at the Central Ward started over, and the annual came out late.

Sitting beneath the plaques that the yearbook has won in National Scholastic and state contests are co-editors Suzanne Wilson and Sue Humphrey, and Mrs. Dick Cozby, sponsor.

Earlene Gott, assistant copywriter, and Joyce Thrush, copy editor for the WESTERNER, and Carolyn Tapp, layout editor, are pictured as they pause for a moment to talk to an unseen fellow worker.

Shown in the bottom picture are the three class sections of the WESTERNER. Front row, they are: Lucretia Breazeale, junior editor; Brown Holden; Frances Wilson, senior editor; Karen Key; second row, Nanette Crosby, Patsy Painter, Annette Rose, juniors; and Eddie Joe Bradford, Carol Simpson, Kay Meyers, Mary Ann Smalley, and Barbara Miller, sophomores.

# Students Go 'Mad' As Deadline Nears

Rushed to meet a shipping deadline, the sports section puts finishing touches to some layout boards. In covering all athletic events of the school with pictures, written copy, and exacting statistics, the sports section devotes many hours after school to their task. Ann Gordon is sports editor, S. C. Arnett, and Brit Myers, standing, are staff members.

Discussing art designs for the annual with Miss Mary Wilson, adviser, are Mary Sue Wilson, Carol Wiedeman, Rayford Thomas, and Carol Kohler. The theme developed from an idea presented by Rayford. Carol designed the cover; Mary Sue worked on the theme page and applied India ink to all pages. As they work on division pages and end sheets, they strive to achieve unity and harmony in their work.

In the picture below, members of the faculty, clubs, and activities sections are shown putting last minute touches on their pages. They are Karen Kerr, faculty; Jean Shawver, Lora Kerr, clubs section; Kathy White, editor of the faculty section; Billie Osborn, Denevee Turner, Sandra Hendrix, clubs; Janelle Ohlenbusch, activities; Ray Moore, editor of the activities section; and Judy Nicholas, activities.

It is the job of the faculty section to picture the members of the faculty telling the subject they teach, the clubs under their sponsorship, and the degrees they hold and to present a preview of academic activities of the school. The clubs section features the purposes, activities, and social events of each of the school's clubs, while the activities section pictures major activities sponsored by the school.

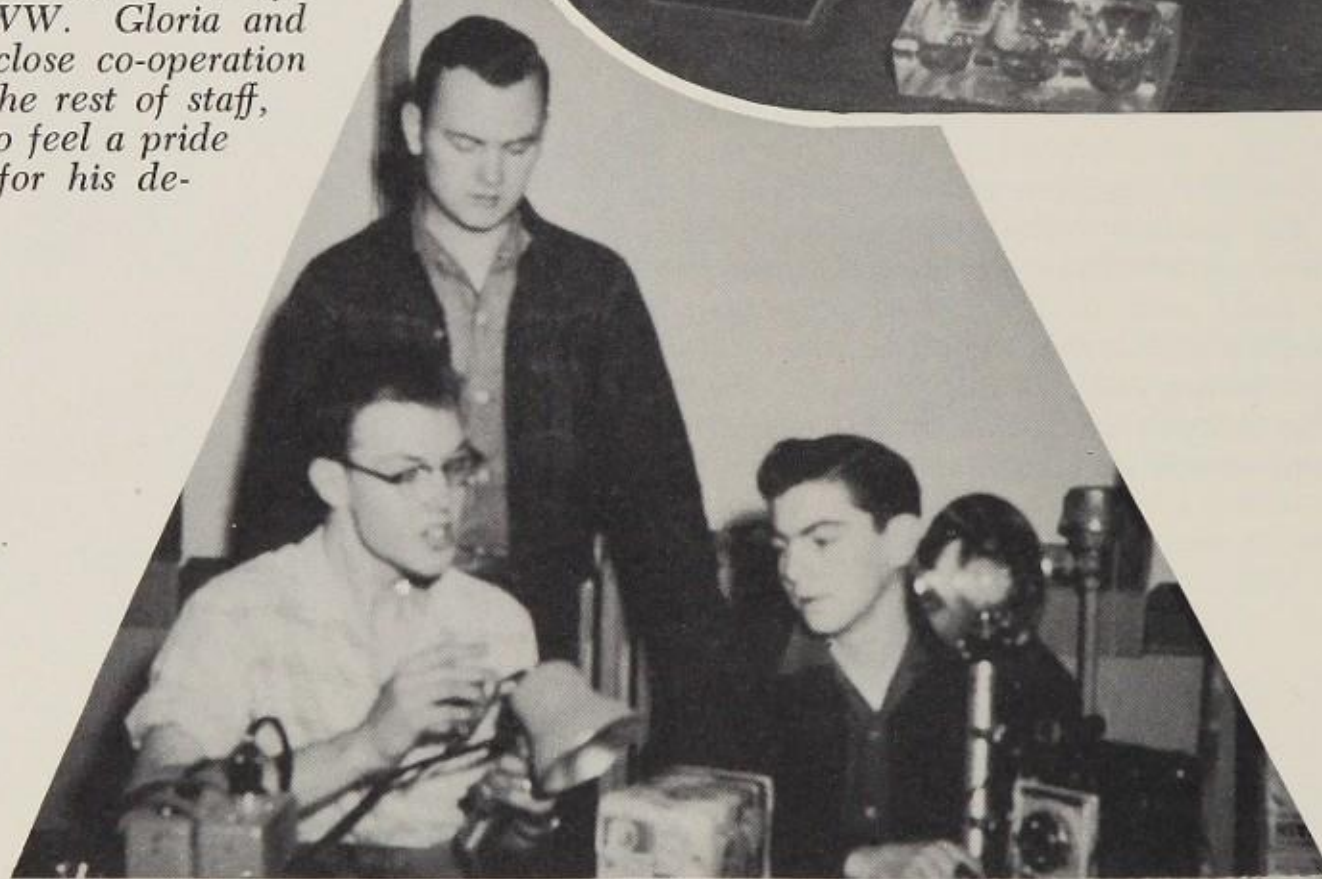

# Western World Tops In State

The WESTERNER WORLD, under the direction of Mrs. Dick Cozby, has brought many honors to the department. Last year, the newspaper won an All-American rating in the nation both semesters. This was the first time for it to win A-A for both semesters. In December, 1954, the WESTERNER WORLD won first place in Texas at the THSPA convention in Denton.

The task of heading the editorial staff of a weekly, four-page, six-column high-school newspaper is no small task. Gloria Waller, editor for both 1953-'54 and 1954-'55, was the first junior ever to be appointed to edit the WW. Gloria and Mrs. Cozby work in close co-operation with each other and the rest of staff, urging each member to feel a pride in and responsibility for his department.

Shown demonstrating the Hieland Strobosar III Electronic Flash Unit to photographers Thomas Rodgers and Wally Jackson is head photographer Lilburn Smith. These photographers are responsible for all pictures taken for either the WESTERNER or the WESTERNER WORLD. With such modern equipment as this, they are able to take over 10,000 flash pictures in succession at speeds up to 1/100 of a second without changing flash units.

All-important jobs in the production of the WESTERNER WORLD and the WESTERNER are those of typing the copy and keeping the financial matters recorded and up-to-date. Pictured here are members of these two branches of the department; Nancy Denton, assistant bookkeeper; Ann Humphreys, typist; Rita Seay, bookkeeper; Pat Dorsey, Fern Graham, Sondra Wilk, typists; Pat Rainer, typist and copy writer; Lora Montgomery, Sally Chance, and Bette Pigford, typists.

Meeting daily with the businessmen of Lubbock and working with them to achieve the results desired in an ad is one of the many jobs of each person on the advertising staff. Shown talking to Gordon Deering, business manager, are the salesmen for this year, Sarah Simmons, Warren Dunn, Brit Myers, Robert Miller, and George Phenix.

## Westernaires Sing

*Singing for civic clubs, assemblies, and PTA meetings and caroling in the halls at Christmas keeps the Westernaires, senior a cappella choir, in the public eye.*

*This year's choir was composed of 65 juniors and seniors selected from the sophomore a cappella choir last year. Having been familiarized with high school music as sophomores, the members are picked for their sight reading, range and tone qualities.*

Senior choir officers are elected at the first of the school year by popular vote of the group. ## Sacred, Secular Music

*At intervals during the year the group divided into quartettes instead of singing in the traditional four sections, sopranos, altos, tenors, and basses. This was done to develop accuracy of pitch and to improve harmony.*

*This is the first year for Mrs. Carver in LHS as head of the choral music department. In addition to directing the senior a cappella choir, she has change of the "b" a cappella choir, the boys' glee club, two chorus sections, five ensembles, and a music appreciation class.*

Competition for participation in the all-state choir is keen among those in the music department. Representatives to the choir are specially chosen for their ability to read and interpret music, tonal quality, and breath control. Mrs. Harris, a member of the faculty of LHS four years, is in charge of the Choralaires, one music appreciation class, the Mel-O-Aires, and a mixed sophomore choir.

## LHS Orchestra Continues to Grow

Playing for various school functions such as the junior and senior plays, graduation services, and the PTA, keeps the orchestra busy throughout the year. ## 103 Band Members Provide

*Peppy music provided by the Westerner band keeps football fans in an enthusiastic spirit when the going gets rough. At half time the marching band, trained by Mr. Paul Branom, is turned over to drum major Sam Vaughter for direction of the many intricate formations as well as musical selections. The music of the band and the baton twirling of the majorettes as they walk briskly ahead of the main group bring excitement to its highest peak and urge the team on to victory.*

Requiring a competent and trained person for its operation, the stroboscopes is used for testing the pitch of the different band instruments. Demonstrating this machine to drum-major Sam Vaughter is Mr. Paul M. Branom, director of the Westerner band.

I. Pittman. Kneeling, left to right, are Mary Alice McElwee, Betty Kimmey; standing, Verna Herrington, and Carolyn Symes.

## Assemblies Educate;

Beginning in the upper right hand corner of this page and reading counter clockwise on this spread, Marilyn Warren and Rebecca Pierce tell their "lonesome polcat" troubles to Nan Kelly during the Junior Assembly.

"Life is an abundant thing—the philosophy behind it is the will to live," stated Dr. Willis A. Sutton, Superintendent Emeritus of the Atlanta, Georgia, Public Schools and past president of the National Education Association, in a series of lectures to the student body. Visiting L.H.S. for his fourth consecutive year, Dr. Sutton spoke to the separate classes, the student body as a whole, and individuals seeking his advice.

Dr. Sutton has lectured in all 48 states and in approximately nine foreign countries. He bases his lectures on boy-girl relationships, life careers, family troubles, the distracted and disturbed conditions of the political and social world, religious problems, and personal problems.

Hep cats really "got with it, man" when the Dunbar Combo from Dunbar High School swung out with "strict-ly gone, gone" bop, jazz, and boogie renditions in an exchange assembly. In addition to instrumentals, the Dunbar vocalist, Bobbie Bailey, sang several solos including "Shake, Rattle, and Roll" and "Money Honey."

Dressed in Hungarian costumes, the Gypsy Troubadours entertained with song and dance at the first paid assembly of the year. This team featured continental folk tunes and dances, especially those of European origin.

## Entertain Students

"Proposing is a very delicate art that each of us must either perform or encounter at least once in our life," said Lee Ledrick, narrator of the Pampa exchange assembly. The assembly, a light comedy on "How to Propose" was given as a lecture portraying how the people of different times and different social standings proposed. Shown above is a scene from the middle ages. Sir Montmorency, Clifford Regan, proposes to his love, Lady Ermineted, Jerrie Sloan. Proposals were enacted from the caveman's time up to the present.

Each year LHS organizes an exchange assembly that is presented to different schools in the area in return for their presenting one here. This year the theme of Lubbock's assembly was based on the Stupid Cupid's love affair of Annie-the-Angel and Denny-the-Demon. Jackie Mimms, the Stupid Cupid, is shown puzzling over the situation he has caused with his imaginary arrows as Denny-the-Demon, Don Kerr, makes love to Annie-the-Angel, Pat Rainer. The group presented the assembly in Pampa and in Borger, at Dunbar, and at J. T. Hutchinson Junior High School.

Using "The Arabian Nights" as a theme, the Sophomore Class presented their annual assembly amid picturesque settings of Arabia. When an American traveler came upon a lamp, and rubbed some dust off to see the inscription beneath, a genie came out and granted him his wish of seeing some of his old friends at LHS. One of his old classmates was Billie Osborn portraying Liberace complete with candelabra. In the picture to the right, the mop-headed impersonator is shown as he played the "Beer Barrel Polka." Other acts featured songs, dances, and pantomimes, with a chorus line of 14 girls concluding the program.

An assembly was held this year during Brotherhood Week in which men representing the three main religious groups spoke to the student body on the mounting importance of brotherhood. Shown talking with Bill Dean are Rabbi Arthur Bluhm, representing the Jewish faith; Dr. J. Chess Lovern, who introduced the speakers; Father Edmond F. Harrigan, representing the Catholic Church; Mr. Lonnie Langston, chairman of the committee on brotherhood in Lubbock, and Dr. Eugene L. Slator, representing the Protestant religion.

# Eighteen Make All-State Band

Spinning the record of good times are band officers Bobby Brown, treasurer; Edrin Parrack, secretary; Jimmy Ratliff, parliamentarian; Wayne Culp, president; Gerald Woolam, assistant drum major; Dana Dane, social chairman; and Sam Vaughter, drum major. These officers planned parties for the LHS band, entertainment for visiting bands after ball games, and an annual banquet for all band members.

Members of the Westerner Band chosen for the All-State Band Clinic held in Dallas this year are front row, Kathleen Robinson, Arden Gifford, Dalvin Boone, Lutha Beck, Yvonne Skinner, and Lowell Cross; second row, Ronald Lemon, Bob Fenley, Harlon Lamkin, Joyce James, Kenny Cummings, and Bill Downs; third row, Bobby Brown, Gerald Woolam, Bobby Lemon, the late John Hollars, Bob Harris, and Gary Joiner.

Three LHS band members chosen for first chair in the All-State Band are Harlon Lamkin, bass; Bobby Lemon, flute; and Dalvin Boone, cornet. These boys were chosen by men outstanding in the band field that specialized on each instrument. They are seen telling Mr. Branon about their tryouts in Dallas as they view the *Educational Music Magazine*.

# Penguin Players Entertain Children

For the younger set in Lubbock's grade schools, the Children's Theatre Penguin Players present three plays a year under the direction of Mr. D. M. Howell. Each production is presented in the auditorium for three successive afternoons. Plays for this year included "The Panda and the Spy," "The Indian Captive," and "Alice In Wonderland."

Based on an authentic story, "The Indian Captive" portrays the capture of Eleanor Lytell by the Seneca Indians. With three Indian braves, Douglas Hutton, Kenny Kaplan, and David Rigney, lurking in a frontier backdrop, Eleanor, played by Denevee Turner, attempts to hide her brother, Thomas, played by Roland Myers.

In a scene from "Alice in Wonderland" Rebecca Pierce is shown as Alice; Mike Stevens, as the Knave of Hearts; Larry Halford and Jackie Blair as the King and Queen of Hearts; and Mack Osborne as the White Rabbit.

Acting as wickets for Alice, Rebecca Pierce, in a game of croquet are the Dormouse, the Caterpillar, and Frog-Footman, played by Laveda Gollighugh, Ann Humphreys, and Royce Hunter, respectively. Watching the game are Tweedledum and Tweedledee, played by Bobby Peeples and Charles Akins; the King of Hearts, Larry Halford; the Knave of Hearts, Mike Stevens; the Queen of Hearts, Jackie Blair; and the White Queen, Pat Stanley.

In a scene from "The Panda and the Spy" Mack Osborne, the spy, is questioned by Gloria Allen, played by Sandra Sherrell; the Panda, Denevee Turner; Richard Allen, Tommy Gallo-way; and Miranda Allen, Nelda Womack.

*Bill Louimore*  
**Seniors Present**  
**"Girl Crazy"**

"Girl Crazy," this year's senior play, was based on the George and Ira Gershwin musical-comedy of the same name. The three-act comedy centers around playboy Danny Churchill and his adventures at Buzzard's Ranch in Arizona. When he finally gets settled in the "Great Golden West," he turns the place into a swank Dude Ranch which soon becomes very lively with eastern girls and singing cowboys.

Guests at the Dude Ranch are shown as they worry over the condition of Sam Mason, played by Jack House, after he has been beaten up by an unknown assailant. Kneeling is Molly, Liz Creson; standing are Lucky, Mack Osborne; Jake, Prentiss Peak; Tess, Sharla Pepper; Laura, Pat Stanley; Cactus, Douglas Hutton; Sally, Barbara Batton; and Babs, Wanda Falls.

Louie, a Brooklyn cab driver and good friend of Danny, ran for sheriff of Custerville, the town where Buzzard's Ranch is located. Shown congratulating Louie, played by David Rigney, on his victory over Lank, a local bandit, are Janet, Margaret Condray; Laura, Pat Stanley; Rose, Louie's girl friend, Roma Caviness; Danny Churchill, Med Hunt; and Jake, Prentiss Peak.

Louie, the Brooklyn cab driver who drove Danny from New York to Custerville in his taxi for a nominal fee of \$700, gets into trouble over his opinion of the West. Shown are two loyal "Westerners," Cactus, Douglas Hutton; and Lucky, Mack Osborne; preparing to "string up" Louie, David Rigney, for his slurring remarks on the "Great Golden West."

## *Mid Heart* 'Father Knows Best' Is Junior Class Play

"Father Knows Best," a three act comedy based on the more light-hearted aspects of family life, and based on the radio and television programs starring Robert Young, was presented this year as the annual Junior play. Third row, Sara Beth Nelms, Allan Jones, Jack Gibbs, Bob Hancock, David Edwards, Oris Robertson, and Peggy Hallahan. Not pictured are Malvin Mauldin and Mack Robertson. The play is based on Betty's first date with Ralph and the outcome of the evening when Father decides that nothing is wrong with spending a quiet evening at home.

Mr. D. M. Howell, dramatics director at LHS, is shown as he reads over a script for the Junior Play, "Father Knows Best."

## 'Mary of Scotland' Is One-Act Play Entry

The one-act play presented by the dramatics department this year was the third act of "Mary of Scotland," by Maxwell Anderson. The play takes place in the prison cell of Mary, Queen of Scots, who is kept imprisoned by her cousin Elizabeth, the Queen of England. The action takes place mostly between these two, as Elizabeth tries to persuade Mary to give up her throne. Mary refuses, and although it is not brought out in the play, history records that she was beheaded seventeen years later as a threat to the English crown. Members of the cast are, front row, Roma Caviness, Liz Creson, Jackie Blair, and Jane Shawver; back row, Mack Osborne, Larry Halford, Douglas Hutton, and David Rigney.

# Interscholastic League Sponsors Contests

The Bureau of Public School Service offers these contests in order to aid students to prepare for post-graduate life.*

Students who entered Interscholastic League Declamation are Jack House, Glenn Woody, Liz Creson, Charley Pillars. Mrs. Joe C. Bailey, sponsor, has worked with these people several weeks before the contest and held eliminations among LHS students. The student delivers a memorized speech in which he tries to master the thoughts of worthwhile selections and convey the thoughts effectively to the audience.

Working to improve their speed and accuracy, these ten typists meet regularly to practice for the Interscholastic League typing contest. When final eliminations are held, five of these people will compete. Members are front row, Jo Ann Buzby, Nancy Crawford, Margaret Condray; second row, Donna Couk, Helen Smith, Linda

# CAD Better Prepares Leaders for Tomorrow

*With the purpose of furthering their knowledge of the world affairs, the 27 members of Cussin' and Discussin' Debate Club met on alternate Thursdays, with Mr. J. W. Reid sponsoring them.*

*CAD prepares its members to be better leaders of tomorrow. It also gives a student the opportunity to learn and respect the opinion of others, broadens his vocabulary and speaking ability, and often gives him the courage to think and reason for himself.*

*Organized during the 1953-54 school term, the highlight of the year for the club was their Christmas party.*

Planning for their club's future, officers of CAD are preparing the financial budget for the forthcoming year. Going over the club's needs are Janet Jones, treasurer; Sarjim Holcomb, secretary; Willis Taylor, president; and Bobby Brown, vice-president.

Members are Alton Abbott, Craig Austin, Virginia Bray, James Bone, Bobby Brown, Glenna Chase, Cornelia Childs, Donna Couk, Jack Cox, Jimmy Farmer, Fleur Fuller, Charlene George, Arden Gifford, Barbara Hicks, Sarjim Holcomb, Janet Jones, Hedy McGovern, Phillip Paschall, Margaret Rankin, Tommy Reagor, Beverly Shoemaker, Willis Taylor, Jim Van Gundy, Dorothy Vasek, Gwen Wilson, and Joyce Zeh.

## Jr. Red Cross Sponsors Annual Drive For Funds

*Under the leadership of Miss Nell Marie Wiley and Miss Glenys Honey, the members of the Junior Red Cross sponsored the annual Junior Red Cross Drive during the week of November 4-8.*

*This club serves as an auxiliary to the American Red Cross. At Christmas the members gave presents and a tree to the residents of the County Home for the Old. One of the club's socials was to wrap presents for the soldiers at the Beaumont General Hospital.*

Taking food and packages to the residents of the County Home for the Old gave Junior Red Cross members an opportunity to brighten Christmas by doing for others. Bearing such Yuletide gifts are Ann Gordon and James Eby.

Even as millions pin their hopes on the American Red Cross, Billie Osborn pins a Red Cross button on Gene Glazner. In the annual Red Cross drive, this club sold approximately \$130 worth of these buttons.

Pausing from their daily duties as Westerner football mentors are backfield coach Freddy Brown; head coach Pat Farris; and end coach Bill Oglesby. In addition to being head Westerner coach, Pat Farris is line coach and was director of athletics until the second semester. Coincidentally, Coach Farris played on the Westerner State Championship football team in 1939 and returned to help Coach C. R. "Pat" Pattison turn out two state championship teams in 1951 and 1952. This is Farris' fourth year in LHS. In his first three years, before being

named head mentor, three of his linemen were named to All-State honors. Again, Farris himself was named to the state "dream team" in 1939.

These three men make men out of boys and build character as well as bodies.

In the 1954 grid season, the Westerner squad turned in a respectable, but not dazzling, three wins and six losses. The only runaway defeat the Westerners suffered was a 35 to 7 beating given them by the Abilene Eagles; and it's no wonder; Abilene went on to win the State Championship.

## Mr. Eck Curtis Assumes Duties As Director of Athletics; Mr. W. H. Avinger Is Business Manager of LHS Sports

The opening of Monterey, a second high school in Lubbock, presents the problem of reorganizing the athletic department; consequently, in the course of the 1954-1955 academic year three men were added to the offices.

Early last January, Mr. Eck Curtis (above center) was selected as director of athletics for Lubbock Public Schools, the job previously held by head coach Pat Farris of the Westerners.

Being interviewed by Steve Noble (above left) sports editor of the WESTERNER WORLD, is Mr. Curtis. Although he will do no active coaching, the director of athletics holds authority over the athletics division similar to that which the assistant superintendent of schools, Dr. Ishmael Hill, holds over the academic division.

A veteran of 30 years of coaching, Mr. Curtis coached at Ranger and later at Breckenridge, where seven of his ten teams were district champions. His Highland Park of Dallas eleven tied with Waco for the State title. As University of Texas backfield coach, Mr. Curtis and the staff piloted the Longhorns to four bowl invitations.

"Some of the best boys I've ever worked with at Texas University have been former Lubbock High players," Mr. Curtis stated. "Johnny Tatum, Charlie Brewer, Don Jones, Tom Cadenhead, Bo Sexton, Dick Lowrey, Bill Hallmark, and Jim Welch are all former Westerners and good boys to coach." He added that very few towns have the consistent good turnout of boys such as Lubbock has.

Mr. W. H. Avinger is pictured (above right) assuming one of his numerous duties: the seemingly endless task of counting the tickets for high school football clashes in Jones Stadium. Prior to Mr. Avinger's taking over the job of athletics business manager in September 1954, the job was held by Mr. E. J. (Pinky) Lowrey.

Less than two weeks after Mr. Curtis assumed his new duties, the school board selected Mr. Bill DuBose as head coach (not pictured) for the new Monterey High School. At his previous job as end coach for Texas University, Coach DuBose turned out two All-Americans.

*Racing to the coaches' call are the boys who seldom make the spotlight, the managers, Bill Lowrimore, Jackie Minns, Ray (Kinky) Williams. # Tournament Play Highlights Season

The Lubbock High School basketball squad closed out the 1955 season with a record of 16 wins and 10 losses.

Wade Wolfe scored a record breaking 448 points for 26 games to set a new record for LHS. Next in line with points in the 200's for the season were Carroll Stephens, 281; Chuck Key, 280; and Morris Scales, 216. Larry Merriman scored 169. In the double column were Monte Hasie, 81; Wendell Hester, 39; Preston Davis, 23; Butch Lawrence, 16; and Gene Pinson, 12. Jerrell Snodgrass totaled 9 points.

During the season the Westerners, in the 10 games lost, yielded their opponents only 52 points, an average of 5 points per game. One game was lost in the last 35 seconds; one in the last 4 seconds; one in the last 2 seconds; and one, in a double overtime.

Winning 9 straight, they were stopped by Pampa, the past winner of two state championships. Having several bad breaks during the rest of the season, the Westerner cagers had a seven-game losing streak, to be broken by the last game, a win over Borger by 12 points.

In the first game of the season the Westerners were handed their first defeat, 59 to 48, by Sudan. The Westerners then went to the Borger Cage Tournament, where they lost to Borger 67 to 65 to take

second place. Stepping into the winning column, the Lubbock boys stomped Hobbs 59 to 46, then they racked up a 61 to 53 win against Andrews.

The first defeat in the southern loop came from Abilene, 65 to 53. In the Plainview Tournament the Westerners won second place. Andrews once again tried to pass the Westerners in points but lost by 65 to 45. The cagers lashed Odessa 69 to 53. Tournament play at the Odessa Invitational Tournament found the Westerners taking first place.

Abilene fell short to the Westerners in a 63 to 45 clash. Lubbock High again proved to be stronger than any southern loop team with a 60 to 49 win over Odessa. To revenge the second place win in the Plainview Tourney, Lubbock won in a match with Plainview 66 to 58.

An invasion from the north found the Westerners losing a thriller to Pampa 52 to 51. In a double overtime game, Sudan came out on top 64 to 62. Borger outhustled Lubbock, winning 65 to 56. The Westerners fell to Amarillo 54 to 46 in the third northern loop contest.

Revenge turned from Plainview to Lubbock when they mastered Lubbock 71 to 60. The Sandies' free throws caused a close 61 to 60 loss to Amarillo. Pampa again outscored the Westerners 80 to 75. But in the last game of the season, the Westerner cagers conquered Borger 82 to 70.

Loaded down with trophies are Chuck Key and Wade Wolfe, co-captains of the 1955 cage squad. These trophies were won at the Borger Tournament,

Odessa Invitational Tournament, and Plainview Tournament. Both Chuck and Wade were selected for all-tournament teams in Plainview and Odessa.

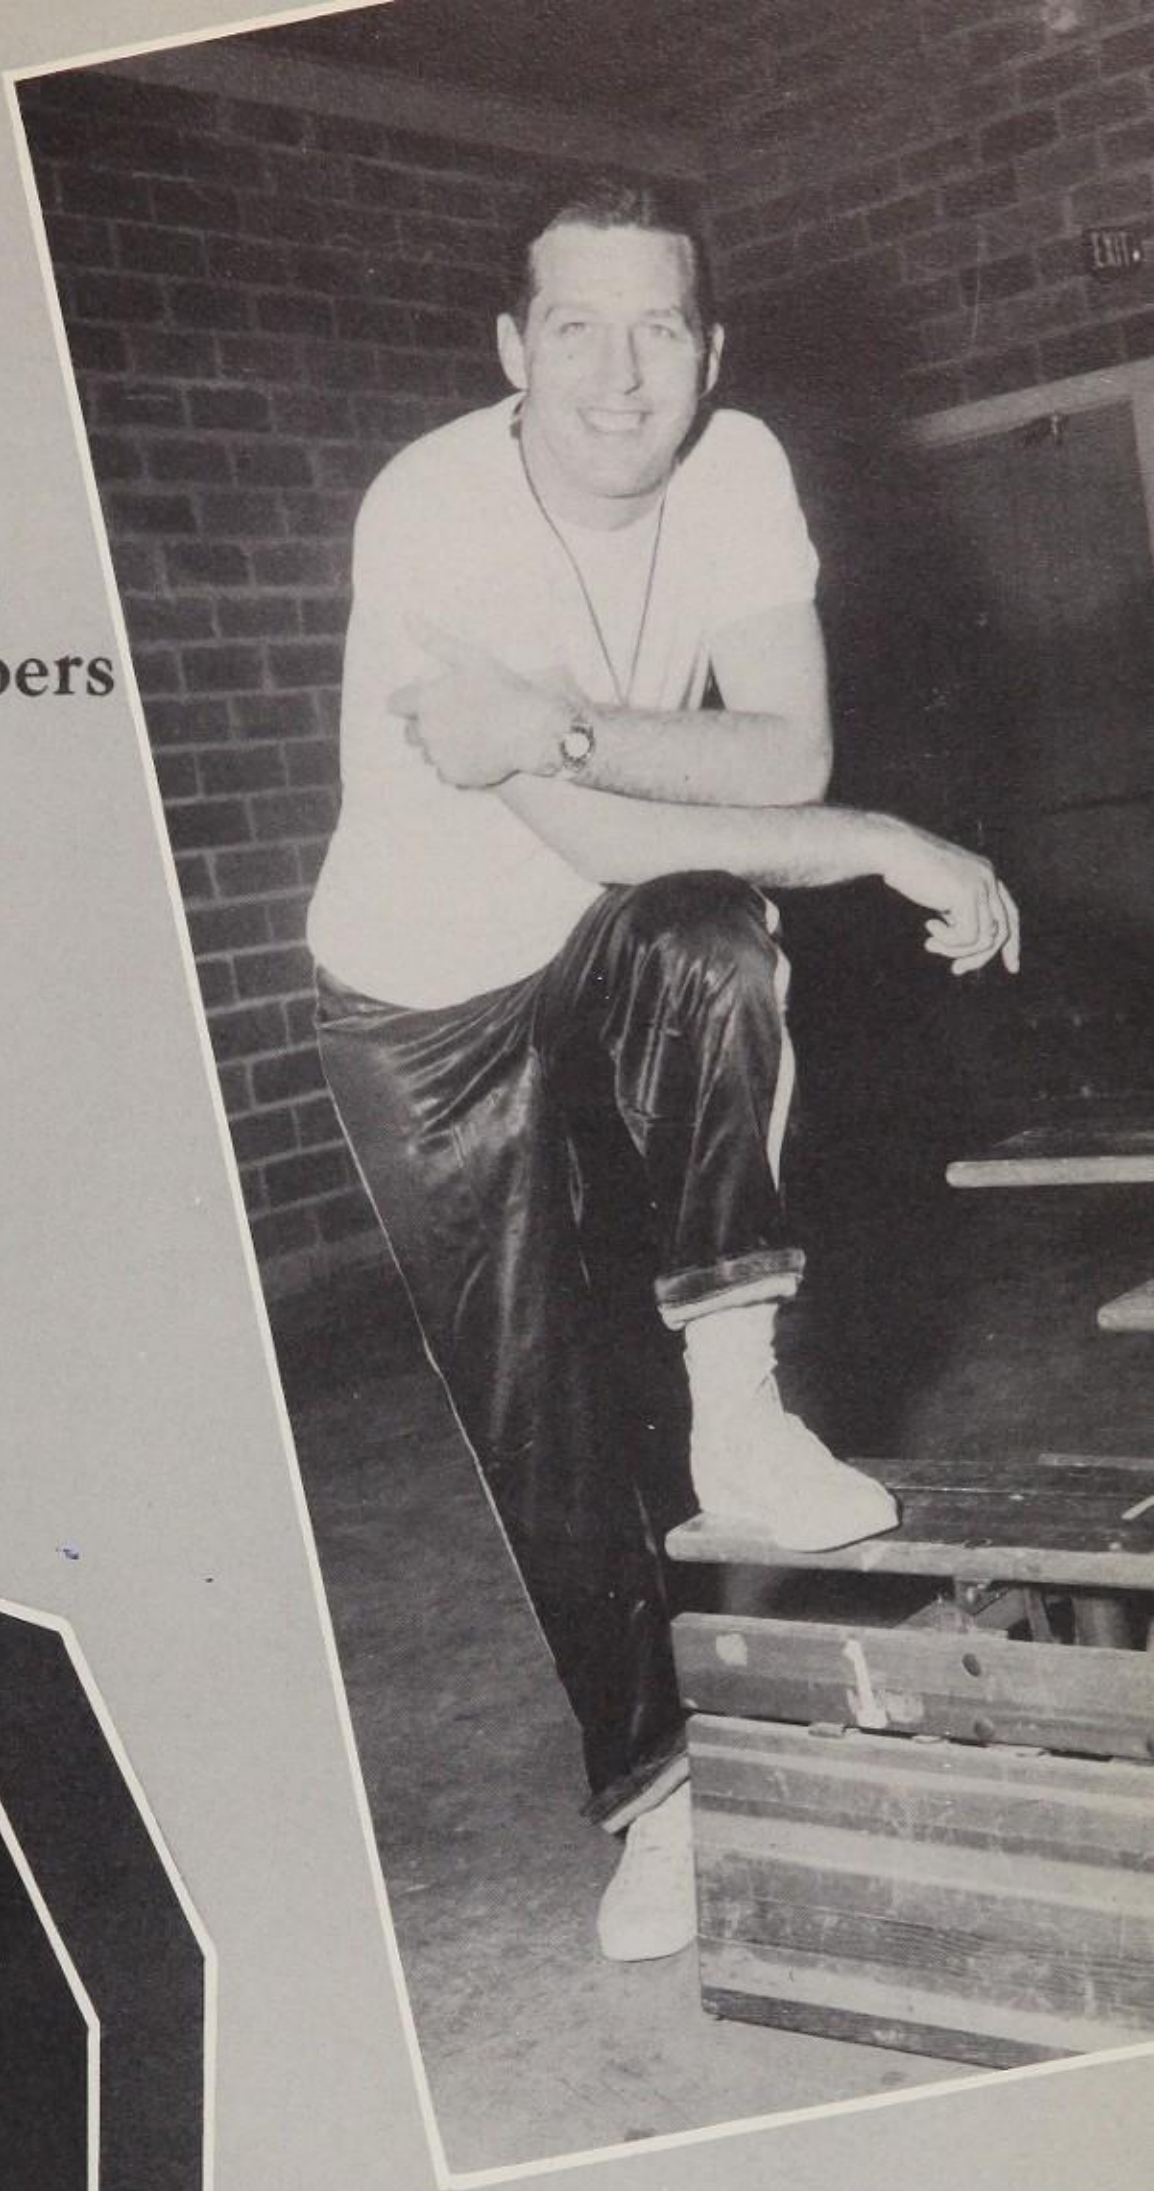

## Coach Cook Leads Boys To Be Good Team Members

*As one of the youngest coaches ever to perform duties at Lubbock High School, and possibly in the State of Texas, David Cook has set a fine record for himself. In 1951 he produced a state championship team. Also, he led a team to a tie for district championship in 1950. A number of Coach Cook's cagers have become successful college stars. A few of these are Carl Ince, Texas Tech; Gerry Thomas and Dennis Atkins, Rice Institute; and Dale Ball, 1954 graduate, is one of the leading scorers for the freshmen squad this year at Rice.*

*Coach "Dave" was also a graduate from Rice and came to LHS in 1949. For two seasons he coached the baseball team, but was relieved of this responsibility of two major sports by Coach Tim Tillery. Coach carries on regular P.E. classes as a faculty member. His main interest, however, is basketball and making boys into good team members.*

*Each year the basketball team must have someone to do their "dirty work." This duty falls on the managers. Both Richard Estes and Dick Scales have served previous years as managers for LHS teams. Though their main job is to take care of the equipment, they serve as an added spirit to the other team members.*

Members of the 1955 Cagers are, first row, Preston Davis, Butch Lawrence, Morris Scales, and Wendell Hester; second row, Richard Estes — manager, Carroll Stephens,

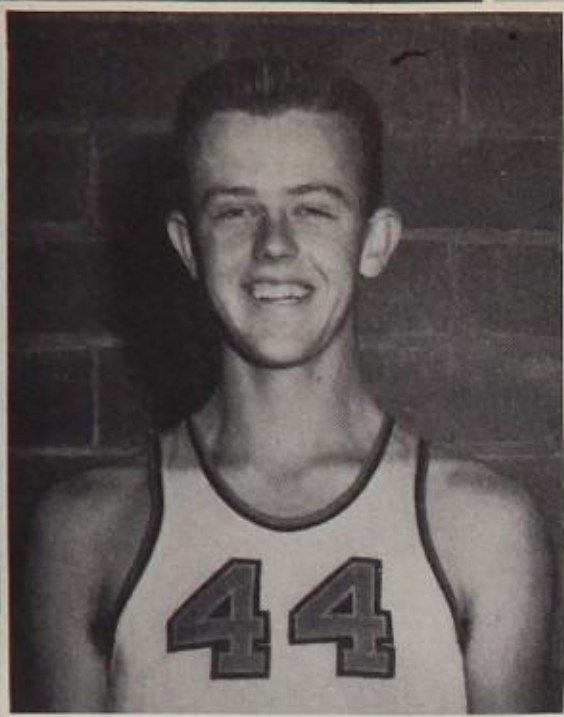

Jerrell Snodgrass, Larry Merriman, and Dick Scales — manager; back row, Chuck Key, Wade Wolfe, Gene Pinson, and Monte Hasie.

## Westerners Stomp Abilene 63-45; Odessa 69-53

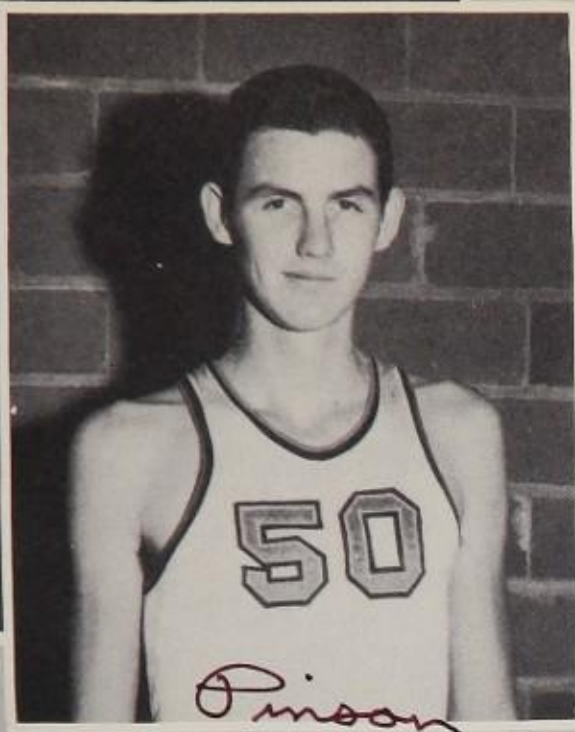

Lubbock Westerner Carroll Stephens (53) demonstrates broad-jump form in going after a rebound during the fourth quarter with a victory over Abilene. Hitting almost 53 per cent of their shots from the field, the Westerners stormed to their thirteenth victory of the season, blasting the Abilene Eagles 63 to 45.

Wade Wolfe and Stephens led both in the point column and in the rebound division. Wolfe hit 16 points, Morris Scales, 12; Stephens, 10; Larry Merriman, 8; Chuck Key and Monte Hasie, 6; Butch Lawrence and Jerrell Snodgrass, 2; and Wendell Hester, one.

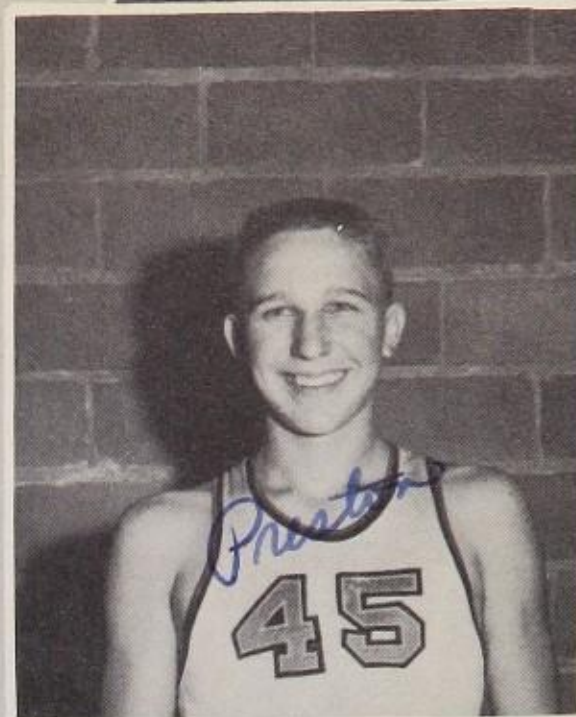

"Big Bad" Wade Wolfe shows off his fancy, ever-reliable, jump shot during the Odessa home game. Celebrating a Happy New Year, the Westerners opened 1955 with a 69 to 53 victory over the Odessa Broncs at Chapman Fieldhouse. Wolfe's rebounding and his passing off were large factors toward the victory. He hit 14 straight free shots after missing his first one. Wolfe led the scoring with 22 points; Key was next with 18; Stephens hit 16; Merriman, 10; and Hasie, 3. The Westerners hit 23 field goals in 61 to give a 37.7 per cent. This was only the second loss of the season for the Broncs.

## Westerners Take Odessa Tournament Lose To Amarillo

*In the top picture we see big Monte Hasie, driving hard between two Kermit defenders for a pair of points in the Kermit game during the Odessa Invitational Basketball Tournament. The Westerners went on to cop a first place in the tourney, defeating Kermit 63 to 37, San Angelo 45 to 44, and Borger 71 to 55. Each individual team member received a gold basketball, and the team won a large gold trophy for the school trophy case. Chuck Key and Wade Wolfe were both named to the All-Tournament Team.*

*In the bottom right picture, Wendell Hester (No. 42) jumps high in the air as he prepares to lay the basketball through the strands of the basket with a one-hand push shot against the Amarillo Sandies. The Sandies came out on top of the clash with a 54 to 46 victory in a hard fought battle. Wade Wolfe led the scoring with 15 points, with Carroll Stephens close behind with 14 points; Morris Scales, 6; Wendell Hester, 4; Larry Merriman, 3; and Chuck Key and Monte Hasie tied with 2.*

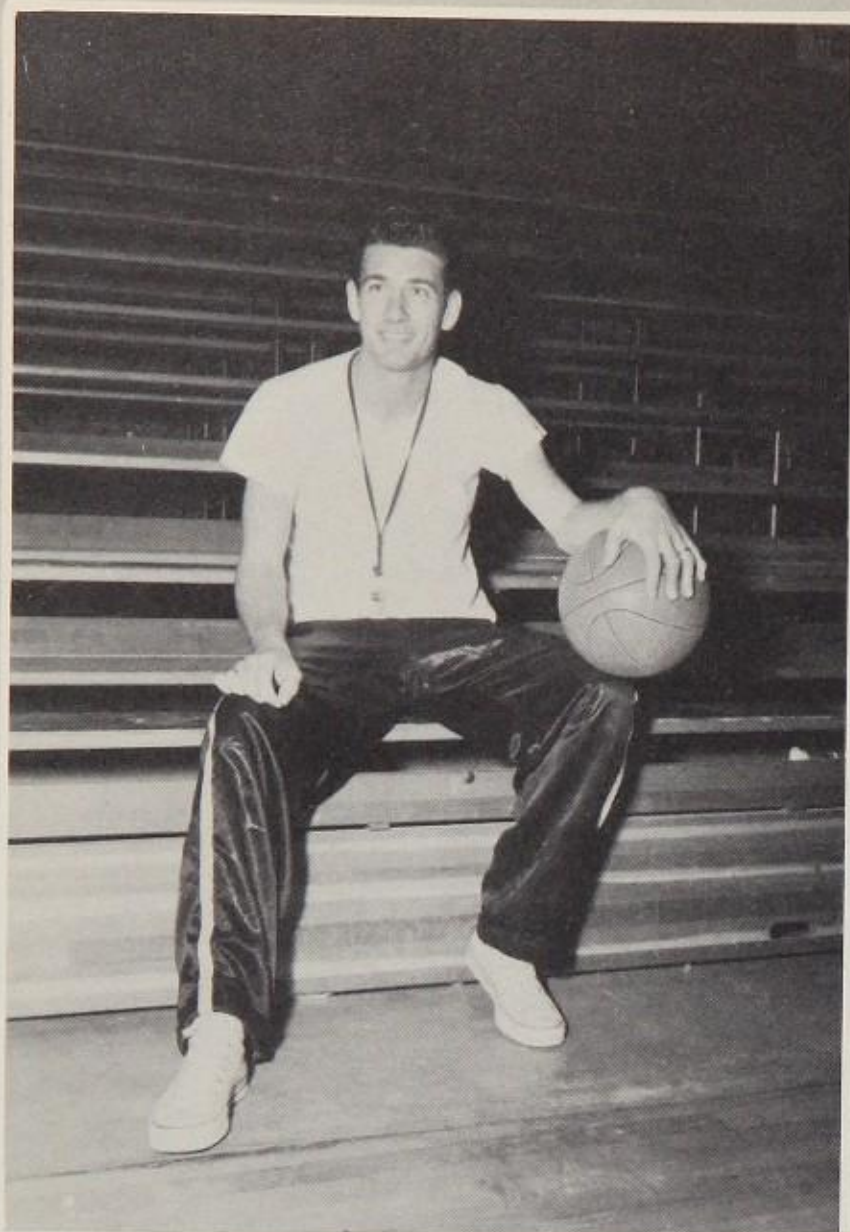

# Bulldogs Win 71-60; Westerners Revenge Borger Team 82-70

Larry Merriman dodges flashing Bulldogs to rack up a score for the Westerners. Plainview had proved itself to be one of the hottest teams in District 1 AAA, and rolled over the Westerners for a 71 to 60 victory. Carroll Stephens promises to be a big prospect for the 1956 season, scoring a total of 28 points for the home team. Wade Wolfe offered help with 15 points, and Chuck Key followed with 8, next was Morris Scales with 4, Wendell Hester and Gene Pinson both had 2, and Larry Merriman made one.

To end the 1954-'55 cage season, the Westerners conquered Borger 82 to 70. Wade Wolfe chalked up 31 points to make an all-time scoring record for LHS with a total of 448 points. The Westerners gave Coach Dave Cook a victory without having a bad quarter, or without ever being behind. Wolfe led the scoring with 31 points, Chuck Key was next in the high scoring line with 16, Carroll Stephens and Morris Scales both had 11, and Wendell Hester scored 3 for the cagers. At the left we see Wade Wolfe jumping high to tip off a jump shot for another pair of points for the Westerner cagers.

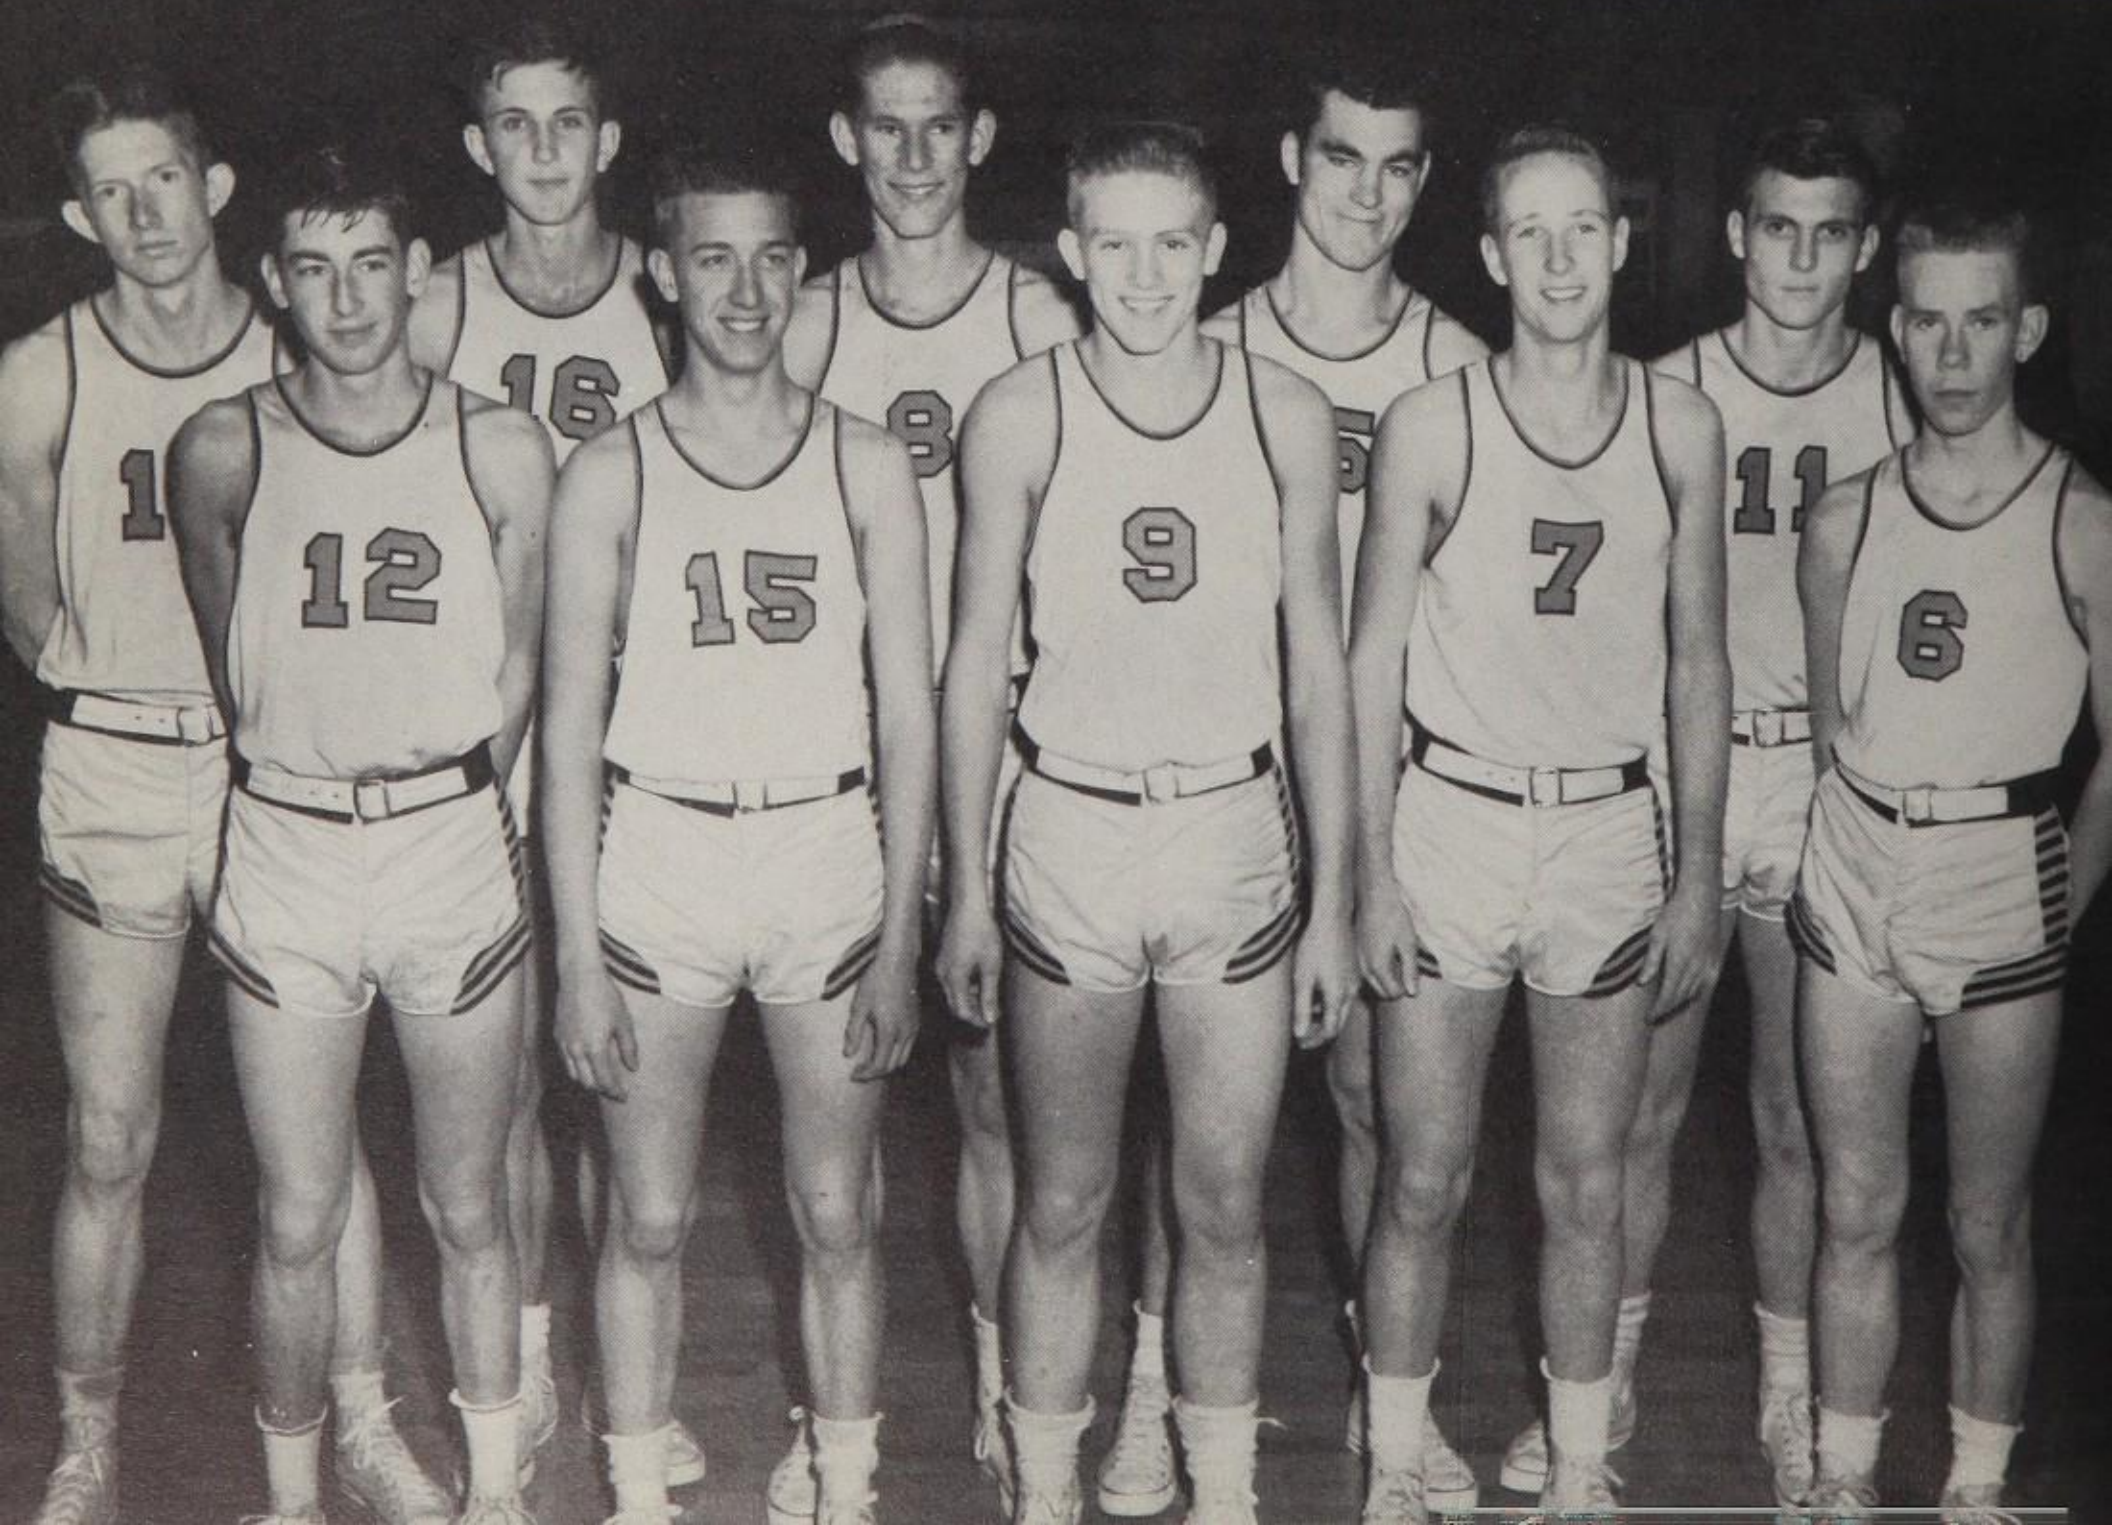

## Cowhands Rack Up 14 Victories

To the left is pictured Coach Max T. O'Banion, popular and able coach of the Cowhand basketball squad. This is his second year at LHS. Aside from his coaching duties, Coach O'Banion teaches first year algebra, PE classes and keeps a studyhall. Before and after the season, he aids Coach David Cook with the Westerner basketball squad. Turning in a 57+ average points per game, the Cowhands allowed their opponents a 48+ average. They won 14 games and lost 8.

Left to right on the first row are Dale Glaze, Ed Watson, Cotton Sumner, Scott Mack, and Rex Vardeman. On the back row are John James, Don Eldmen, James Wiley and Milton Daniel, co-captains, and Kenneth Williams. The managers are Max Hood, Kenneth Blackford, and Bobby Carroll. Wiley led the scoring with a 13-point average; Williams and Daniel were next with 8 points each; and Sumner had 6.

# Pioneers Take 10 Wins During Season

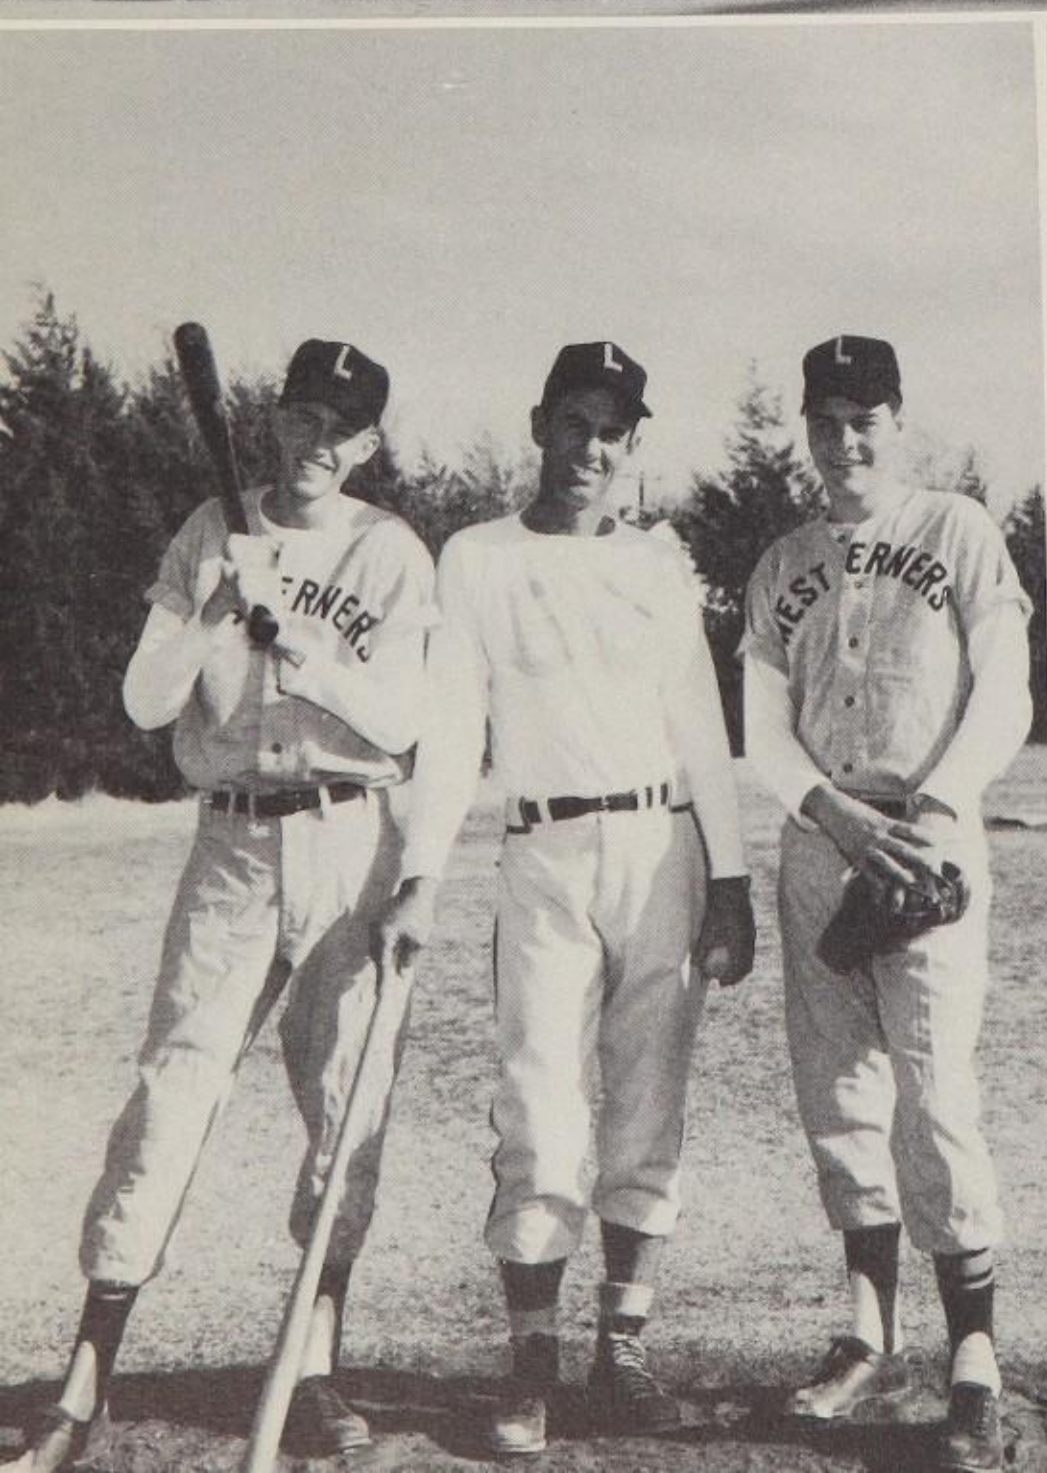

*Coach Ted Simon steered the Pioneers through 10 wins and 7 losses this season. This is Mr. Simon's third year at LHS. He also teaches regular PE classes, health, individual PE, and keeps the studyhall.*

*The team average this year was 37.1 per game, with 632 total points. The opponents had a 36.6 average with a total 623 points. Van Horn scored the highest number of points this season for the team with 182; Shipman was next with 94; Cherry had 82; Guthrie, 29; Daniels, 20; Patty, 19; Taylor, 14; and Milburn, 11.*

*Members of the team, first row, left to right, are Kenneth Taylor, Blair Cherry, captain, and Randel Patty. On the back row are Horace Guthrie, Gary Daniel, Harry Van Horn, and Mike Shipman. Not pictured is Roger Milburn.*

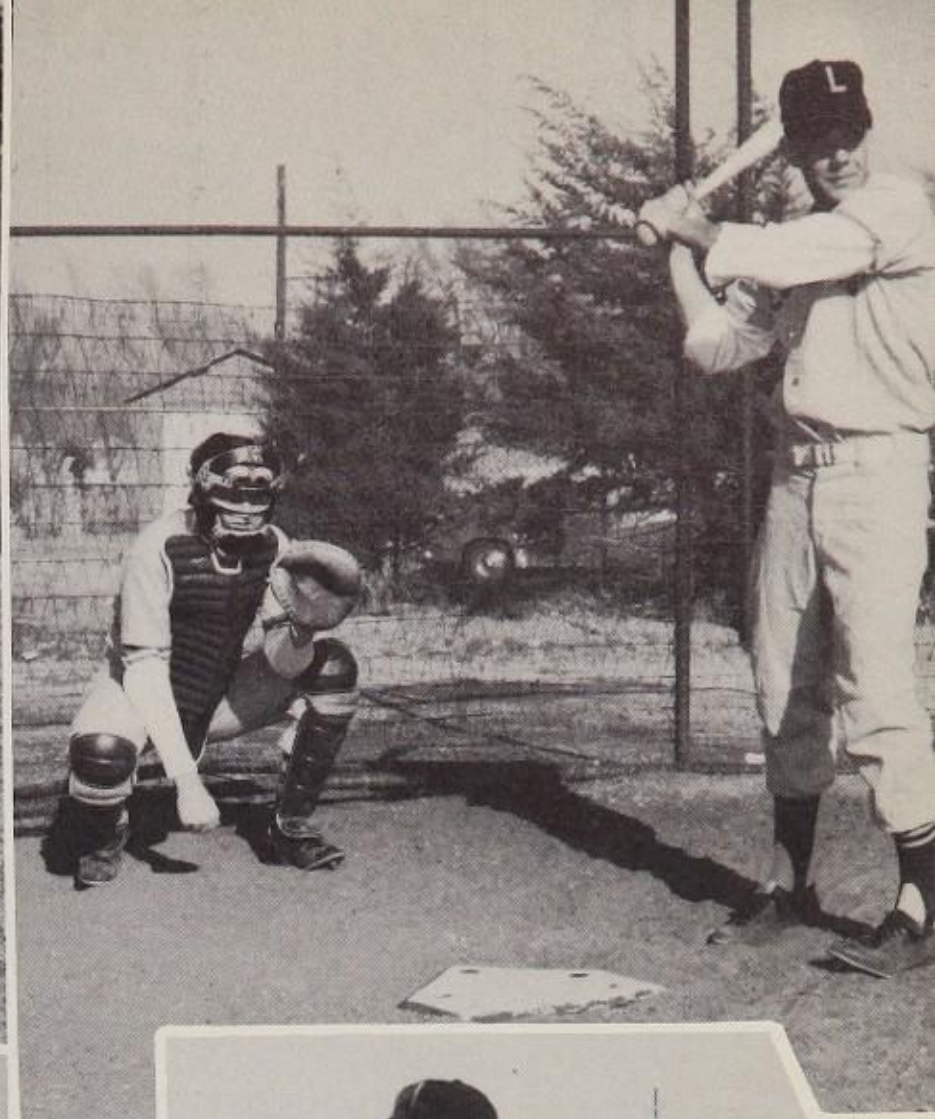

## 1954 Baseball Squad 1955 Season Sparked

A look at District 1-AA in 1954 shows the Westerner baseball team finishing on top, but losing out in bi-district playoffs at El Paso. For the first time since 1947 the team beat Amarillo in a 3 to 2 battle. The Westerners were scheduled to repeat as champs this year with ten returning lettermen. Coaches Clarence "Tim" Tillery and Joe King started their boys off with three victories over San Angelo in Lubbock and three losses in San Angelo. District play was set to begin following three games with Midland, about the first week in April.

After the first six games, statistics showed Bill Dean leading hitters with a .529 batting average. Kenneth Smith was next with .500; Dave Allen, .389; Morris Scales, .333; and Don Hogue, .304. A bit of history from last year found Allen leading the team with .368. Two-year returning letter winners were all-district Allen, Charles Lawrence, Gehrig Garrison, and Glenn Higginbotham. Boys with one monogram are Don Hogue, Robert Benton, Bob Welch, Dean Fawcett, Bill Dean, and Neil McMullen. Making all-district in 1954 with Allen were pitcher George Nelson, shortstop Don Powers, and third baseman Jimmy Joe Stanford.

Team members are: front row, left to right, Bobby Smith, senior outfielder; Neil McMullen, senior outfielder; Gehrig Garrison, senior outfielder and pitcher; Don Hogue, junior shortstop and third base; Dean Fawcett, senior pitcher; Morris Scales, senior outfielder and second base; Dave Allen, senior first base, third base, shortstop, and co-captain; and Bert White, sophomore pitcher. Second row, Lonnie Johnson, senior manager; Mac Lundy, sophomore second base; Glenn Higginbotham, senior catcher; Bob Welch, senior second base and pitcher; Kenneth Smith, sophomore catcher; and Rob Hill, junior catcher and outfielder. Third row, Robert Benton, junior outfielder; Bill Dean, junior first base and outfielder; Monte Hasie, senior first

base and outfielder; Phil Williams, senior catcher and first base; Charles Lawrence, senior pitcher and co-captain; and Tommy Weir, senior catcher.

In the top left frame, McMullen, senior leftfielder; Dean, junior rightfielder; Benton, junior centerfielder; and Garrison, senior centerfielder and pitcher, are pictured. These boys snag all the fly balls to form the backbone of Westerner defense.

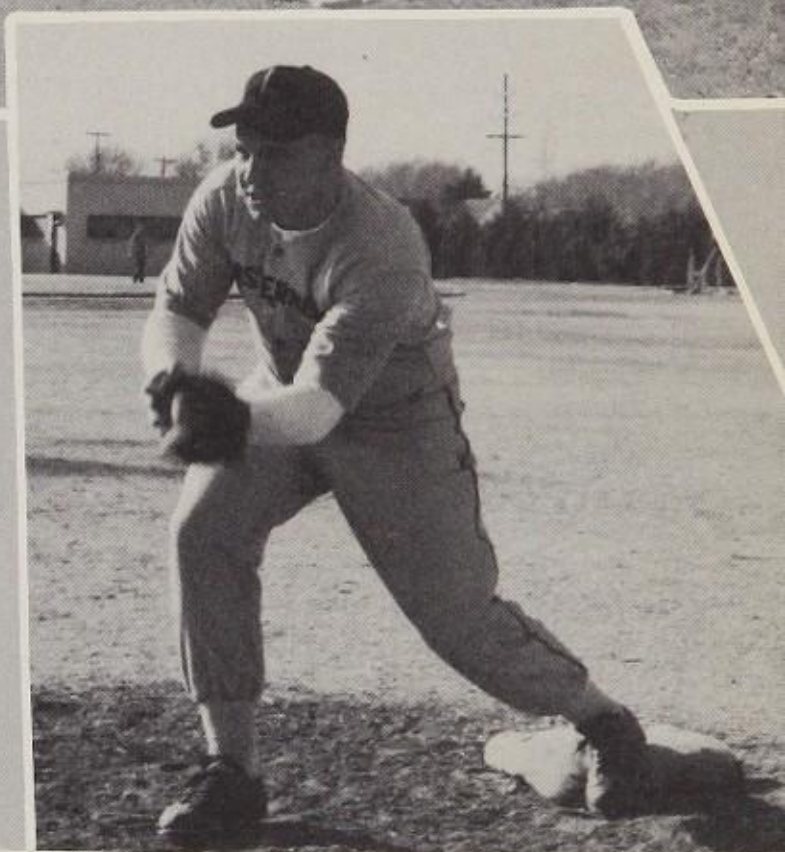

The right corner picture shows Higginbotham, senior catcher, and Welch, senior second base. Higginbotham has had two years experience behind the plate, while Welch is one of the leading hitters for the local nine.

The center frame is Phil Williams defending the sack at first base. This is Phil's first year with baseball, but he lettered two years in football.

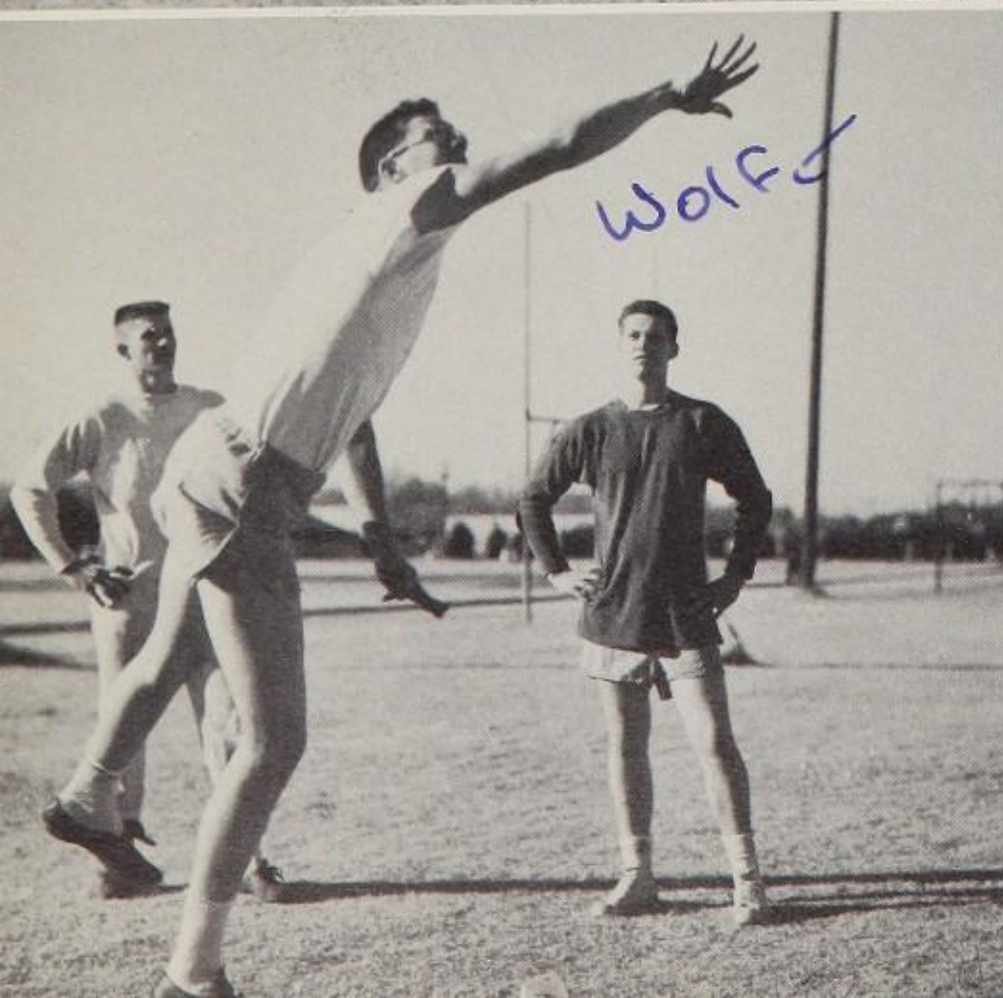

In the bottom slot, Coach Joe King, newly added to the coaching staff is observing with satisfaction as shortstop Hogue snares a ground ball.

Pausing before practice are co-captains Dave Allen and Charles Lawrence, with Coach Clarence "Tim" Tillery, (opposite page). Coach Tillery came to Lubbock High from Tulia in 1953. After replacing Coach David Cook as head baseball mentor, "Tim" paced his team to a district championship. At the resignation of Coach Fred Brown on March 1, Coach Tillery left his baseball duties to Coach Joe King while he joined the Westerner football staff.

Lonnie "Wally" Johnson, manager of the team, assists the team with his experiences. Coach King has received the team in good shape from the hands of Coach Tillery. Coming from Anton, Coach King has played semi-pro baseball. He has worked with Westerners since his last assignment in Lorenzo. Both mentors teach history with Coach King taking Coach Freddie Brown's classes.

## 1954 Cindermen Ten Lettermen

The 1955 track season, with 35 reporting for workout, had 14 returning lettermen and eight returning for track had lettered in other sports. 1954 lettermen returning were the following: Troy Harber, Jerry Hostick, Norman Womack, and Bradford Reeves — dashes, runs, and relays; Wade Wolfe — shot put, discus, broad and high jumps; Milton Daniel — discus; Joe Naylor — pole vault; and Bobby Polk, Bill Nolan, Dave Hand — 880 distance run.

Of the six lettermen not returning, Bradford Reeves and Jim Berly had knee operations; and Robert Herring and Neil McMullen are playing baseball, although Neil plans to run the low hurdles in the district competition. Milton Daniel, the discus thrower, didn't report; and Bill Cook, the only miler, quit because of breathing trouble.

Boys who came out for track this year are pictured above: bottom row, Don Cathey, A. J. Lemmond, Dewey Bryant, Kenneth Kaplan, Zack Tannery, Doyle Ewing, Reggie Alexander, Dale Stanley, Norman Womack, Joe Naylor, Bobby Polk, Ernest McCown; middle row, Bobby Hagood, David Hand, Bill Nolan, Lamar Strandmann, J. M. Hill, Royce Newsom, Billy Gibson, Shannon Denison, Gordon Deering, Charles Moore; top row, Jay Woods, Perry White, Kenneth Blackford, Billy Wienke (Mgr.), Robert Harper, Troy Harber, Wade Wolfe, Gary Daniels, Calvin Warren, Jimmy Snyder, Jerry Hostick, and Bryan Baxter.

Continuing as Westerner track coaches for 1955 season are mentors Don Gray and Bill Oglesby.

Wade Wolfe, 6'5½" senior, is shown putting a shot during spring track training. Robert Harper, and Kinky Williams, juniors, look on. Wade lettered in his sophomore year and junior year.

## Take District; In '55 Squad

The 1954 trackmen copped the first win for the Westerners when they took first place in the Canyon Relays at Snyder. They then won the District 2AA first place title in the district meet held in Odessa. This was the first district win for the Westerner cinder-men since 1949. In the Interscholastic League meets last year they won third place in the Region I meet. In the State Meet, Jerry Davis won first place in the pole vault, while Lyle Harger and Troy Harber failed to place.

Two 1954 trackmen set three new records last year. Troy Harber took the Big Spring record by running the 100-yard dash in 9.8 seconds. Jerry Davis also broke a Big Spring pole vault record with a 12'9" vault. He also broke the Region I record with a 12'1" vault.

On this page we see Elton Mayfield, sophomore, as he completes a successful high jump. Six of his teammates look on. In the middle picture Bobby Haygood, senior cinderman, works out on the hurdles at Chapman Field during the 1955 spring training. Bottom right is Dewey Bryant reaching hard for the low hurdles, hoping to be able to compete for high stakes in district competition.

Although six of the 14 returnees are not out this year, the team is in better physical shape than it was last year. Troy Harber, one of the fastest boys in Texas at the present time, will be running the 100-, 200-, and 440-yard dash, the 440 relay, and the mile relay. Recently Troy ran a quarter mile in 51.9 seconds, missing the state high school record by three seconds. Other boys coming up to watch are Zack Tannery, mile relay, and quarter mile; Bobby Haygood, high hurdles; Elton Mayfield, high jump; Shannon Denison, 880-yard dash; Perry White, pole vault and hurdles; and Robert Harper, shot put.

## Track Team Features Relay Runners, Dashes

*Seen ready for the sprinter starter is Bobby Polk, junior. Also looking on are several teammates. In the top right hand picture we see Joe Naylor, senior, jumping high for an LHS tally. In the middle picture, David Hand, Shannon Denison, and Bill Noland, seniors, are training for the various running events. In the lower left picture on the '55 relay team are Jerry Hostick, senior; Norman Womack, junior; Zack Tannery, sophomore; and Troy Harber, senior; the 1955 relay team.*

*Others to be watched during the season were Perry White, pole vault and hurdles; and Robert Harper, at the shot put.*

## Westerner Golf Team Shows Improvement

*This season the boys in the Westerner golf team have played continuous matches since September. The team has won a majority of its matches, defeating the state champion Amarillo Sandies for the first time in several years.*

*With strong dust storms and cold weather hindering the scores of the players, they have defeated all district opponents several times. The season was concluded at the Southwestern Exposition in Ft. Worth, the West Texas Relays and District Meet at Odessa, and Regional Meet in Lubbock.*

*Last year's team was defeated in a playoff with Big Spring for second place in the District Meet. Donald was district Medalist and Robert tied for second honors.*

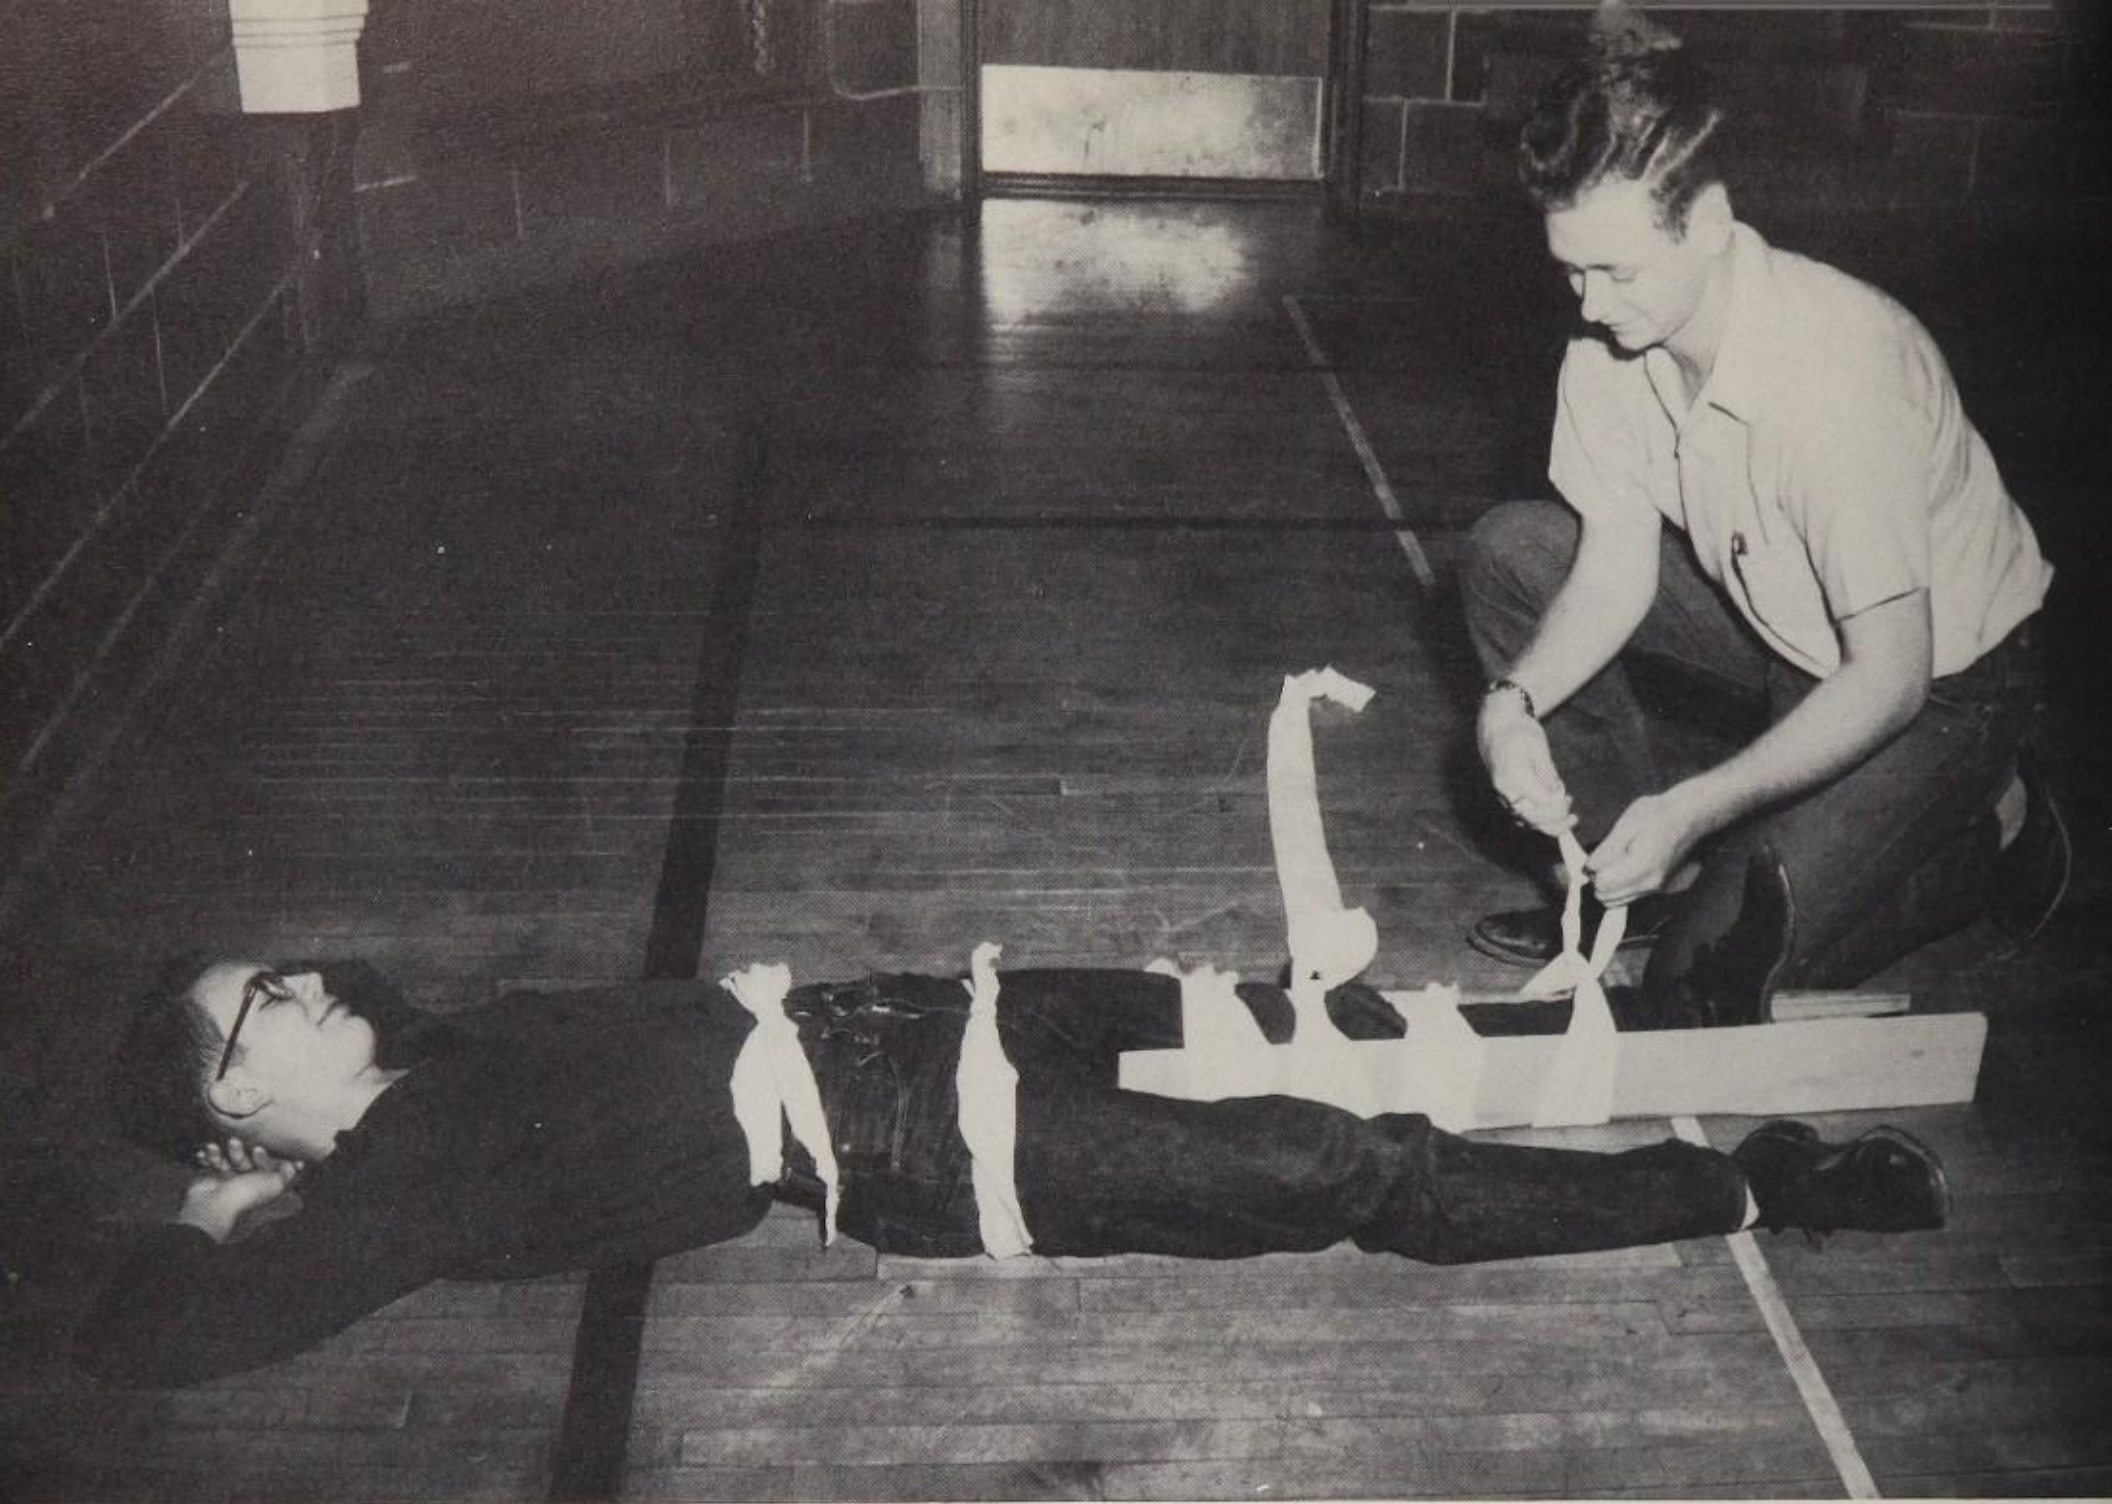

*Pictured above as they pause before a practice round at the Lubbock Country Club are members of the 1954-'55 Westerner Golf Team and Coach Gene Mitchell. Front row are Bill Holmes, Tommy Wilson, Arthur Miller, and Emory Cassell; second row, Robert Rodgers, Donald Brown, Wallace McAfee, Butch Mitchell, Steve Noble, and Coach Mitchell.*

*Preparing to hit his drive is Donald Brown. Waiting their turn are Emory Cassell, Wallace McAfee, and Steve Noble. All the boys are seniors and Emory is captain of the team.*

*Below, Arthur Miller and Robert Rodgers watch Butch Mitchell blast his ball from a sand-trap. The three golfers are juniors.*

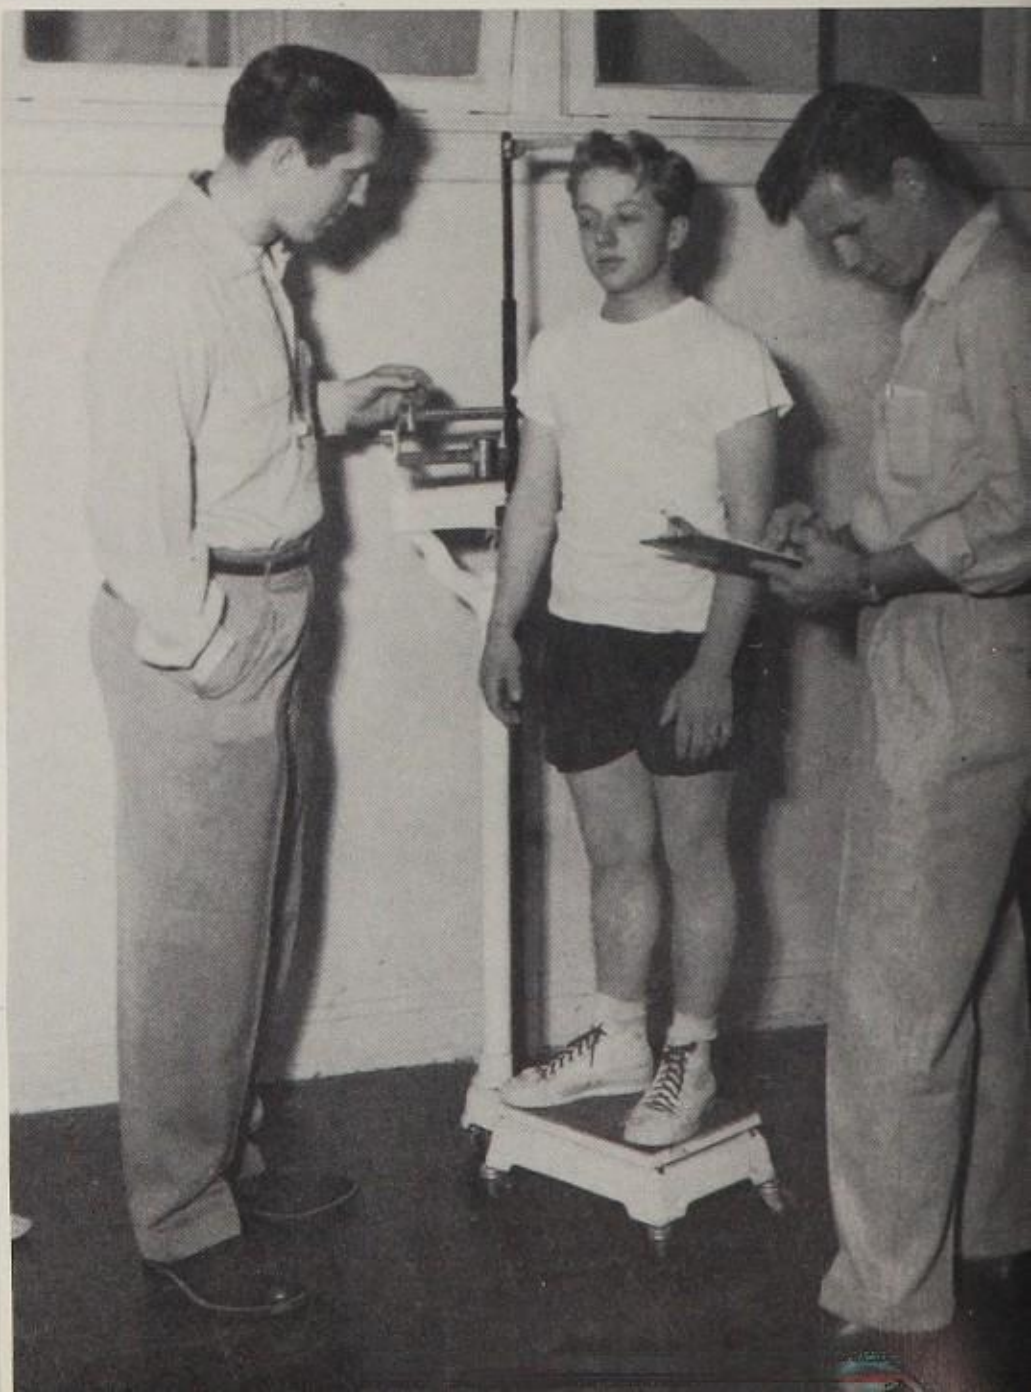

## PE Required As Extracurricular

*PE is required of all students every other day as an extracurricular activity for two years. Those who wish may take PE every day and may even take three years of it. In addition to the regular classes, special PE and individual PE are available. These classes keep the boys in good condition through training under the guidance of the coaches, who have made a thorough study of the subject.*

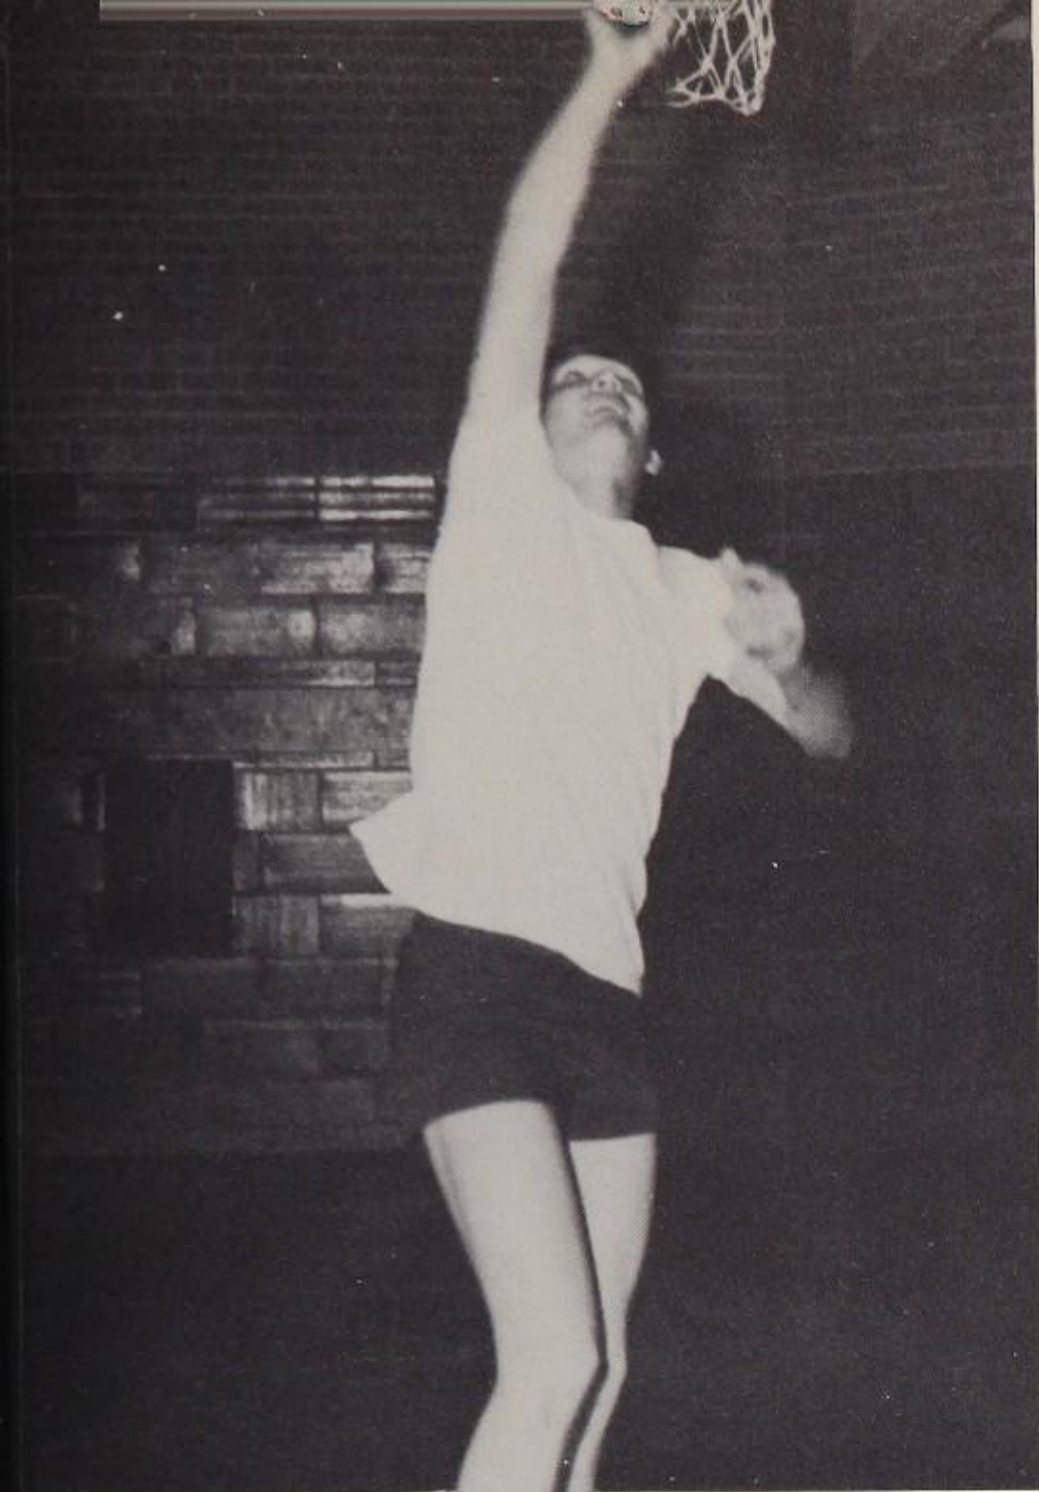

*James Moeser seems to be enjoying the fact that he is being used as a guinea pig, while Tommy Lusk demonstrates the correct use of a splint in caring for a broken leg. This demonstration is taking place in a boys' PE class during a first aid course, which is taught as a regular unit of the physical education program.*

*Coaches Dave Cook and Don Gray are weighing Jimmy Cope; a part of the physical check-up in the gym class which all students must take.*

*Aside from their coaching in the PE classes, Coach Cook was head Westerner basketball coach and Coach Gray was assistant track coach.*

## Bobby Smith Chosen 'Mr. PE' for 1955

*All boys seem to enjoy letting off a little steam in the gym classes, and the coaches seem to enjoy giving them "little exercises." Rugged physical exercises, such as push-ups, deep-knee bends, sit-ups, and duck walks, are the order of the day in PE classes, as all boys participate.*

*Bobby Smith, "Mr. PE," of Lubbock High School—1954-'55, exhibits some of his superior athletic skill in the gym. Bobby was chosen by Coach Cook and Coach Gray as the most outstanding pupil in the physical education classes. His official name is "Outstanding PE Boy of the Year."*

*"Bobby is a leader and takes part in all the activities and is the best competitor in all the PE classes," the coaches said in praise of him.*

*"One-Two-One-Two" echoes across the boys' gym each day as the boys carry on the exercises so vital in physical development. Here members of the class show their different reactions while doing the required deep-knee bends.*

## 700 Girls Participate In PE Program In LHS

Lubbock High School's girls' Physical Education Department, 700 strong, provides all LHS girls with at least two years of supervised sports activity and exercise. Included in the PE program are square dance instruction, first aid units, calisthenics, and a number of competitive sports such as basketball and volleyball.

Mrs. W. I. Pittman and Mrs. Truman Hutson, PE teachers, have the job of leading LHS girls in their physical education activities. Mrs. Pittman and Mrs. Hutson are shown here getting ready for a game of ping pong.

About a week before Lubbock High's annual Round-up, square dancing is taught in the gym classes. In this square Tony Briggs and Jane Livermore are "dipping under" the arch formed by Richard Estes and Helen Smith, while Nanette Crosby, Billy Wienke, Karen Kerr, and Kenneth Blackford look on.

## Charlene Howard Chosen Outstanding PE Girl

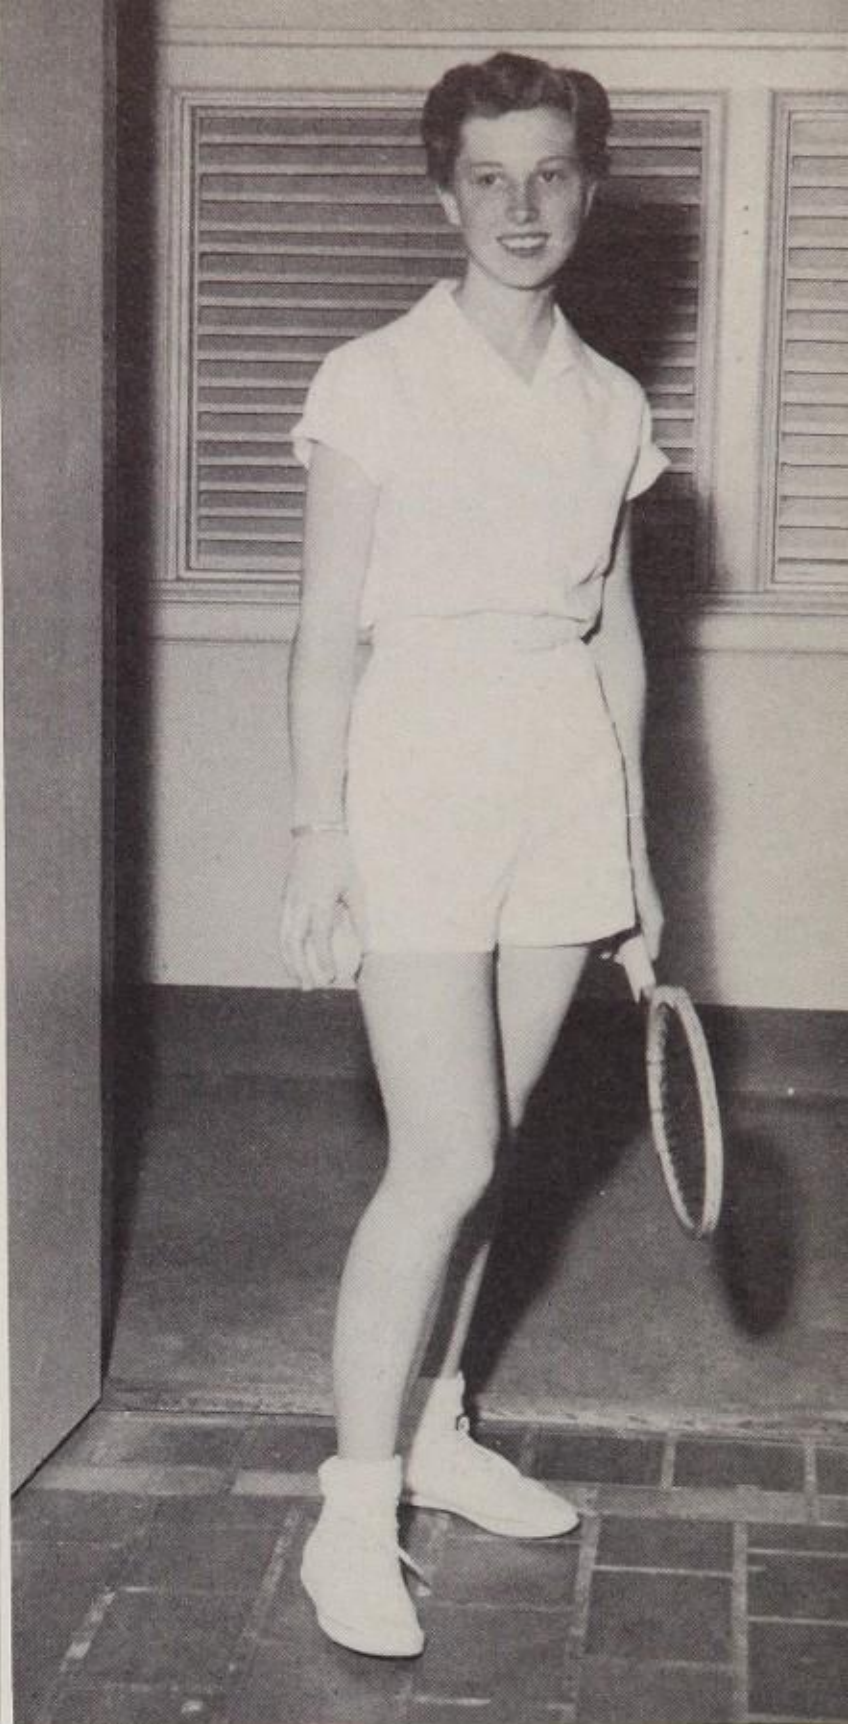

Charlene Howard, junior, was selected outstanding PE girl for 1955. The physical education teachers chose Charlene for this honor in view of her exceptional work in PE. In the fourth period MTT class she was captain of her girls' basketball team and outstanding in all sports.

In the physical education classes a first aid unit is taught annually. In this course the girls are given training to meet any emergency and to care for all types of wounds and many diseases. In addition to practical application, each girl is required to make a first aid notebook and take an examination at the close of the unit.

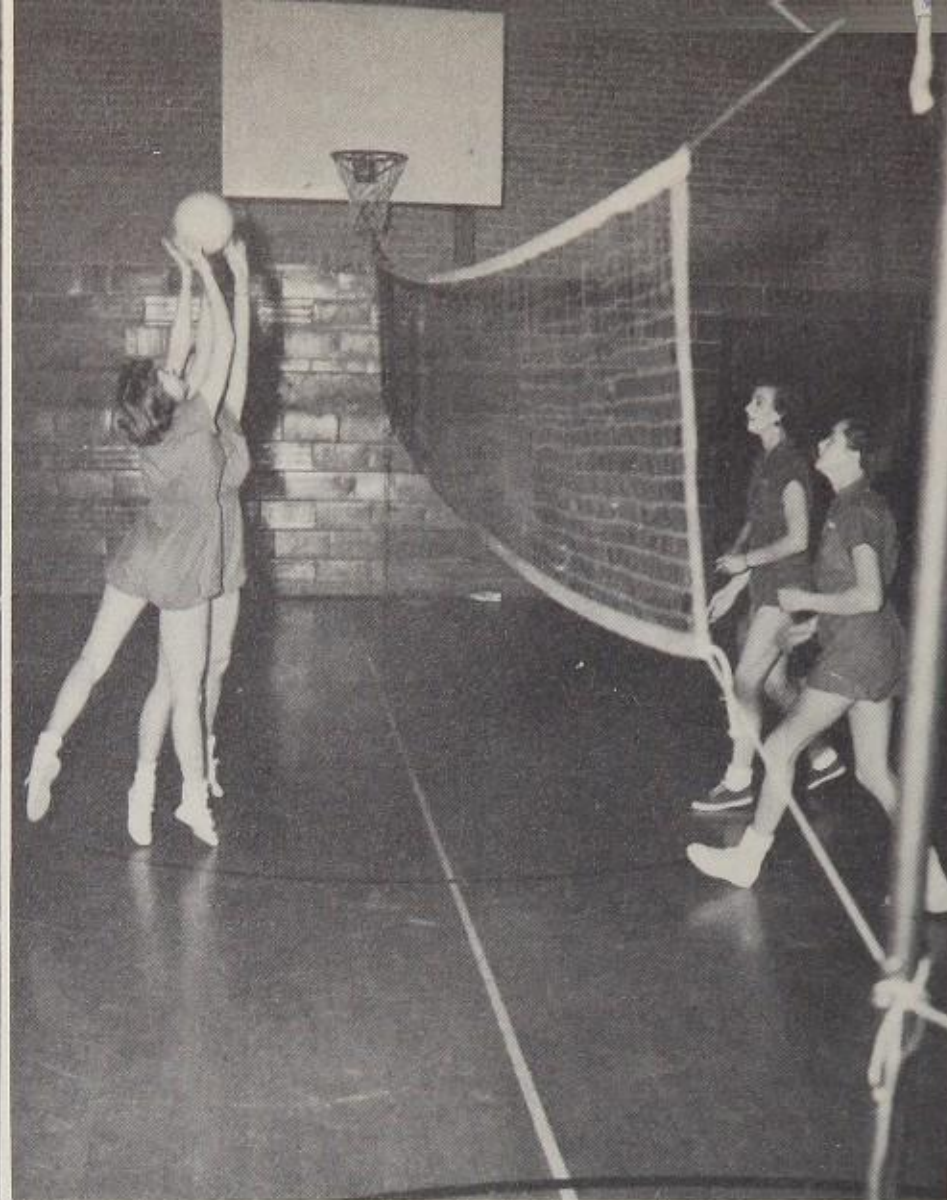

Glenna Maxey is shown giving Linda Hufstedler artificial respiration by a new improved method taught for the first time this year. Both girls are sophomores.

During the study, girls were also given instruction in the making of bandages. Various types were demonstrated and practiced in the gym classes. This picture shows Rosemary Huneke "bandaging" Rita Wylie during their first period MTT PE class.

## Third MTT Class Wins Basketball Tournament

Another sport enjoyed each year by PE girls is volleyball. This unit is usually covered in the spring. At the close of the study, a team is chosen from each gym class and a tournament is held.

Tommye Storey is shown slamming the volley ball into the net, while her teammate, Kay Barley, looks on. On the opposing team, ready to return the ball if it goes over, are, left to right, Sylvia Turner, Charlene Howard, Jo Ann Scott, and Martha Bearden.

With their faces hidden from the camera, two unidentified girls are about to volley a ball over the net to Yvonne Standifer and Gwen Wilson. All girls in both these pictures are from the fourth period PE class.

Every year in the girls' gym classes, for the purpose of improving each girl's carriage and walk, a posture course is given. At the close of this unit, a posture queen is elected from the PE classes. "Miss Posture of 1954-'55" was Dorothy Waters. Runners-up were Charlsey Pillars and Melinda Proctor.

Pictured to the right is the winning team of the intramural basketball tournament held in the PE classes. Members of this team from the third period MTT class are, back row, Norma Jackson, Suzanne Ratisseau, Lavada Gollihugh, Gwen Wilson, and Barbara Adkisson, captain; front row, Hedy McGovern, Dorothy Waters, Clara Escobar, and Zoe Morris.

## Individual PE Classes Engage In Indoor Games

*In the individual physical education classes there is a total of 55 students. They are persons who for some reason have been advised by their physicians not to participate in strenuous physical activity. Most students in individual PE take part in playing ping-pong, checkers, horse shoes, and in hiking. Inadequate space has limited the variety and number of activities which can be offered to those students who meet in two sections, which alternate.*

*Joe Billy Moore, Allen Deatherage, Don Denton, and James Eby test their skill in a game of table tennis during class.*

*Starting from right to left are Judy Sims and Rita Riggs watching as Joan Barnes and Mickey Wright make their moves in checkers.*

# Coach Jim Burgess Leads Tennis Team

Larry Merriman had just finished serving the ball which determined his place on the ladder. At the time this picture was taken, Larry was in first place.

Sandra Dudley and Diana Smith worked harmoniously together as the number one girls' doubles team. Although victory was not always theirs, the two girls made a fine showing.

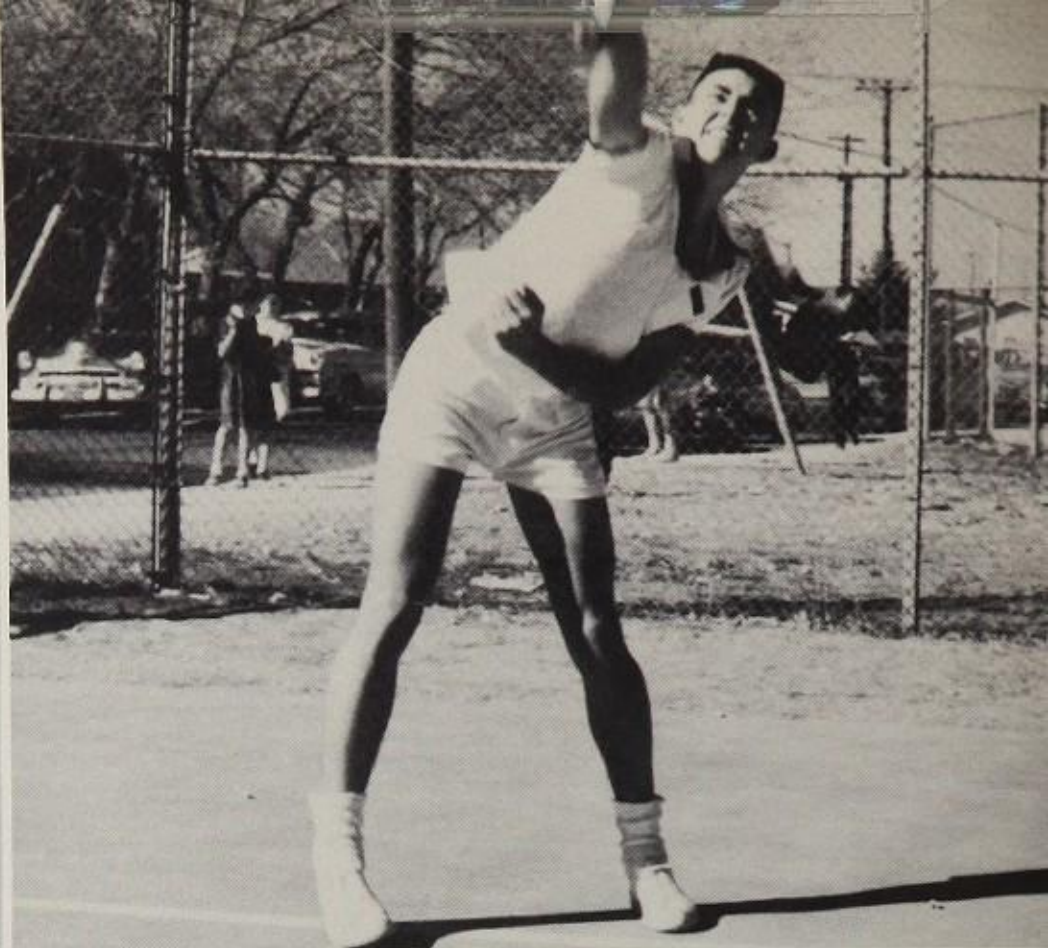

Tennis Coach Jimmy Burgess served as a member of the Texas Tech tennis team for two years. This, along with the other factors qualified Mr. Burgess to coach the LHS tennis team.

Although most of the important matches are played in the late Spring, the team has had quite a few matches. Midland, Plainview, Odessa, and San Angelo are among the places that were challenged by LHS.

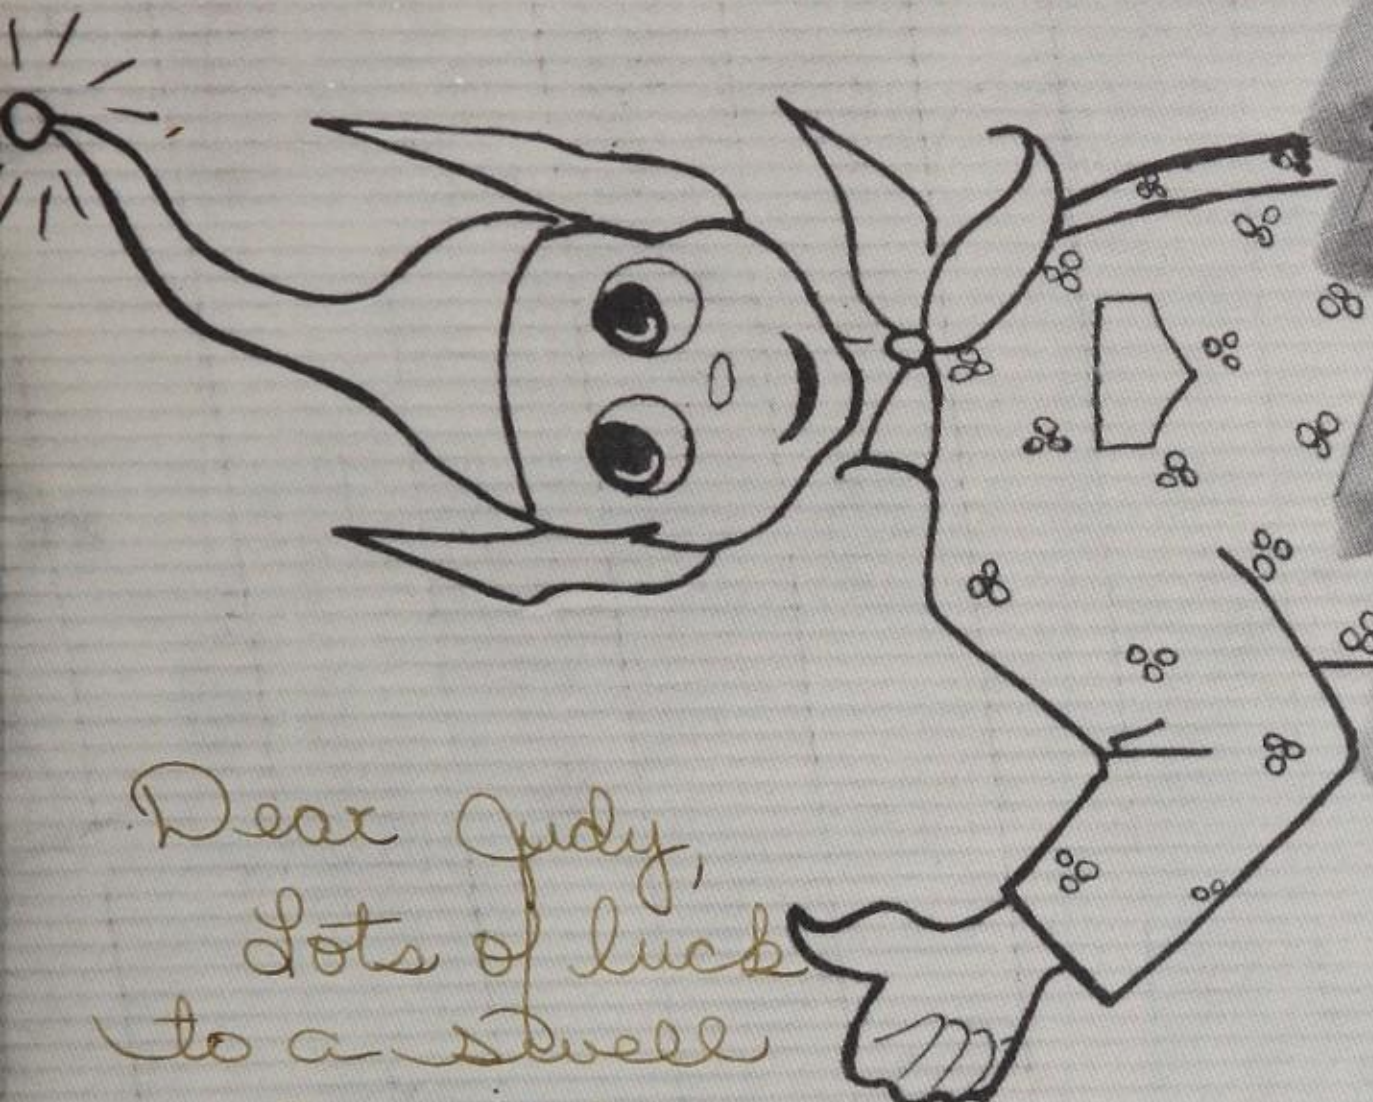

Don Wells is classified in the "A" singles class, with Larry Merriman and Jerry Hopkins playing "A" doubles.

Girls' "A" singles is played by Mary Ann Sharp, Sandra Dudley and Diana Smith enter "A" doubles competition.

Members of the team are, front row, Mary Ann Sharp, Diana Smith, Sallie Jo LeMond, Ann Armstrong, Bobby Harrison, Mary Jane Cashion, and Sandra Dudley; second row, Wesley Hopp, Sarah Lewis, Willene Robnett, Robert Evans, Danny Scales, and Roy Lee Tunnell; back row, Jimmy Burgess, Coach Dick Burr, Larry Merriman, Don King, Jerry Don Hopkins, Lewis Marshall, Don Wells, Tommy Price, and George Dawson, manager; and Alton Abbott.

Earlene Gott, Joyce Thrush, advertising copy and layout editor, and Deneve Turner comprised the advertising layout staff for the 1955 WESTERNER. Assisting them in the work of preparing this section for shipping were Brown Holden, Leona Spralding, Kay Myers, Eddie Joe Bradford, and Jean Shawver. Together these students recorded ads, made the lay-outs, mounted, and edited the material for the 52 advertising pages in this year's annual.

## Advertising Sales Make 1955 Westerner Possible

Working diligently and steadily to make possible the 1955 WESTERNER these students sold 259 ads, totaling \$3,880 in a little more than three weeks.

After the city was divided into 33 districts, each student was assigned a district in which to sell. This advertising serves a twofold purpose. It presents the advertiser's name and his products to the high-school students through a medium which they value, and, at the same time, the income from advertising makes it possible for more students to purchase a yearbook because the price can be lower.

The advertising section covers 52 pages of this year's edition. Income derived from the advertising makes it possible for LHS students to purchase the WESTERNER, the production cost of which is almost \$6, for \$2.25 on

the activity book plan or \$3.50 on the subscription plan. This year 1347 activity books and 474 subscriptions were bought by students and faculty members.

Twenty-three journalism students and publication department members worked as advertising salesmen for the WESTERNER. They are, first row, according to the amount sold, Carolyn Mimms, Carol Simpson, Helen Smith, Mary Ann Smalley, Carolyn Tapp, Eva Campos, Eddie Joe Bradford; second row, Kay Myers, Bill Osborn, Barbara Miller, Britt Myers, Nanette Crosby, Patsy Painter, Frances Wilson; third row, Karen Kerr, Yvonne Hamilton, Jean Shawver, Lora Kerr, Lilburn Smith, Mary Wilkerson, Kathy White, Linda Kelley, and Karen Key. Not pictured are Brown Holden, Ray Moore, Stanley Silverman, and Suzanne Wilson.
